India’s foreign policy is closely integrated with the country’s fundamental security and developmental priorities. We seek a global order in which India’s interests are assured; the autonomy of India’s decision-making is safeguarded; and which is conducive to achievement of the overriding goal of rapid, sustained and inclusive socio-economic development of the country. To this end, Indian foreign policy has combined firm commitment to our core national values with dynamic adaptation to change in the international environment.

Central to our policy objectives is ensuring a peaceful and secure neighbourhood, cordial and balanced relations with the major powers and mutually beneficial partnerships with developing countries. Indian foreign policy also has a strong multilateral aspect. Many of the key challenges of our times – issues such as peace and security including fight against international terrorism, reform of international financial architecture and international organizations, food and energy security and climate change – have global dimensions and require cooperative global action to be addressed effectively.

The year 2009-10 was witness to challenges in the foreign policy domain in the aftermath of the Mumbai terrorist attacks of November 2008 and the global financial crisis. Even as these challenges were effectively countered, there were also significant achievements in other areas.

India’s commitment to close and good neighbourly relations with all our subcontinental neighbours is based on the fundamental principles of equality and mutual respect. India is committed to supporting Bhutan in the consolidation of its newly established democracy. The visit of His Majesty Jigme Khesar Namgyel Wangchuck, the fifth King of Bhutan to India in December 2009 further deepened and consolidated bilateral relations. India continued its strong support to Nepal’s transition to a stable, peaceful and prosperous democratic state. Prime Minister Madhav Kumar Nepal’s visit to India in August 2009 and the visit of President Ram Baran Yadav in February 2010 strengthened the close ties of friendly cooperation and the unique and multifaceted relationship we share with Nepal. The restoration of multi-party democracy in Bangladesh has had a positive impact in many areas of cooperation with Bangladesh. Bilateral relations were greatly strengthened with Prime Minister Sheikh Hasina’s visit to India in January 2010. India’s pledge of a line of credit of US$ 1 billion for infrastructure development in Bangladesh and Prime Minister Hasina’s assurance that anti-India activity would not be allowed from the soil of Bangladesh were some of the significant landmark outcomes from this historic visit. During 2009-2010, India’s support and contribution to the reconstruction of Afghanistan was further consolidated.

Relations with Sri Lanka saw further development with India and Sri Lanka maintaining high-level interaction and with India’s offer of assistance of Rs. 500 crores for the relief, rehabilitation and resettlement of internally displaced persons belonging to the Tamil minority and long-term reconstruction of the war-ravaged regions of the country.

Apart from maintaining close ties with the immediate neighbours, India continues to work with other SAARC member countries to transform SAARC into an effective vehicle for regional integration.

India attaches high importance to its bilateral relations with China. Notwithstanding the complex nature of this relationship, both countries continued their high-level political interaction. Prime Minister Dr. Manmohan Singh met the Chinese President Hu Jintao in Yekaterinburg (June 2009) and Premier Wen Jiabao in Hua Hin (October 2009). The institutionalized dialogue mechanisms between the two countries covering a host of issues have steadily progressed during the period. With a convergence of interests on issues such as Doha Round of WTO negotiations, climate change, global financial crisis etc., both countries have continued to interact constructively on global issues.

India’s relations with the USA and Russia have not only been strengthened but also transformed qualitatively with new areas of strategic cooperation added. India’s engagement with the US broadened in a number of areas of mutual interest at the bilateral, regional and global level. Both new Governments in India and the US reiterated
their strong commitment to strengthen the existing political and economic partnership, and take it to a higher level for mutual benefit. During the visit of US Secretary of State Ms. Hillary Clinton in July 2009, both countries jointly announced a new agenda for Indo-US relations. The Indo-USA strategic partnership, was further consolidated with Prime Minister Dr. Manmohan Singh’s visit to the US in November 2009. During the visit, Prime Minister Dr. Singh and President Obama decided to embark on a new phase in the global strategic partnership between India and the US. During the period, the US remained India’s one of India’s largest trading partners. The total volume of Indo-US bilateral trade in goods and services stood at US$ 59.8 billion during the period January-October 2009.

Indo-Russian relations continued to be strengthened with the State visit of President Smt. Pratibha Devisingh Patil to Russia in September 2009, Prime Minister Dr. Manmohan Singh’s visit to Russia in June 2009 for Brazil-Russia-India-China (BRIC) and Shanghai Cooperative Organisation (SCO) Summits, and again in December 2009 for the annual bilateral Summit. The adoption of a Joint Declaration on further deepening the strategic partnership, initialing of an agreement on peaceful use of atomic energy, and agreements on defence-related cooperation during PM’s December visit reflect the consolidation of strategic relations between the two countries.

During 2009-10, India-EU strategic partnership was provided with a new impetus. India’s multi-faceted interaction with the EU intensified in diverse fields ranging from defence and security to culture and education. The 10th India-EU Summit was held in New Delhi on 6 November, 2009. The Summit reviewed India-EU relations and identified concrete areas of cooperation.

Relations with countries in Europe were characterized by high-level visits, parliamentary exchanges, civil society dialogues etc. President of India Smt. Pratibha Devisingh Patil visited Spain in April and UK in October 2009. Prime Minister Dr. Manmohan Singh visited Italy for the G-8/G-5 Summit and France for the Bastille Day celebrations in July 2009.

During the past year, India continued to expand its political and economic relations with the countries in East Asia, West Asia, Central Asia, Africa and Latin America. Relations with the countries in the East Asia and the Pacific are an important dimension of India’s “Look East” policy. Our relations with East Asia were strengthened by the visit of Japanese Prime Minister Mr. Yukio Hatoyama (December 2009), Malaysian Prime Minister Mr. Dato’ Sri Mohd Najib Tun Abdul Razak (January 2010) and the President of the Republic of Korea, Mr. Lee Myung-bak (January 2010) to India. Relations with countries in the West Asia and Gulf region were strengthened further in several areas. India’s annual contribution to the United Nations Relief Agency for Palestinian Refugees in the Near East (UNRWA) was enhanced from US$ 20,000 to US$ 1 million. India has vital interests in the Gulf region where almost 4.5 million Indians live and work. While increasing our imports of oil and gas, India is taking active steps to strengthen relationship with the individual Gulf countries.

India is strengthening its relations with Central Asian countries on the basis of historical and cultural linkages. Relations have not only been diversified but nurtured at the highest level. President Smt. Pratibha Devisingh Patil paid a State visit to Tajikistan in September 2009 and External Affairs Minister Shri S. M. Krishna visited Turkmenistan and Uzbekistan during the year.

India continued to consolidate bilateral relations with African countries. 47 out of 53 African Union countries have joined the Pan-African e-Network Project of the Government of India and have started availing of the tele-education and tele-medicine facilities. The momentum of our relationship with African countries is also maintained through high-level visits. President of Namibia paid a State visit to India (30 August-3 September 2009). Shri Mohammad Hamid Ansari, Vice President of India visited Zambia, Malawi and Botswana from 5-11 January, 2010.

India’s engagement with Latin American and Caribbean countries continued during the year through active multi-sectoral dialogue with the region. Prime Minister Dr. Manmohan Singh visited Trinidad and Tobago for the CHOGM Summit in November 2009. President of Argentina Dr. Cristina de Fernandez Kirchner paid a State visit to India in October 2009. India’s trade and economic interaction with the Latin American and Caribbean region has increased during the period.

During 2009-10, India’s multilateral economic engagement further widened and deepened. This is evident from Prime Minister Dr. Manmohan Singh’s participation in G-8 Outreach and G-5 Summits (8-10 July, 2009), the first formal Summit of BRIC (Brazil, Russia, India & China) (15-17 June, 2009), G-20, Pittsburgh (September 2009), India-ASEAN Summit and East Asia Summit (24-25 October, 2009). India continues to play an important role in such regional
groupings as Asia-Europe Meeting (ASEM), Bay of Bengal Initiative for Multi-sectoral Technical and Economic Cooperation (BIMSTEC), Mekong Ganga Cooperation, Indian Ocean Rim-Association for Regional Cooperation (IOR-ARC) and G15. The signing of India-ASEAN FTA in Goods which has been operationalized from 1 January, 2010 is an important milestone in India’s economic engagement with the outside world.

Despite the global economic downturn resulting from the financial and economic crisis, India has fared better than most other countries, and remains one of the fastest growing among the major economies, with a growth rate that is expected to reach 7% plus in 2009-10. India is an active member of G-20 and attaches importance to the implementation of the G-20 Summit decisions including that of the Pittsburgh Summit in September 2009 to arrest recession, expedite recovery and revive the world economy. In the process, India has sought to ensure that international decision making on global economic issues is democratized to reflect present realities.

An intense focus of India’s foreign policy during the period has been the subject of climate change. India’s approach on the issue has always been guided by the imperative to preserve India’s development space and enhance energy security. Although a legally-binding agreement on climate change could not be reached at the Copenhagen Summit in December 2009, India was in the forefront with China, Brazil and South Africa (BASIC Group) together with the US, in putting in place the Copenhagen Accord. India views this Accord as a political document to facilitate negotiations in the post-Copenhagen process under the UNFCCC.

India continues to work for strengthening the United Nations. During the period, it continued its efforts to push for comprehensive reforms of the UN Security Council including its expansion in both permanent and non-permanent categories, and improving its working methods.

**Neighbours**

**Afghanistan:** The steady deterioration in the internal security situation spurred by increasing violence in Afghanistan and attacks on our personnel, establishment and projects in Afghanistan continued to engage India’s attention during the year. Following the bomb attack targeting the Indian Embassy in Kabul on 9 October, 2009, the Government of India expressed deep concern over the cowardly attack which was aimed against the people of India and people of Afghanistan and their abiding friendship. Foreign Secretary Smt. Nirupama Rao visited Kabul immediately after the attack and met President Karzai, Foreign Minister Spanta and other leaders. A terrorist attack in Kabul on 26 February, 2010 killed, among others, seven Indians and seriously injured several others. While deeply condemning the loss of life, Government stressed that India will continue to pursue its development partnership with Afghanistan, undeterred by such cowardly attacks of terrorism.

India has been at the forefront of the efforts to assist the government and people of Afghanistan in building a stable, democratic, and pluralistic society. Close political consultations with the Government of Afghanistan and regular high contacts with its leadership were maintained. India welcomed the successful holding of the Presidential and Provincial Council elections in Afghanistan on 20 August, 2009. The swearing-in ceremony of newly re-elected President Karzai which took place on 19 November, 2009 was attended by External Affairs Minister Shri S. M. Krishna. The then Afghan Foreign Minister Dr. Dadfar Rangin Spanta visited India from 26-27 July, 2009 to hold bilateral discussions. He met Minister of External Affairs Shri S. M. Krishna and the then National Security Advisor Shri M. K. Narayanan and called on Prime Minister Dr. Manmohan Singh. India remains actively engaged in the task of reconstruction and development of Afghanistan. India’s bilateral assistance to Afghanistan has crossed US$ 1.3 billion (as against a pledge of US$ 1.2 billion).

**Bangladesh:** Following the restoration of multi-party democracy in Bangladesh, India and Bangladesh have engaged actively to enhance cooperation in a range of areas. Prime Minister Sheikh Hasina’s visit to India in January 2010 opened a new chapter in India-Bangladesh relations. The Joint Communiqué issued during the visit outlines a range of areas for bilateral cooperation. Both sides agreed to enhance security cooperation, particularly against insurgent groups. India announced a US$ 1 billion Line of Credit for infrastructural development projects in Bangladesh, including railway infrastructure, coaches, locomotives, buses and dredging. Connectivity received a boost with India providing road and rail transit to Bangladesh to Nepal and to Bhutan and both sides designating new ports of call in inland waterways. Bangladesh also gave access to India to use Chittagong and Mongla Port. India also agreed to supply Bangladesh 250 MWs of power. Both countries agreed to enhance cooperation in trade and investment, culture, water resources and human resource development. Three security related agreements, an agreement on power cooperation and a cultural exchange programme were also
signed during the visit. Prior to the visit, Foreign Minister of Bangladesh Dr. Dipu Moni visited India in September 2009 and Foreign Secretary Smt. Nirupama Rao had also visited Bangladesh in November 2009. Both these visits led to strengthening Bangladesh in various fields and greater understanding between the two countries.

**Bhutan:** India and Bhutan's warm and cordial bilateral relations, characterized by close consultations, trust and mutual understanding, were further strengthened through regular high-level exchanges and visits and expanding cooperation. There were several high-level visits from both sides including that of the External Affairs Minister Shri S. M. Krishna (June 2009), Home Minister Shri P. Chidambaram (August 2009), Minister of Parliamentary Affairs & Water Resources Shri Pawan Kumar Bansal (October 2009), Chief Information Commissioner Shri Wajahat Habibullah (May 2009), the Special Envoy of the Prime Minister Shri Shyam Saran (July 2009), Foreign Secretary Smt. Nirupama Rao (September 2009), the Comptroller & Auditor General Shri Vinod Rai (September 2009), Chief Election Commissioner Shri Navin Chawla (October 2009) and the then National Security Advisor to Prime Minister, Shri M. K. Narayanan (November, 2009). From the Bhutanese side, Prime Minister of Bhutan, Mr. Jigmi Y. Thinley visited India from 28 June-3 July 2009 and His Majesty Jigme Khesar Namgyel Wangchuck, the King of Bhutan, paid a State visit to India from 21-26 December, 2009. These visits led to strengthening of our bilateral economic and political relations. India continued to be the largest trade and assistance partner of Bhutan.

**China:** The year saw continuing high-level engagement with China, including meetings on the sidelines of major international and regional events. Prime Minister Dr. Manmohan Singh met Chinese President Hu Jintao in Yekaterinburg on 15 June, 2009 on the sidelines of the SCO/BRIC Summit. PM and the Chinese Premier Wen Jiabao had a meeting in Hua Hin, Thailand on the margins of the East Asia/ASEAN Summit in October 2009. PM also met Premier Wen Jiabao on 18 December, 2009 at Copenhagen during COP 15. The External Affairs Minister Shri S. M. Krishna met the Chinese Foreign Minister Mr. Yang Jiechi at Phuket (Thailand) on 22 July, 2009 on the margins of the East Asia Summit Ministerial Meeting, and thereafter in Bangalore on 27 October, 2009 on the sidelines of the Russia-India-China (RIC) Trilateral Foreign Ministers Meeting. During these meetings, there was fruitful exchange of views and the leaders agreed to continue and strengthen efforts to build mutual trust and understanding in the spirit of the Strategic and Cooperative Partnership between the two countries. The institutionalised dialogue mechanisms between India and China covering a wide range of issues showed steady progress during the year. With convergence of interest on issues like the Doha Round of WTO negotiations, climate change and the global financial crisis, both countries continued to interact constructively on global issues. China is now India's largest trading partner with the total volume of bilateral trade being US$ 51.8 billion in 2008. The trade volume dipped slightly in 2009 to US$ 43.27 billion.

**Iran:** The visit to India by Foreign Minister of Iran, Mr. Manouchehr Mottaki from 16-17 November, 2009 continued the sequence of exchange of high-level visits. Foreign Secretary Smt. Nirupama Rao visited Iran for Foreign Office Consultations (FOC) from 2-3 February, 2010. 2009-10 also saw continued bilateral exchanges in a number of areas like energy, trade, commerce and industry, banking, culture, media and broadcasting, etc as well as consultations on regional and international issues of mutual interest, thus maintaining the momentum of bilateral relations. Bilateral trade grew by 30.04% in 2008-09 in comparison to the previous year, and touched US$ 13.146 billion.

**Maldives:** Bilateral relations between India and the Maldives continued to be strengthened by several high-level exchanges. President Mohammed Nasheed of the Maldives visited India in October 2009 and again in January 2010. Special Envoy of the President Ibrahim Zaki and the Foreign Minister of the Maldives Dr. Ahmed Shaheed also visited in August 2009 and July 2009 respectively. Vice President of the Maldives Mohamed Waheed visited India from 18-24 February, 2010 at the invitation of the Vice President of India. Defence Minister Shri A. K. Antony visited Maldives in August 2009, wherein both countries identified various areas of cooperation in the security and defence sectors and agreed to enhance cooperation in the area of coastal security and maritime surveillance. National Security Adviser Shri M. K. Narayanan visited Maldives in June 2009 and Foreign Secretary in January 2010. The India-Maldives Joint Coast Guard Exercises ‘DOSTIX’ were held of Male in December 2009 and the ‘EKUVERIN’ exercises in October 2009.

**Myanmar:** Relations between India and Myanmar continued to develop their multi-dimensional character. The momentum of high-level visits was maintained. External Affairs Minister Shri S. M. Krishna visited
Myanmar for the BIMSTEC Ministerial Meeting in December 2009 and met PM of Myanmar General Thein Sein. Foreign Secretary is scheduled to visit Myanmar for Foreign Office Consultations between 28 February-2 March 2010 where a range of areas of cooperation are likely to be discussed. Chairman, Combined Officers Staff Committee (CoSC) and Chief of Army Staff (CoAS), General Deepak Kapoor visited Myanmar in October 2009. Vice Admiral Soe Than, Myanmar's Minister for Industries (No. 2) visited India in December 2009. The Tamu-Keygone-Kalemyo stretch of road, built with Indian assistance, was handed over to the Government of Myanmar in October 2009. Work on the Kaladan Multi Modal Transit Transport Project and the India-Myanmar Industrial Trading Centre continued apace. Both countries continued to enhance cooperation in the areas of energy, oil and natural gas, power, IT, infrastructure development, telecommunication and agriculture.

Nepal: India continued close consultations with the Government of Nepal and the major political parties with a view to support Nepal’s transition to a democratic, stable, peaceful and prosperous State. As a result of the extensive interactions and high-level visits, the bilateral relationship strengthened. At the invitation of the Prime Minister of India, Prime Minister, Mr. Madhav Kumar Nepal paid an official visit to India from 18-22 August, 2009. Earlier, Foreign Minister Ms. Sujata Koirala visited India from 10-14 August, 2009 and the Defence Minister of Nepal Ms. Bidya Bhandari, visited in July 2009. Home Minister of Nepal Mr. Bhim Bahadur Rawal visited India from 18-22 January, 2010. The President of Nepal, Dr. Ram Baran Yadav, visited India from 15-18 February, 2010 during which four agreements/MoUs were signed and a concessional line of credit of US$ 250 million and supply of some food items was announced. Commerce and Industry Minister of India (CIM), Shri Anand Sharma visited Nepal from 27-28, October 2009 during which the revised Treaty of Trade and Agreement of Cooperation to Control Unauthorized Trade was signed. External Affairs Minister Shri S. M. Krishna visited Nepal from 15-17 January, 2010 during which he met the senior leadership of Nepal and signed four MoUs. Former Foreign Secretary Shri S. Menon visited Nepal from 20-21 June, 2009. Foreign Secretary Smt. Nirupama Rao visited from 14-15 September, 2009 to exchange views on issues of mutual interest and implementation of the agenda agreed during the visit of Prime Minister of Nepal to India in August 2009. India continued its support to developmental activities in Nepal. At present, there are over 350 small and large projects being undertaken under the aegis of India-Nepal Economic Cooperation Programme.

Pakistan: In the wake of the terrorist attack on Mumbai, there has been a pause in the Composite Dialogue process. Government’s expectation that Pakistan acts with purpose against the perpetrators of the Mumbai attack as also unearths the wider conspiracy behind the attack has been conveyed on several occasions, including at the highest level. India’s concerns were suitably conveyed on occasions, including in the meeting of Prime Minister Dr. Manmohan Singh with President of Pakistan Mr. Asif Ali Zardari on the sidelines of the SCO-BRIC Summit in Yekaterinburg on 16 June, 2009 and in Prime Minister’s meeting with the Prime Minister of Pakistan at Sharm-el-Sheikh on 16 July, 2009 on the sidelines of NAM Summit. Similar views were also conveyed by External Affairs Minister in his meetings with the Foreign Minister of Pakistan on the sidelines of G-8 Outreach meeting on 26 June, 2009 in Trieste (Italy), and later on the sidelines of UNGA in September 2009 in New York.

At India’s invitation, Foreign Secretary level talks between the two countries were held in New Delhi on 25 February, 2010. This was in the context of Government’s desire to ensure communication between the two countries, to address the core concerns relating to terrorism directed against India, and pending humanitarian issues.

Despite the terrorist attack on Mumbai and ongoing investigations into the involvement of David Coleman Headley and Tahawwur Hussain Rana in various terrorist acts, including the Mumbai terrorist attack and continuing cross-border infiltration from Pakistan and ceasefire violations by Pakistan across the Line of Control and International Border, people-to-people contacts were allowed to continue. A number of Pakistani cultural, academic and trade delegations visited India. Government also facilitated visits to places of pilgrimage under the Protocol on Visits to Religious Shrines (1974). India’s bilateral trade with Pakistan in 2008-09 was US$ 1.78 billion. Quantitative studies estimate that potential for two way trade between India and Pakistan can exceed its rather unsatisfactory current level by ten times.

On 1 January, 2010, India and Pakistan exchanged through diplomatic channels, simultaneously at New Delhi and Islamabad, the lists of nuclear installations and facilities covered under the Agreement on the
Prohibition of Attack against Nuclear Installations and Facilities between India and Pakistan.

Sri Lanka: Relations between India and Sri Lanka continued to progress in all spheres of bilateral relations. The momentum of high level interaction was maintained. President Mahinda Rajapaksa paid a private visit to India on 31 October, 2009. Prime Minister Mr. Ratnasiri Wickremesinghe visited India in October 2009 to inaugurate the Pilgrims Rest in Sanchi. Senior Adviser to President Mahinda Rajapaksa led a delegation to India in June and later in December 2009. Prime Minister Dr. Manmohan Singh met the Sri Lankan Prime Minister on the sidelines of the CHOGM in 2009. External Affairs Minister Shri S. M. Krishna also met Foreign Minister Bogollagama on two occasions in multilateral fora. National Security Adviser Shri M. K. Narayanan visited Sri Lanka in April 2009 and, subsequently, a 10-member delegation of Members of Parliament from Tamil Nadu also visited Sri Lanka, especially the Northern and upcountry areas.

With the end of hostilities there, India has offered all possible assistance to help in relief, rehabilitation, early resettlement and longer-term reconstruction of Sri Lanka. Prime Minister announced an amount of Rs. 500 crores for relief and rehabilitation. An Indian field hospital functioned for six months from March-September 2009, and treated more than 50,000 patients. Indian assistance also included seven de-mining teams, 5,200 tonnes of shelter material, 70,000 agricultural packs and taking up of civil infrastructure like railways etc through Lines of Credit. India has continued to emphasize that the way forward lies in a peacefully negotiated political settlement within the framework of a united Sri Lanka, acceptable to all the communities in Sri Lanka including the Tamils.

South East Asia and the Pacific

In pursuance of our “Look East” policy, India continued to improve and consolidate its relations with countries in the South East Asia and the Pacific. Multi-faceted relationships continued to develop with the countries in the region, both in the bilateral and multilateral context. India’s trade with most of the countries in the region showed significant improvement during the year despite the global financial crisis. Operationa­lization of the India-ASEAN FTA in Goods on 1 January, 2010 is going to further boost our economic relations. India attended the 21 Post-Forum Dialogue (PFD) Partners Meeting in Cairns, Australia (7 August, 2009) after the 40th Pacific Islands Forum (PIF) Summit meeting there. Defence and cultural cooperation between India and the countries in the region also continued to develop further. A ‘Festival of India’ was launched in Indonesia in October 2009, and a new Indian Cultural Centre was inaugurated in Bangkok in September 2009.

The period witnessed many high level visits. Prominent incoming visits include that by Vice President of Vietnam (September-October 2009); Prime Minister of Australia (November 2009); Prime Minister of Malaysia (January 2010); Deputy Prime Ministers of Australia (August 2009), Thailand (October 2009), and Vietnam (December 2009); & Foreign Ministers of Australia (October 2009, March 2010) and Thailand (December 2009). In addition, the King of Tonga (September 2009), Thai Princess Mahachakri Sirindhorn (August 2009), Minister Mentor Lee Kuan Yew (December 2009) and Senior Minister Goh Chok Tong (March 2010) from Singapore and Secretary of Foreign Affairs of Philippines Ramulo (March 2010) also visited India. From the Indian side, Prime Minister Dr. Manmohan Singh visited Thailand for the ASEAN-India and EAS Summits in October 2009. External Affairs Minister Shri S. M. Krishna visited Australia (August 2009), Thailand (July 2009) and Singapore (March 2010) for the ASEAN-India & ARF Ministerial Conferences.

While pursing efforts of strengthening its relationship with the region, the Government of India also took serious note of attacks on Indian community in Australia over the past few months especially since May 2009. This issue has been taken up including at the highest levels during visits of high level dignitaries. Government of Australia has been formally requested for complete statistics regarding number of attacks and conviction of perpetrators at the earliest. The Government of India is closely following the situation and has issued its latest advisory on 5 January, 2010 to Indian students studying in Australia as well as those planning to study there to take certain basic precautions.

India continued to provide assistance to Cambodia, Laos, Vietnam and Pacific Island countries in their development efforts. External Affairs Minister Shri S. M. Krishna announced an increase in our annual Grant-in-aid for each of the 14 PIF Countries from US$ 100,000 to US$ 125,000. India is cooperating extensively under ITEC partnership programme and has increased number of scholarship slots for countries of the region to about 350. Another area of cooperation has been disaster relief to the countries in the region. India extended humanitarian assistance to the Philippines in the aftermath of natural disaster. India’s growing profile has
attracted countries in the South East Asia and Pacific region to bolster closer engagement at the regional and multilateral for a such as ASEAN, BIMSTEC, EAS, MGC and ARF.

East Asia

In keeping with India’s “Look East Policy”, strengthening of bilateral ties with the East Asian countries has been a foreign policy priority for India. During the year, efforts were made to sustain the momentum in carrying forward the steady and qualitative transformation of India’s relationship with these countries through renewed high level contacts and exchanges. The highlight was two Presidential State Visits to India from the region (Presidents of Mongolia and Republic of Korea visited in September 2009 and January 2010 respectively), during which a number of bilateral agreements were concluded to expand functional cooperation in diverse spheres. A significant development has been the understanding reached with major players in the region to transcend relations beyond the bilateral in developing a coordinated approach to regional and multilateral issues of common concern. India is increasingly being looked upon as an integral part of the emerging architecture in East and South East Asia.

Japan: The momentum of high-level exchanges continued in 2009. The sharp increase in high-level exchanges has been accompanied by more broad-based exchanges of business delegations, parliamentary delegations, and interactions between provincial and local governments of both countries. Prime Minister, Dr. M. Singh met with the then Prime Minister of Japan, Mr. Taro Aso, on 2 April, 2009 on the margins of the G-20 Summit in London and on 10 July, 2009 on the sidelines of the G-8 Summit in L'Aquila (Italy). Soon after taking over as Japan's Prime Minister following elections on 30 August, 2009, Mr. Yukio Hatoyama met Prime Minister Dr. Singh in Pittsburgh on 25 September, 2009 on the sidelines of the G-20 Summit. The two Prime Ministers had another meeting on the sidelines of the East Asia Summit in Hua Hin (Thailand) on 24 October, 2009. External Affairs Minister Shri S. M. Krishna visited Japan for the third round of Strategic Dialogue on 3 July, 2009. The Japanese PM Mr. Yukio Hatoyama’s year-end visit to India provided further impetus to India’s comprehensive engagement as well as imparted more depth to our Strategic & Global Partnership. Both Prime Ministers have committed to enhancing the security cooperation between India and Japan according to the Action Plan, and to deepen their discussion through the newly-established framework at the Subcabinet/Senior Official level 2+2 dialogue, which was endorsed in the Action Plan.

Bilateral economic relations have vast potential for growth. During former Prime Minister Abe’s visit in August 2007, it was agreed to work towards a trade target of US$ 20 billion by the year 2010. The pace of investments has picked up in recent years. As many as 627 Japanese companies are operating in India, against some 300 in 2005. Foreign Direct Investment (FDI) went up 10-fold last year compared to 2006. Japanese investment in India stood at US$ 5.22 billion surpassing its investment in China which was US$ 3.65 billion in 2008, and Japan stands as the sixth largest investor in India. For the sixth consecutive year India is the single largest recipient of Japanese Official Development Assistance (ODA). Cumulative commitment of Japanese ODA to India up to October 2009 is about Yen 2.9 trillion (approx. Rs. 113209.77 crores). For FY 2008-09, total ODA was Yen 236 billion (approx. US$ 2.5 billion or Rs. 11713 crores) which is an increase of 4.8% over the previous year and is 30% of Japan's global ODA.

Republic of Korea (ROK): Indian partnership with ROK has become perceptibly more intense and diversified in recent years. A number of high level visits, signing of the Comprehensive Economic Partnership Agreement (CEPA) (August 2009), increasing economic and commercial interactions and expanding exchanges in the field of art and culture have been the high points of India-ROK bilateral ties during the period. India and ROK exchanged a number of high-level visits during the year. The ROK Minister for Foreign Affairs and Trade, Mr. Yu Myung-hwan, visited New Delhi on 23 June, 2009, and held wide-ranging discussions with External Affairs Minister Shri S. M. Krishna. India-ROK cooperation in the field of defence and security continued apace. Bilateral trade between India and ROK showed a 39% growth in 2008, touching US$ 15.56 billion, thus surpassing the target of US$ 10 billion set by the two countries to be achieved by the year 2010. ROK President Lee Myung-bak paid a State visit to India from 24-27 January, 2010. He was Chief Guest at our Republic Day celebrations this year. While our economic interaction provides the underpinning for India – ROK relations, our partnership has also spread to other fields such as science and technology and space cooperation. Therefore, India – Republic of Korea relations have been elevated to a “Strategic Partnership”.

Mongolia: India’s centuries-old friendly and cordial relationship with Mongolia continued to develop and diversify further during the year. Bilateral cooperation now
covers the fields of defence and security, economy, education and culture. The two sides exchanged a number of high level visits during the year. Smt. Preneet Kaur, Minister of State for External Affairs, visited Mongolia from 17-19 June, 2009 to represent Government of India at the swearing-in ceremony of the new Mongolian President Mr. Ts. Elbegdorj. The newly elected President of Mongolia paid a State Visit to India from 13-16 September, 2009. During the visit, the two sides agreed to upgrade the level of bilateral relations to that of “Comprehensive Partnership”. During the year there was significant progress in India-Mongolia cooperation in the field of defence. The fifth India-Mongolia Joint Military Exercise was held in Mongolia from 14-27 September, 2009. The second India-Mongolia Joint Cooperation Committee meeting was held at New Delhi on 11 January, 2010.

Democratic People's Republic of Korea (DPRK): Relations between India and Democratic People’s Republic of Korea (DPRK) continued to be cordial with a focus on humanitarian and human resource development assistance. Exchanges in the area of culture, sports and education continued to make progress during the year. DPRK; Vice Foreign Minister, Kim Young II visiting India in August 2009 for the sixth Round of Foreign Office Consultations.

Eurasia

Significant advances were made in the development of India’s bilateral relations with Russia, Ukraine, Belarus, Central Asian and Caucasian countries through landmark high level visits, conclusion of bilateral agreements, multilateral and bilateral engagements, development projects and cultural events. Some of the significant events during the year were Prime Minister’s visit to the Russian Federation for the annual Summit (December 2009) and SCO and BRIC Summits (June 2009), the State visit of the President of India to the Russian Federation and Tajikistan (September 2009), the Trilateral Meeting of Foreign Ministers of India, Russia and China in Bengaluru (October 2009), and External Affairs Minister’s visits to Belarus and Turkmenistan (September 2009) and the Russian Federation and Uzbekistan (October 2009).

India and Russia continued to further strengthen their multi-faceted strategic partnership. Cooperation in key areas such as defence, space research, science and technology, and energy security (including hydrocarbons and nuclear energy) has intensified. President Smt. Pratibha Devisingh Patil’s State Visit to Russia from 2-6 September, 2009 was a significant event. During the visit of Prime Minister Dr. Manmohan Singh to Moscow from 6-8 December, 2009 for the Annual Summit, six important agreements were signed apart from the adoption of a joint declaration on ‘further deepening the strategic partnership’ that reflects the shared vision of the two countries on many global issues. The agreements signed during the visit include (i) Agreement on the Programme for Military and Technical Cooperation (MTC) during the period 2011-2020; (ii) Agreement on After Sales Support for the Russian Arms and Military Equipment supplied to the Republic of India; (iii) Protocol to the Agreement on Cooperation in Development and Production of Multi-Role Transport Aircraft on 12 November, 2007; (iv) Agreement on Cooperation in Peaceful Uses of Atomic Energy (initialised); (v) Programme of Cultural Exchanges for the Years 2010-12; and (vi) Dollar Agreement for extension of a Line of Credit of US$ 100 million by Exim Bank to Vnesheconombank for boosting export of Indian goods and technology products to Russia.

Other important Ministerial visits from India included that of Commerce & Industry Minister Shri Anand Sharma (29 September-October 2009), Minister of Petroleum and Natural Gas Shri Murli Deora (2-6 September, 2009), Defence Minister Shri A. K. Antony (14-15 October, 2009), and External Affairs Minister Shri S. M. Krishna (20-22 October, 2009). From the Russian side, Deputy Prime Minister and Co-Chair of the India-Russia Inter-Governmental Commission on Trade, Economic, Scientific, Technological and Cultural Cooperation (IRIGC-TEC) Mr. Sergei S. Sobyanin visited India from 9-12 November, 2009 and Foreign Minister Mr. Sergei Lavrov visited Bengaluru for the ninth India-Russia-China Trilateral Foreign Ministers Meeting from 26-27 October, 2009. Deputy Prime Minister Mr. Sergei S. Sobyanin visited India from 15-16 February, 2010, called on the Prime Minister and held talks with Shri S. M. Krishna, Co-Chair of the IRIGC-TEC in order to prepare for the scheduled visit of Prime Minister of the Russian Federation Mr. Vladimir Putin in March 2010. The Year 2009 was celebrated as the “Year of India in Russia” with the organisation of more than 150 events showcasing Indian art & culture, paintings and artifacts, achievements in the field of science & technology etc. in Russia.

During the year, relations with Central Asian Republics continued to strengthen and were reinforced by high level visits to Tajikistan, Turkmenistan and Uzbekistan. President Smt. Pratibha Devisingh Patil paid a State Visit
to Tajikistan from 6-8 September, 2009, marking the first-ever visit by an Indian Head of State to the Central Asian region. External Affairs Minister Shri S. M. Krishna visited Belarus from 16-17 September, 2009 marking the first-ever visit by an External Affairs Minister of India to Belarus. External Affairs Minister Shri S. M. Krishna called on the President of Belarus, Mr. Aleksander Lukashenko and reviewed bilateral relations with his Belarusian counterpart. External Affairs Minister Shri Krishna also paid an official visit to Turkmenistan from 18-19 September, 2009 during which, he called upon the Turkmen President Mr. Gurbanguly Berdymuhammadov, and signed a Programme of Cooperation between the two foreign offices with his Turkmen counterpart. She was accompanied by an official and business delegation. She called on President Gurbanguly Berdymuhammadov during the visit. A joint Protocol was signed on conclusion of the IGC meeting.

The Ninth Trilateral Meeting of Foreign Ministers of India, Russia and China was held in Bengaluru on 27 October, 2009. External Affairs Minister, along with the Russian Foreign Minister Mr. Sergei Lavrov and the Chinese Foreign Minister Mr. Yang Jiechi, reviewed trilateral cooperation in various spheres and exchanged views on global and regional issues.

**The Gulf, West Asia and North Africa**

India’s relations with the Gulf region (GCC countries, Yemen and Iraq) were further expanded and strengthened in political, economic, strategic and cultural arena, tapping the opportunities for cooperation in trade, investment, energy and manpower, building partnership through high level visits, streamlining trade commercial and manpower framework, establishing institutional linkages in form of India-GCC political dialogue, strategic dialogue and consultation mechanism. New emphasis on energy diplomacy and investment partnership is the highlight of the year. India has successfully bid for oil blocks in Yemen, Qatar and Oman. Efforts are going on to set up joint ventures in downstream petrochemicals, fertilizer and energy intensive industries. India and Qatar signed an investment agreement in November 2009 to the tune of US$ 5 billion realizing the investment potential of the region. Similar understanding with Oman to the tune of US$ 100 million has been finalized. Investment and project partnership is the focal point in the year and second India-Arab investment project conclave was organized in February 2010 which witnessed nine ministerial participation and more than twenty business delegations from the region and beyond.

Gulf region has emerged as our major trading partner after USA, with annual two-way trade nearing US$ 100 billion in 2009. UAE emerged as our largest trading partner. The region collectively hosts the largest expatriate Indian community exceeding 5 million with remittances estimated around US $ 30 billion per annum. Nearly 75% of our crude oil requirement is met from this region which plays a crucial role in our energy security.

India and Gulf have significantly enhanced high level exchanges leading to better understanding. From the Indian side, Prime Minister Dr. Manmohan Singh paid a highly successful visit to Saudi Arabia from 27 February-1 March 2010 at the invitation of their King during which 10 agreements/MoUs including Extradition Treaty, Agreement on Transfer of Sentenced Persons, S&T Cooperation Agreement, Culture as well as cooperation in outer space etc were signed. India’s traditionally strong and diverse relations with countries in the WANA region were further strengthened in a variety of ways. Sustained political interaction with the region was exemplified by meetings between the Prime Minister and the President of Egypt and with the President of the Palestinian National Authority. Deputy Chairman, Rajya Sabha, represented India at the 40th anniversary celebrations of the Great Al Fatah Revolution of Libya. Various other high-level visits were also exchanged, among others, with Egypt, Israel, Jordan, Morocco, Palestine, Sudan and Syria. During the year, India significantly increased its annual contribution to the United Nations Relief Agency for Palestine Refugees in the Near East (UNRWA) from US$ 20,000 to US$ 1 million.

Africa

India’s engagement with Africa continued at a rapid pace with several incoming and outgoing visits at Ministerial level. Interactions with African leaders were also held on the sidelines of major multilateral events. 47 out of the 53 African Union countries have joined the Pan-African e-Network Project of the Government of India and started availing the tele-education and tele-medicine facilities. Lines of Credit for infrastructure development projects and grants to meet the immediate needs in thrust sectors of health, education, capacity-building were made available. African countries continued to avail the ITEC scholarship slots and the ICCR-sponsored higher education scholarships. Pursuant to its policy of encouraging public-private partnership, Ministry has encouraged simultaneous presence of business delegations during Ministerial visits to African countries and also arranged for interaction of visiting foreign government dignitaries with Indian businessmen through the commerce and industry bodies. Confederation of Indian Industry had organized the India-Africa Business Partnership Conclave in Lagos from 2-4 August, 2009 and a Business Mission in Nairobi from 5-7 August, 2009. India has made a cash contribution of US$ 5 million to Haiti for emergency relief purposes. Minister of State Dr. Shashi Tharoor visited Haiti on 26 January, 2010 to personally convey our sympathies to the people and Government of Haiti. During the year, we have also extended humanitarian assistance to the tune of US$ 1.55 million to Ecuador, El Salvador, St. Lucia and Guatemala to help them to overcome disasters caused by natural calamities. As part of our cultural outreach programme, a series of cultural events, film festivals, seminars, conferences and food festivals were organized by the missions in the region either independently or with the support of Indian Council for Cultural Relations (ICCR).

United Nations and International Organizations

India attaches importance to the centrality of the United Nations in multilateralism. India continued to press for reform of the UN to make it more representative and democratic to enhance its credibility and effectiveness. The efforts for reform focussed on revitalization of the General Assembly, reform and expansion of the Security Council, reform of the Economic and Social Council (ECOSOC), restoring the central role of the UN with regard to international development issues, and better management of peacekeeping and post-conflict peace building processes. In addition, India stressed on enhancing global cooperation against terrorism through universal implementation of the UN Global Counter terrorism strategy and early conclusion of negotiations on Comprehensive Convention on International Terrorism. India continued to maintain its position as the third largest troop contributor to the UN Peacekeeping missions with around 8,760 military personnel deployed with nine missions.

External Affairs Minister Shri S. M. Krishna attended a high level Event on Climate Change, “Summit on Climate Change”, hosted by the UN Secretary General on the sidelines of the UN General Assembly in New York on 22 September, 2009. Indian delegation comprising officials, Parliamentarians, civil society members and youth attended the 15th meeting of Conference of Parties (COP-15) on climate change held at Copenhagen from 7-18 December, 2009. The high-level segment of the conference, held from 16-18 December, 2009 and participated by Heads of States/Governments of almost 120 countries, was attended by Prime Minister Dr. Manmohan Singh.

In addition, India actively participated in a number of major international forums like Human Rights Council, Commission on the Status of Women, Global Forum Migration and Development, United Nations Commission on International Trade Law and Inter-Parliamentary Union.

South Asian Association of Regional Cooperation (SAARC)

The role of SAARC in the promotion of regional cooperation is poised to expand substantially in the near future. With the active engagement of the Member States in strengthening institutions within SAARC and funding its various activities, the organization is expected to witness a slew of new and vibrant regional institutions taking shape – the South Asian University and the SAARC Museum of Textiles and Handicrafts in New Delhi, the SAARC Regional Standards Organization in Dhaka, SAARC Arbitration Council in Pakistan, the SAARC Development Fund Secretariat in Thimphu, the SAARC Cultural Centre in Sri Lanka, etc.

This growth in SAARC activity is also going to be supplemented by regional and sub-regional projects funded and implemented under the aegis of the SAARC Development Fund. The process of building new regional institutions and strengthening existing ones will have a positive impact on the future of SAARC as an organization committed to the economic betterment of the people of the South Asian region.

India’s asymmetric and non-reciprocal approach in pursuing regional cooperation in SAARC has strengthened intra-regional cooperation. It has helped bring development cooperation directly to the grass-roots transforming SAARC from declaratory phase to implementation phase.

Disarmament & International Security Affairs

India continued to reaffirm global non-discriminatory and verifiable nuclear disarmament as one of the highest priorities for the international community. India supported the adoption of a Programme of Work, including negotiations on a Fissile Material Cut-off Treaty, in the Conference on Disarmament. At the 64th UN General Assembly in New York, India reiterated its proposal for a Nuclear Weapons Convention banning the development, production, stockpiling and use of nuclear weapons and providing for their complete elimination within a specified time frame. During the year, India participated constructively in multilateral meetings on disarmament including those related to the Biological Weapons Convention, the Chemical Weapons Convention and the Convention on Certain Conventional Weapons. India also participated actively in the meetings of the ASEAN Regional Forum and the Conference on Interaction and Confidence Building Measures in Asia. Regular contacts were maintained with think tanks and non-governmental organizations in the field of disarmament to articulate India’s views.

Multilateral Economic Relations

India’s multilateral economic engagement further widened and deepened during the year as the global economic and financial crisis, food security and Climate Change continued to occupy the focus of discussions in multilateral fora. Highlights of this year’s multilateral engagements was Prime Minister, Dr. Manmohan Singh’s participation in the G-8 Outreach Summit in Italy (July 2009), the first formal Summit of the Leaders of Brazil, Russia, India and China (BRIC) in Russia (June 2009), India-ASEAN Summit and in the East Asia Summit (October 2009).

Continuing with our constructive engagement with the G-8, India participated at Minister or Secretary level in various Ministerial meetings in the run-up to the G-8 & G-5 Outreach Summit including the Meeting on Afghanistan, Meeting of Labour Ministers, Agriculture Ministers, Environment Ministers, Energy Ministers and the Conference of O8 and Outreach Ministers on Destabilizing Factors and Trans-national Threats.

Engagement with key regional groupings such as India-ASEAN, East Asia Summit, BIMSTEC, IBSA, MGC, ACD, ASEM, G-15, IOR-ARC and others also
consolidated during the year. Major Ministerial meetings attended by India include those under the format of India-ASEAN, East Asia Summit, BRIC, IBSA, BIMSTEC (Bay of Bengal Initiative for Multi-sectoral Technical and Economic Cooperation), G-5 (Brazil, China, India, Mexico and South Africa), ASEM (Asia Europe Meeting), ACD (Asia Cooperation Dialogue) and IOR-ARC (Indian Ocean Rim – Association for Regional Cooperation). India took over as Vice-Chair of IOR-ARC in 2009.

During the year, India continued to engage proactively and participate regularly in various G-20 meetings. Prime Minister attended the G-20 London Summit in April 2009 and the G-20 Pittsburgh Summit in September 2009. The G-20 Summits focused on issues relating to the international financial and economic crisis. The Pittsburgh Summit also designated the G-20 as the ‘premier forum’ for international economic cooperation.

In the context of global economic and financial crisis, apart from G20, India was also actively engaged in the meetings of BRIC Finance Ministers to coordinate positions with Brazil, Russia and China on this important global issue.

India’s hosting, in September 2009, of the WTO Ministerial Conference to develop a broad-based consensus to remove the impediments coming in the way of multilateral discussions and to provide clear directions to negotiators to re-energize the multilateral process at the WTO was another important milestone during the year.

Technical & Economic Cooperation and Development Partnership

The Indian Technical and Economic Cooperation (ITEC) Programme and the Special Commonwealth Assistance for Africa Programme (SCAAP) have been recognized as an important component of India’s development partnership and cooperation with the developing world. The usefulness and relevance of these cooperative interactions in different countries was reflected in the increasing number of participants in the ITEC programme which has indeed acquired a brand name in the developing world. Demand-driven and response-oriented, ITEC is today a major component and dynamic part of India’s bilateral assistance programme manifesting itself in diverse areas of cooperation. Around 5000 civilian training slots were allotted during 2009-10 to 158 developing countries in areas of interest and advantage to them. Training was imparted to participants from public and private sectors in areas such as finance & accounts, audit, banking, education, planning & administration, parliamentary studies, crime records, etc. Defence personnel from Laos, Lesotho, Seychelles, Zambia, Ethiopia and Mongolia were also trained in India under this programme.

Investment and Technology Promotion (ITP)

Economic Diplomacy continued to occupy an important place in India’s foreign policy, especially in the aftermath of the global economic crisis. Additional funds to the tune of Rs. 9.09 crores were allocated to our Missions to enable them to respond more effectively to the growing demands of Indian industry and take advantage of trade and investment opportunities by undertaking market expansion activities including market surveys, seminars, workshops, buyer seller meets, industry interactions, etc.

Concessional Lines of Credit (LOCs) worth US$ 1132.22 million were extended to 21 developing countries during April 2009-February 2010, conveying our sincere commitment to the economic development and capacity building of our partner developing countries in Africa, Latin America and Asia. These LOCs have helped in supporting projects in the infrastructure sector and exports of goods and services to untapped markets, thereby generating tremendous amount of goodwill for the country. A sum of Rs. 5 crores has been set aside to assist developing countries, lacking technical expertise, in preparation of feasibility reports for undertaking projects under LOCs.

The Ministry worked closely with other Government Departments on policy matters concerning reforms and liberalization, and investment and trade. Information on the Indian economy was widely disseminated through the Ministry’s website www.indiainbusiness.nic.in.

Energy Security

The Ministry’s Energy Security unit has been upgraded into a full-fledged Energy Security Division. During the period, this new thematic division provided inputs to articulate India’s position on energy security matters in various multilateral fora like the UNGA, G-20, NAM, BRIC, ASEM, etc. The division also facilitated India’s membership of the International Renewable Energy Agency and the International Partnership for Energy Efficiency and Cooperation (IPEEC), and guided the engagement with the International Energy Agency. As the nodal point in MEA for energy matters the Division maintained close coordination with the energy line ministries and supported their international engagements on energy issues. The Energy Security Division also coordinated with country’s various stakeholders including the private sectors on energy security issues.
Protocol

There were 95 visits (73 incoming and 22 outgoing) during the April 2009-March 2010 period at the level of Head of State, Vice President, Head of Government and Foreign Minister. Three countries (Burundi, Gambia and Georgia) opened resident missions during this period bringing the total number of resident missions in New Delhi to 140. Opening of new Consulates General in Mumbai were approved for Ethiopia and New Zealand in 2009. Five countries got permission to open trade offices and nineteen were granted permission to open honorary consulates in Indian metro cities. Honorary Consul of Hungary in Mumbai and Honoray Consul of Ireland in Bengaluru were upgraded to Honorary Consul Generals in January and February 2010 respectively. 157 new posts were created by foreign missions and international organisations in the period April 2009-February 2010. The keen interest evinced in India as witnessed in the large numbers of VVIP visits; opening of new missions, consulates, and trade offices; as well as the creation of numerous additional posts by diplomatic missions – was reflective of India’s active and multifaceted engagement with the world.

Consular, Passports and Visa Services

During the year 2009, our 37 Passport offices issued 50.28 lakh Passports. The total revenue generated through Passport and Visa services during the period April 2009-20 January 2010 are Rs.685.5 crores & Rs. 924.41 crores respectively.

Some of the important steps to make the passport issuance system simpler and speedier included, decentralisation through District Passport Cells and Speed Post Centers, on-line receipt of application, addition of some new buildings at Bhubaneshwar and Vishakhapatnam, centralised printing of passports, strengthening of the public grievance redressal system, Facilitation Counters and help desks, Passport Adalats to address the grievances and the careful implementation of RTI.

During the period, 2659 Diplomatic and 22594 official passport and 7173 visas were issued to foreign diplomatic and official passport holders. During the year, 3,17,078 personal and educational documents and 2,27,625 other documents were attested. 1,24,661 documents were apostilled for use abroad by apostilled member countries.

New projects included issuance of e- passports, Passport Sewa Project, outsourcing of visa work and the launch of ‘Apostille Convention Project’. Extradition Treaty was signed with Kazakhstan. A visa-waiver agreement with Namibia was also signed.

Coordination Division

Coordination Division functioned as nodal point of the Ministry for all work relating to Parliament interaction with other Ministries, Departments, State Government offices, Union Territories and Autonomous bodies.

During the period, the Division issued 2706 political clearances for visits against 2539 issued in 2008. It also issued 996 clearances for foreign non-scheduled flights against 971 issued during 2008. The Division also processed a large number of requests for participation of Indian sports teams abroad, grant of Padma Awards to foreign nationals and also assisted Ministry of Defence for the forthcoming “DEFEXPO INDIA – 2010” to be organized by them in February 2010. No objections to 1345 foreign applicants were also granted to pursue various courses in India.

Administration & Establishment

There are 173 resident Indian missions and posts abroad. During the period under report, three new missions at Bamako (Mali), Niamey (Niger) and Guatemala City (Guatemala) were opened.

To streamline the administrative machinery, efforts were made to decentralize decision making and simplify and improve the rules regulations and procedures. This also included liberalizing certain rules and adding some more concessions. Recruitments were also made through method of Direct Recruitment, Departmental Promotions and Limited Departmental Examination (LDE) including against reserved vacancies.

As regards propagation of Hindi abroad with the involvement of missions, Hindi Books, Teaching materials and software were supplied to about 70 Missions/Posts, Hindi magazines were supplied to 100 Missions/Posts and financial support was provided to our Mission/Posts in Belarus, Sri Lanka, South Africa, Ireland, Suriname Vietnam and Hungary. Parliament committee on Official Language visited RPOs in Vishakhapatnam, Chennai, Pune, Surat and Ghaziabad. Works related to this inspection were coordinated by Hindi Section of the Ministry.

Annual review of the foreign allowance under the indexation scheme was undertaken in coordination with Ministry of Finance and a new system of “compensatory allowance” was introduced. New MEA housing complex with 100 housing units at Chanakyapuri was made
operational and renovation of MEA hostels at K. G. Marg and Gole Market was partly completed.

During the period, construction work for the Indian Embassy Complex in Muscat and Tokyo (Embassy Residence and other Residences) were completed. Construction on major projects such as Chancery and/or Residences in Kabul, Kathmandu, Beijing, London, Islamabad, Singapore and Budapest are making progress.

**E-Governance & Information Technology**

During the year, computerization of Passport and visa services at Indian Missions & Posts at Kuwait, Toronto, Madrid and outsourcing of Visa and Passport services at Embassy of India, Moscow, and Vancouver were completed.

**RTI**

A total of 804 applications under the RTI Act, 2005 have been received by the Ministry during the period April-December 2009. Applications covered subjects such as administration, personal grievances, Haj pilgrimage, Kailash-Mansarover Yatra, Gulf War compensations, foreign policy, economic issues etc. Out of these applications, 238 appeals have been filed by the applicants to the Appellate Authority of the Ministry during the same period.

**Public Diplomacy**

The mandate of this Division includes, inter-alia, outreach activities in India and abroad and production of audio-visual and print material that enables our Missions to project India more effectively. To achieve its objectives, the Division organizes seminars, conferences and briefings for and in association with civil society, NGOs, think-tanks, research and academic institutions and business and industry on strategic and foreign policy issues.

Other outreach activities for the year under report included two delegation visits from the UK of ‘Friends of India’ Group of the Conservative Party and another of Liberal Democratic Friends of India Group, a delegation from the Slovenia Parliamentary Group, a visit by Professor Sudharshan Iyengar, Vice Chancellor Gujarat Vidhyapeeth to Slovenia, celebration of the International Day of Non-Violence by Indian Missions abroad and the ongoing research project on “Indo-GCC relations” organized by the Gulf Research Centre, Dubai.

The Division also continued to facilitate participation in film festivals and Indian film weeks and organized cultural and photo exhibitions. Several documentaries have been commissioned and are being completed. The Ministry’s flagship publication ‘India Perspectives’ is being improved and expanded and the Division has continued to produce and acquire books for use by our Missions.

**Indian Council for Cultural Relations (ICCR)**

ICCR is mandated for establishing, reviving and strengthening cultural relations and mutual understanding between India and the outside world. With its headquarters in Delhi, fourteen regional offices in India and a number of cultural centers abroad, the activities of the Council also include administration of scholarship schemes for overseas students and facilitating their admissions in Indian universities. During the past year, the Council offered 2226 new scholarships including 675 scholarships for Afghan students and 526 from African countries. In addition to maintaining nineteen long term chairs to teach Indian languages and social sciences with focus on India, the Council is also maintaining eleven rotating/short term chairs in various countries.

ICCR sponsored the visits of foreign performing artistes to India including troupes from Switzerland, Malaysia, Mauritius, USA, Pakistan, UK, Uzbekistan, Sri Lanka, Spain, Egypt, Tanzania, Paraguay, Brazil, Iran, Colombia, Portugal, Poland, Trinidad & Tobago and Venezuela. The Council also sponsored visits of Indian artistes / troops to various countries abroad. The Council collaborated in the holding of various conferences and seminars, organized cultural weeks and interactive sessions of famous poets in various cities and assisted various organizations and prominent institutes such as IIT, JNU, Delhi University, Allahabad University, Jamia Milia in organizing International conferences in India.

Festivals of India organized by the ICCR include “The Year of India in Russia”, “Festival of India in Argentina”, and “Festival of India in Indonesia”.

**Indian Council of World Affairs (ICWA)**

The Indian Council of World Affairs (ICWA) continued to develop as a think tank, and as an important platform for debate and discussion on foreign affairs. Throughout the year, the ICWA was engaged in seminars and conferences relating to India’s core foreign policy interests, and in visits and lectures by eminent foreign dignitaries. Nine foreign dignitaries visited Sapru House and addressed large gatherings of strategic experts, academics, ex-diplomats and media representatives on vital foreign policy issues. These discussions resulted in ICWA...
beginning to come out with papers on useful subjects. Research work on India's relations with countries in its immediate neighborhood was given a pre-eminent emphasis, and ICWA's new Research team in place since August 2009 has begun work on important issues. ICWA also organized and participated in seminars in India and abroad, and the academic exchanges is resulted in an enhancement of the profile of the institution as an 'institute of national importance'. Seven bilateral strategic dialogues with partners abroad were conducted with institutions of repute internationally. A major international conference to revive the spirit of the 'Asian Relations Conference' was conducted in Delhi during November 2009, and was attended by scholars from all over the world. ICWA consolidated its participation in the activities of Council for Security Cooperation in the Asia Pacific (CSCAP). ICWA also worked to comprehensively renovate the Sapru House premises – a heritage building constructed/established under the encouragement of the country's first Prime Minister Pt. Jawahar Lal Nehru over fifty five years ago. Efforts will continue at re-establishing the ICWA as the country's lead think-tank on foreign policy issues.

Research and Information System (RIS)
Research and Information System for Developing Countries (RIS) is an autonomous think-tank under the Ministry specialising in international economic relations and development cooperations. It has the mandate to function as an advisory body to the government on matters pertaining to multilateral economic and social issues.

During the period RIS prepared major research studies to assist NAM Summit, East Asia Summit (EAS), SAARC Summit, IBSA Summit, BIMSTEC Summit UNCTAD Ministerial Conferences and WTO Ministerial Conferences. RIS has been engaged in the Track II process of several regional initiatives, including the Track-II Study Group of Comprehensive Economic Partnership in East Asia (CEPEA). Among the important meetings and negotiations for which RIS conducted research studies and provided inputs to policy makers during the reporting period are the ASEAN-India Free Trade Agreement, CEPEA, Asian Cooperation Dialogue, SAARC, Chiang-Mai Initiative and EAS, IOR-ARC, Joint Study Group for Comprehensive Economic Cooperation with Indonesia, New Zealand and Australia and the Heiligendamn Process. RIS has been actively engaged in the regional network of think-tanks in which the organization has been nominated as India's focal point. These include the Economic Research Institute for ASEAN and East Asia (ERIA) and the BIMSTEC Network of think tanks. RIS also organized a number of Policy Dialogue, Conferences and Symposia. A major event organized by RIS was the South Asia Economic Summit, which brought together the leading policy research institutions in South Asia to deliberate on the prospects of deepening and widening South Asian regional integration.

MEA Library
The Ministry's Library has over 100,000 books, rich resource materials and a large collection of maps, microfilms and official documents. A library committee manages library activities including purchase of books and subscription of journals. All kind of library operations and services including documentation and bibliographic services have been computerized. Books, maps, microfilms, selected articles from journals are being fed on a regular basis in the database on foreign affairs. Library regularly prepares and issues Foreign Affairs Documentation Bulletin, Recent Additions, Chronicle of Events, Article Alert, Book Alert and e-mail services.

External Publicity
External Publicity Division continued to articulate the views/positions of the Government of India on various national and international issues through interaction with Indian and international media. Division's main activities focused on dissemination of information on India's relations with its immediate neighbours as also with key countries of the world. Following the terrorist attacks on 26/11 at Mumbai, a sustained publicity drive to project India's concern on terrorists emanating from across the border was undertaken.

Press coverage of both incoming and outgoing VVIP visits was facilitated. The opportunity was also used to highlight India's position on bilateral, regional and international issues. The Division continued to liaise with national and international media for regular briefings on major issues. The official spokesperson disseminated information on day-to-day developments relating to the conduct of India's foreign policy, and arranged regular media briefings duly supplemented by press releases, briefing points and statements.

The Division also took initiatives on revamping of MEA website, updating of Hindi Section of Ministry's website, making arrangements with ANI to post Urdu translations of MEA press releases, launching of India-Africa Connect Website, organizing familiarization visits by foreign journalists, producing documentaries and films, organizing training, workshops, conferences and special events and
publishing a compact and colourful handbook on general elections.

Policy Planning and Research

The main activities of the Policy Planning and Research Division included processing of research projects and studies relating to Foreign Policy and global affairs; preparation/updating of database of think tanks, research bodies, universities etc. dealing with subjects related to India's foreign policy and international affairs; interaction with the University Grants Commission (UGC) and its affiliates and the area study centers of different universities, specializing in research on different regions of the world. The “Annual Report” for 2008-2009 was also prepared and circulated.

During the past year, one major activity of the Division was the organization of Heads of Missions (HoMs) Conference in August 2009 which was attended by about 120 Ambassadors and High Commissioners. The Policy Planning Division has also co-coordinated and monitored the establishment of the Institute of Foreign Policy Studies in the Calcutta University which has been established with the financial assistance of the Ministry of External Affairs.

The Policy Planning and Research Division also supervised the work of the Situation Room and Boundary Cell. During the year, the Situation Room established video conferencing facilities in our missions at Permanent Mission of India, New York, Embassy of India, Washington and Embassy of India, Moscow and initiated work for these facilities at High Commission of India, Male, Permanent Mission of India, Geneva and Consulate General of India, Shanghai.

Foreign Service Institute

The Foreign Service Institute conducted training programmes for the Indian Foreign Service (IFS) Probationers, officers and staff of the Ministry of External Affairs, officers from Cabinet Secretariat and other Ministries/Departments as well as for foreign diplomats. The first and second mandatory mid-career training programmes for JS-level officers and email-based mid-career training programmes for Director-level officers were carried out during the year. A media training programme and a one-day Right to Information Course for officers of the Ministry were also held. Three Special Courses for diplomats from Maldives, Afghanistan and ASEAN, and two Professional Courses for Foreign Diplomats (PCFDs) were also organised.
India’s Neighbours

Afghanistan

India and Afghanistan continued their close and friendly relationship in 2009-10. India remained actively engaged in the task of reconstruction and development of Afghanistan. Spanning almost the entire gamut of economic and social developmental activities, our bilateral assistance to Afghanistan crossed US$ 1.3 billion (as against a pledge of US$ 1.2 billion). This assistance has been substantially enhanced by a 35% increase (to 675) in the number of annual scholarships for Afghan students attending Indian colleges, and a similar increase (from 500 to 675) in the training slots for Afghan nationals in India.

Despite daunting logistical and security challenges, the construction of a 220 KV Transmission Line from Pul-e-Khumri to Kabul together with substation in Chintala was completed, a project of importance for the provision of electricity to the residents of Kabul. Construction of Afghanistan’s new Parliament building, seen as a symbol of the common commitment of both our countries to pluralism and democracy, is also progressing. Other Indian projects in a range of areas such as agriculture, rural development, education, health, vocational training, capacity building and humanitarian assistance are all progressing satisfactorily. Our support to the reconstruction effort in Afghanistan has been widely appreciated by the people all across Afghanistan, and which is built on the historical and cultural ties that link the two countries. This was underlined by a recent Gallup survey of Afghan attitudes released recently. When asked what role different groups or countries were playing in resolving the situation in Afghanistan, a majority of respondents in the survey mentioned India’s role in reconstruction.

There was a terrorist attack targeting the Indian Embassy in Kabul on 8 October, 2009 which killed at least seventeen Afghans. Two ITBP personnel suffered shrapnel injuries. Foreign Secretary Smt. Nirupama Rao visited Kabul immediately after the blast and met President Karzai, Foreign Minister Spanta and other leaders. She was told by the Afghan leaders that the attack was carried out by elements from outside Afghanistan seeking to damage the excellent relations that exist between India and Afghanistan. Government of India is in constant touch with the Government of Afghanistan regarding the safety and security of Indian nationals in Afghanistan.

There was a terrorist attack on the morning of 26 February, 2010 in Kabul targeting residential facilities, used mainly by Indian nationals. Six Indians, including one officer each of Army Medical Corps and Army Education Corps (AEC), engaged in medical and humanitarian work, one employee each of the Indian Consulates General in Herat and Kandahar, a member of an ICCR-sponsored visiting cultural troupe and a senior official of Power Grid Corporation of Indian Limited fell victim the same day. One more officer of AEC succumbed to his injuries later (3 March). The injured and mortal remains of the deceased were airlifted on 27 February by a special Indian Air Force flight. President of Afghanistan Hamid Karzai conveyed telephonically his condolence to Prime Minister on 27 February and promised full investigation into the attack. PM requested President Karzai to ensure security for Indian nationals in Afghanistan. Foreign Minister of Afghanistan Mr. Zalmay Rassoul called External Affairs Minister on 26 February condemned the terrorist attack and assured that increased security measures would be taken for the safety of Indian nationals in Afghanistan. EAM deeply condoled the loss of lives in the attack and underlined that Government of India would not be deterred by such attacks.

Foreign Minister of Afghanistan Mr. Rangin Dadfar Spanta visited India from 26-27 July, 2009. He called on the Prime Minister Dr. Manmohan Singh and met External Affairs Minister Shri S. M. Krishna and NSA Shri M. K. Narayanan. It was decided during the visit to establish an India-Afghanistan Partnership Council composed of separate groups on political consultation, capacity development and education, power and water,
culture, trade and industry, health, and agriculture, to harness greater institutional support for the implementation of ongoing programmes and enlarge development cooperation between the two countries.

External Affairs Minister attended President Karzai’s Inauguration Ceremony in Kabul on 19 November, 2009 for a fresh term in office as President of the Islamic Republic of Afghanistan. In his inaugural address, President Karzai mentioned that Afghanistan enjoys a strategic relationship with India and also referred to our bilateral assistance and the large number of Afghan students studying in India. India reiterated its determination to fulfil its commitments to the Afghan people and government as they build a peaceful, democratic and pluralistic Afghanistan.

Following US President Obama’s speech on the review of his country’s Af-Pak strategy on 1 December, 2009 India welcomed the emphasis on the strengthening of the Government of Afghanistan and Afghan security forces. India also welcomed President Obama’s reiteration of the need to squarely tackle terrorism, and for Pakistan to ensure that terrorists do not enjoy safe havens on its territory.

An International Conference on Afghanistan, co-hosted by the United Nations, the Government of Afghanistan and the UK Government, was held in London on 28 January, 2010. External Affairs Minister led the Indian delegation for the Conference. The Communiqué adopted after the Conference underlined the international community’s long-term commitment to Afghanistan and its support for the Government of Afghanistan, and the security, development and governance of the country. It was agreed that the London Conference would be followed by a Conference in Kabul, hosted by the Government of Afghanistan, later this year.

Bangladesh

Bilateral relations between India and Bangladesh acquired new momentum, following formation of the Grand Alliance Government, led by Prime Minister Sheikh Hasina in January 2009. India continued to engage the Government of Bangladesh on all important bilateral issues.

A significant development was the State visit of Prime Minister Sheikh Hasina to India from 10-13 January, 2010. She called on the President and held talks with PM on a wide range of issues. Finance Minister Shri Pranab Mukherjee, Home Minister Shri P. Chidambaram, External Affairs Minister Shri S. M. Krishna and the Leader of Opposition Shri L. K. Advani called on the visiting Prime Minister. A Joint Communiqué outlining major areas of cooperation was issued during the visit. India has agreed to provide a Line of Credit of US$ 1 billion to support infrastructure projects in Bangladesh including in the areas of railway infrastructure, supply of locomotives, coaches, buses and dredging. Both countries agreed to facilitate the access to Chittagong and Mongla ports, inclusion of Ashuganj and Silghat as ports of call under the Inland Water Transit and Trade Protocol, construction of the Agartala-Akhoura rail link, operationalize land customs stations at Sabroom-Ramgarh and Demaguri-Thegamukh and establish border haats including on the Meghalaya border. India agreed to provide 250 MW of power to Bangladesh to help it address the energy crisis as well as develop inter grid connectivity. India also agreed to the electrification of Dahagram and Angarpota as a humanitarian gesture. The two sides signed Agreement on Mutual Legal Assistance in Criminal Matters, Agreement on Combating International Terrorism, Organized Crime and Illicit Drug Trafficking and Agreement on Transfer of Sentenced Persons. An MoU on Cooperation in Power Sector and a Cultural Exchange Programme was also signed during the visit.

High level of ministerial and official contacts between the two governments took place during the year. Foreign Secretary Shri Shiv Shankar Menon visited Dhaka from 12-13 April, 2009. Minister of State for External Affairs Smt. Preneet Kaur met Bangladesh Foreign Minister Dr. Dipu Moni in New York in June 2009. Later Bangladesh Foreign Minister and Adviser to Bangladesh PM met External Affairs Minister and Finance Minister on 9 July, 2009 during a stopover in New Delhi on their way to Colombo. PM had a bilateral meeting with Bangladesh PM on 15 July, 2009 in Sharm-el-Sheikh (Egypt) on the sidelines of the NAM Summit and later on the sidelines of CHOGM in November 2009 in Port of Spain. Bangladesh Foreign Minister Dr. Dipu Moni visited India from 7-10 September, 2009. During the visit, she held talks with Minister of External Affairs on entire gamut of bilateral relations. The two sides identified priority areas of cooperation in range of areas including trade facilitation, connectivity, transit, power etc. Both sides agreed and reiterated their commitment to strengthen bilateral cooperation in the field of counter terrorism. Dr. Dipu Moni also called on the PM, Minister
Minister of Foreign Affairs of the Islamic Republic of Afghanistan, Dr. Rangin Dadfar Spanta, calling on the Prime Minister, Dr. Manmohan Singh, in New Delhi on 27 July, 2009.

Prime Minister, Dr. Manmohan Singh meeting the Prime Minister of Bangladesh, Ms. Sheikh Hasina, in New Delhi on 11 January, 2010.
of Finance, Minister for Water Resources and Parliamentary Affairs Shri Pawan Kumar Bansal. Foreign Secretary Smt. Nirupama Rao was in Dhaka from 14-15 November, 2009 to review progress with her counterpart. She called on the Prime Minister of Bangladesh. Union Minister of Agriculture & Consumer Affairs Shri Sharad Pawar visited Dhaka from 7-10 January, 2010. These high level interactions ensured that both sides had regular exchange of views on issues of bilateral importance.

India continued to emphasize its security concerns to Bangladesh, especially the use of Bangladeshi territory by Indian Insurgent Groups (IIGs) and terrorists. The bilateral Home Secretary-level talks in New Delhi took place from 30 November-2 December 2009. The last DG-level border coordination conference of the respective border security forces was held from 11-14 July, 2009. Both sides discussed a range of issues relating to security, terrorism and border management and agreed to strengthen joint efforts to prevent trans-border crimes.

The bilateral merchandise trade has been growing steadily over the last few years. During the FY 2007-08, the Bangladesh imports to India stood at US$ 2737.70 million and exports stood at US$ 358.08 million. During the FY 2008-2009, Bangladesh's imports from India were to the tune of US$ 2841.06 million, about 13% of Bangladesh's global imports. Bangladesh's exports to India stood at US$ 276.58 million.

Many unilateral initiatives have been taken to assist the export of Bangladeshi products to India, including agreement to export construction bricks to Tripura worth US$ 28 million. To facilitate trade, Belonia-Feni LCS has been opened in October 2009. The JWG on Trade met in August 2009 to discuss aspects relating to trade in which matters relating to para-tariff and non-tariff barriers faced by business community of both countries were discussed. India promised to upgrade Bangladesh Standard Testing Institute and also help in capacity building. The sixth meeting of the Joint Groups of Customs took place on 11-12 February, 2010 in New Delhi. The two sides discussed issues relating to cooperation in the field of customs, capacity building etc.

The second joint steering committee meeting on cooperation in the power sector met on 19 February, 2010 in Dhaka to discuss implementation of the MoU on Power Cooperation signed during the visit of Bangladesh PM to India in January 2010. Its first meeting was held on 12 January, 2010 in New Delhi.

The 11th Meeting of the Standing Committee under Protocol on Inland Water Transit and Trade (IWTT) was held in New Delhi in October 2009. An Inter Governmental Railway Meeting between India and Bangladesh was held in May 2009 in New Delhi. Secretaries of Water Resources met in January 2010 to discuss water related issues including sharing of Teesta waters and humanitarian water related issues. The third Technical Level Meeting on Water Related Issues between India and Bangladesh was held on 5-6 December, 2009 in Dhaka. India and Bangladesh also met in January 2010 to discuss arbitration proceedings on the maritime boundary issues under Annex VII of the United Nations Convention on the Law of the Sea (UNCLOS).

During the year 2009, people to people contacts between the two countries expanded through promotion of exchanges in the field of culture. These included musical, dance and theatre performances; holding of art exhibitions and workshops and training in Yoga, Hindustani classical vocal music, Manipuri Indian classical dance by Indian teachers sent on deputation to Bangladesh by Indian Council for Cultural Relations (ICCR). Both India and Bangladesh have decided to jointly celebrate the 150th birth anniversary of Rabindranath Tagore in 2011. ICCR's Culture Centre will be inaugurated on 11 March, 2010 in Dhaka.

Bangladesh is an important ITEC partner country. A total of 100 slots have been provided for participants from Bangladesh in 2009-10 under ITEC Programme and Technical Cooperation Scheme of Colombo Plan. In order to promote people to people exchanges, 100 scholarships are granted by ICCR every year to students from Bangladesh for pursuing general courses in arts, sciences, engineering and also specialized courses for culture, drama, music, fine arts, sports etc. During the visit of PM Sheikh Hasina to India in January 2010, India agreed to offer 300 scholarships to Bangladesh students annually for study and training in Universities and training institutions in India, covering a wide range of disciplines.

Krishna met the Chinese Foreign Minister Mr. Yang Jiechi at Phuket (Thailand) on 22 July, 2009 on the margins of the East Asia Summit Ministerial Meeting, and thereafter in Bengaluru on 27 October, 2009 on the sidelines of the Russia-India-China (RIC) Trilateral Foreign Ministers meeting. During these meetings, there was fruitful exchange of views and the leaders agreed to continue and strengthen efforts to build mutual political trust and understanding in the spirit of the Strategic and Cooperative Partnership between the two countries. The leaders also underlined the immense scope for bilateral relations and congruence emerging on global issues facing the two countries, such as the creation of a new global architecture, climate change, strategies which support development in other words sustainable development and the new global financial order.

The 13th Round of India-China Special Representatives Talks on the Boundary Question between the National Security Advisor, Shri M. K. Narayanan and the Chinese State Councillor Dai Bingguo was held in New Delhi from 7-8 August, 2009. The two Special Representatives continued discussions on a framework for the settlement of the boundary question. The leadership of the two countries has on various occasions expressed satisfaction at the progress being made by the Special Representatives towards a fair, reasonable and mutually acceptable solution. Both sides have declared that an early settlement of the boundary question will advance the basic interests of the two countries and shall, therefore, be pursued as a strategic objective. Meanwhile, in accordance with the relevant agreements signed in 1993, 1996 and 2005, peace
and tranquility continues to be maintained in the border areas thereby creating an enabling environment for making progress on discussions on the boundary settlement.

China is now India’s largest trading partner. Bilateral trade in 2008 stood at US$ 51.8 billion, registering a 34% growth over 2007. According to Chinese Customs statistics, in the period from January-October 2009, trade reached US$ 34.30 billion, trade deficit standing at US$ 12.84 billion. In the backdrop of global economic recession, trade volume fell 26.52% over the corresponding figure in 2008. The growth in the trade deficit with China is a matter of concern for India, and this issue has been flagged to the Chinese leadership at the highest level. Chinese Premier has assured Prime Minister that efforts would be made to ensure that more Indian products enter China. Commerce and Industry Minister, Shri Anand Sharma led the Indian delegation to the Eighth meeting of the India-China Joint Economic Group (JEG) that was held in Beijing on 19 January, 2010. **Pakistan**

**High-level meetings**

India’s concerns and expectations have been conveyed to Pakistan on several occasions, including in the meeting of Prime Minister Dr. Manmohan Singh with President of Pakistan Mr. Asif Ali Zardari on the sidelines of the SCO-BRIC summit in Yekaterinburg on 16 June, 2009 and in Prime Minister's meeting with the Prime Minister of Pakistan Mr. Syed Yousuf Raza Gilani at Sharm-el-Sheikh on 16 July, 2009 on the sidelines of NAM Summit. Prime Minister conveyed the deep anger and hurt of the people of India due to the persistence of terrorist attacks on our people, urged Prime Minister Gilani not to make any distinction between different terrorist organisations, and told him that operations of all terrorist groups that threaten India must permanently end. Similar views were also conveyed by External Affairs Minister Shri S. M. Krishna in his meetings with the Foreign Minister Mr. Shah Mehmood Qureshi of Pakistan on the sidelines of G-8 Outreach meeting on 26 June, 2009 in Trieste (Italy), and later on the sidelines of UNGA on 27 September, 2009 in New York.

India and Pakistan held talks at the level of Foreign Secretaries in New Delhi on 25 February, 2010. The Indian delegation reiterated the need to fulfill the repeated assurances given by the leaders of Pakistan not to allow the use of Pakistani soil for terrorist activities against India. Additional information on terrorist activities against India emanating from Pakistan was also handed over to the Pakistani side for investigation and appropriate action. The Pakistan Foreign Secretary expressed the desire and determination of the Government of Pakistan to make all possible efforts for a successful conclusion of the Mumbai attack trial which is underway in Pakistan. He stated that Pakistan was determined not to allow its territory to be used for terrorist activity against any country, and said that the additional information provided by India will be studied. The two delegations agreed to address some urgent and humanitarian matters. The Foreign Secretaries also agreed to remain in touch.

**Follow-up of the terrorist attack on Mumbai**

Evidence on the role of Pakistani nationals in the terrorist attack on Mumbai has been shared with Pakistan in the form of seven dossiers. A compilation of evidence on the involvement of Hafiz Saeed in the terrorist attack on Mumbai was also handed over to Pakistan.

After admitting for the first time, on 12 February, 2009, that the terrorist attack on Mumbai on 26 November, 2008 was planned and launched from Pakistan, in its dossier of 11 July, 2009 Pakistan also acknowledged that substantial incriminating evidence had been unearthed which directly connects five accused LeT operatives under Pakistani custody. Two more suspects were arrested later. On 25 November, 2009, the Government of Pakistan reportedly filed a charge sheet
in an Anti Terrorism Court in Pakistan against the seven suspects and 20 proclaimed offenders for their role in the terrorist attack on Mumbai.

The arrest of persons of Pakistan origin – David Coleman Headley and Tahawwur Hussain Rana in the US by the FBI is significant. Investigations into the involvement of David Coleman Headley and Tahawwur Hussain Rana in various terrorist acts, including the Mumbai terrorist attack, are ongoing.

India has continuing concerns on cross-border infiltration from Pakistan and ceasefire violations by Pakistan across Line of Control and International Border. These have been taken up with the Government of Pakistan through existing mechanisms.

The position that there can be a meaningful dialogue with Pakistan only if it fulfils its commitment, in letter and spirit, not to allow its territory to be used in any manner for terrorist activities against India was reiterated on several occasions, including by Prime Minister in Parliament on 29 July, 2009.

People to people contacts and visits
Despite terrorist attack on Mumbai and following grave provocations from Pakistan, the people-to-people contacts were allowed to continue. The transport links established in the previous rounds of the Composite Dialogue continued to operate successfully, facilitating the movement of people and bilateral trade. Cross - LoC travel and trade on Srinagar-Muzafarrabad and Poonch-Rawalkot routes has been continuing. In addition, five points for on-foot crossing at Nauseri-Tithwal; Chakoti-Urri, Hajipur-Urri; Rawalkot-Poonch and Tattapani-Mendhar, opened to facilitate humanitarian work after the earthquake in 2005, have also been allowed to operate as earlier. A number of Pakistani cultural, academic and trade delegations visited India. Government also facilitated visits to places of pilgrimage under the Protocol on Visits to Religious Shrines (1974). The Times of India and Jang Group of Pakistan have launched a non-governmental campaign ‘Aman ki Asha’ on 1 January, 2010. The year-long event will have cultural, literary and academic interactions.

A delegation from Pakistan led by the Speaker of National Assembly
Dr. Fehmida Mirza visited India from 4-9 January, 2010 in connection with the 20th Conference of Commonwealth Speakers and Presiding Officers in New Delhi.

Humanitarian issues
A significant number of Indian prisoners, fishermen and boats are in Pakistani custody. Pakistan too has concerns about its nationals in jails in India. As per the recommendations of the India-Pakistan Judicial Committee on Prisoners and Fishermen, lists of prisoners and fishermen from each other’s custody were exchanged between India and Pakistan. Pakistan released 100 Indian fishermen on 26 December, 2009. There are still over 500 Indian fishermen and over 400 Indian fishing boats in Pakistan’s custody. India has confirmed nationality of all 553 fishermen to whom consular access has been provided. India released 31 Pakistani fishermen on 2 January, 2010. Efforts are underway for the release of the remaining 19 fishermen whose nationality has been confirmed by Pakistan.

Commerce and Trade
India’s bilateral trade with Pakistan at US$ 1.78 billion in the year 2008-2009 was 17% less than that in 2007-2008 (US$ 2.14 billion). Unofficial trade through third countries is also of significance and increases the transaction costs for end users in Pakistan. While India has accorded MFN status to Pakistan, the latter continues to restrict items of import from India to a positive list of 1934 items. On SAFTA, Pakistan has refused to extend the negotiated tariff concessions to items outside the positive list to India thereby negating the letter and spirit of the agreement, as exports are limited only to items on the positive list.

Other Issues/Developments
Government of India strongly protested Pakistan Government’s announcement of a package in the form of so-called ‘Gilgit-Baltistan Empowerment and Self Governance Order -2009’ in August 2009 and holding of ‘elections’ for the ‘legislative assembly’ of Gilgit-Baltistan in November 2009, characterizing both these developments as nothing but cosmetic exercises intended to camouflage the fact of Pakistan’s illegal occupation of areas of the state of Jammu and Kashmir.

Sri Lanka
Relations between India and Sri Lanka progressed apace in all spheres of bilateral interaction. Significant developments in Sri Lanka included the end of the military conflict with the LTTE and its aftermath, including the rehabilitation of the Internally Displaced Persons (IDPs), mostly Tamils. In January 2010, President Rajapaksa
secured a convincing victory in the Presidential elections defeating his rival former Chief of Army Gen. Sarath Fonseka.

Regular bilateral contacts were maintained at all levels contributing to the close relations between the two countries. Prime Minister met President Mahinda Rajapaksa on the sidelines of the 15th NAM Summit in Egypt on 16 July, 2009 during which they discussed the entire gamut of bilateral relations. External Affairs Minister Shri S. M. Krishna met with Sri Lankan Foreign Minister Mr. Rohitha Bogollagama at the ASEAN Foreign Ministers Meeting in Phuket on 22 July, 2009 and again in New York at UN General Assembly on 22 September, 2009. PM and External Affairs Minister met Sri Lankan Prime Minister and Foreign Minister respectively on the sidelines of CHOGM 2009.

From the Sri Lankan side, President Rajapaksa accompanied by several members of his Cabinet including Foreign Minister Mr. Rohitha Bogollagama, paid a private visit to India on 31 October, 2009. Prime Minister Ratnasiri Wickremanayake visited India from 30 October-1 November 2009 to inaugurate the newly built Buddhist Pilgrims rest in Sanchi.

On 24 April, 2009, National Security Adviser and Foreign Secretary visited Colombo. They visited again from 20-21 May, 2009 immediately after the end of military hostilities. During their visit, it was agreed that the time was opportune to focus attention on issues of relief, rehabilitation, resettlement and re-conciliation of IDPs in Northern Sri Lanka and reconciliation, including permanent settlement in Sri Lanka. India conveyed its concerns on the IDPs and urged the Government of Sri Lanka to resettle them at the earliest to their original places of habitation. Sri Lanka indicated its intention to complete the settlement by end January, 2010.

From 10-14 October, 2009, a 10-member delegation comprising of DMK, Congress and VCK Parliamentarians elected from Tamil Nadu visited Sri Lanka, during which they also visited Jaffna, upcountry areas and IDP camps in Vavuniya. Following the visit more than one lakh IDPs were resettled. Foreign Secretary Smt. Nirupama Rao visited in February 2009 – the first visit after President Rajapaksa’s success in the Presidential elections.

From Sri Lanka, a high-level delegation comprising of Senior Presidential Adviser Mr. Basil Rajapaksa, Defence Secretary Mr. Gotabaya Rajapaksa, and Secretary to President Mr. Lalith Weeratunga visited India in June and December 2009. India has emphasized that there is an opportunity to make a new beginning and find a permanent political solution within the framework of a united Sri Lanka that addresses the legitimate aspirations of the Tamil community and other minorities.

**Indian Assistance:** Since October 2008, India has been engaged in providing humanitarian relief assistance to Sri Lankan Tamil civilians affected by the military conflict in Northern Sri Lanka. 2.5 lakh family relief packs from Tamil Nadu have been rushed across to the displaced Tamil population in the North in several consignments. The packs include dry rations, personal hygiene items, clothing, utensils, footwear, and other essential supplies. Two consignments of medical supplies worth around Rs. 9.2 crores have been gifted to the Sri Lankan Government to cater to the requirements of IDPs. A 60-member emergency field hospital was set up in Northern Sri Lanka to provide urgent medical care of the IDPs. The hospital treated about 50,000 patients during its deployment from March-September 2009 and its work was greatly appreciated.

India’s humanitarian effort in Sri Lanka has expanded since the end of military hostilities to encompass rehabilitation and reconstruction. On 9 June, 2009, Prime Minister announced India’s commitment to engage with the process of relief and rehabilitation in Sri Lanka. The Government accordingly earmarked Rs. 500 crores for this purpose. In order to facilitate the process of rapid rehabilitation and resettlement, India has deployed seven demining teams in Northern Sri Lanka. India has sent 70,000 agricultural starters packs and 2600 tons of shelter material to Sri Lanka for resettling the IDPs, and another consignment of 2600 tons is being dispatched in parts. India will also be donating cement packs and take up various projects in Sri Lanka including revival of agricultural, reconstruction of infrastructure, livelihood generation, capacity building and skills development etc.

India has also extended LoC of US$ 425 million for Omanthai-Pallai and Madhu Church-Talaimannar railway lines and for supplying rolling stock for Northern Sri Lanka railway lines. These projects will be taken up by RITES and IRCON.

**Bilateral Trade and Economy:** Bilaterally, economic and trade ties maintained a steady momentum during the period under review. India is now Sri Lanka’s largest trade
partner overall accounting for 16.8% or $1/6^\text{th}$ of the trade turnover of Sri Lanka, and Sri Lanka is India’s largest trade partner in South Asia. The overall trade turnover has grown five times since the entry into force of the FTA and touched US$ 3.265 billion in 2008. India is also one of the largest foreign investors in Sri Lanka. Last year, we were the second largest investor in Sri Lanka at US$ 126 million. In 2009 (January-September) the bilateral trade between the two stands at US$ 1.44 billions and is expected to improve with the signs of global economic recovery.

Development assistance to Sri Lanka is another significant plank of India’s bilateral engagement with Sri Lanka. Projects completed with Indian assistance include setting up 20 Nenasalas ((e-learning kiosks), vocational training centre at Puttalam, rail bus project in the Eastern province, Centre for English Language Training in Peradeniya, and 20 buses to the Central Province.

In the education sector, India continued to push the initiative to upgrade the educational infrastructure of schools in the Central Province, including teachers’ training, setting up of computer labs, and awarding of scholarships to students from the Tamil plantation community.

On the cultural side, an exhibition of photographs of the Buddhist art and heritage sites by reputed photographer Shri Benoy Behl was organized in Matara along with Mahatma Gandhi Photographic Exhibition in May 2009. In September 2009 Indian Cultural Centre hosted a folk dance troupe from Thanjavur (Tamil Nadu) in Polonnaruwa, Batticaloa, Trincomalee and Hatton apart from assisting in the production of Kalidasa’s ‘Abhijnanasakuntalam’ as a musical dance drama in Sinhalese. ICCR has also sent Kathak and Bharatnatyam troupes which performed in Colombo, Kandy and also surrounding areas of Central Province.
Australia

India-Australia bilateral relations continued to develop in all fields and several high-level visits from both sides took place during the year.

**Tonga**

The king of Tonga paid a private visit to India in September 2009.
India-Japan relations have undergone a significant and qualitative shift in recent years, propelled by the successful regular summit level exchanges. The Joint Statement signed during Prime Minister Dr. Manmohan Singh's visit in 2006 established an India-Japan Strategic and Global Partnership.

The momentum of high-level exchanges continued in 2009. Prime Minister met with the then Prime Minister of Japan Mr. Taro Aso, on 2 April, 2009 on the margins of the G-20 Summit in London and on 10 July, 2009 on the sidelines of the G-8 Summit in L'Aquila (Italy). Soon after taking over as Japan's Prime Minister following elections on 30 August, 2009, Dr. Yukio Hatoyama met Prime Minister Dr. Singh in Pittsburgh on 25 September, 2009 on the sidelines of the G-20 Summit. The two Prime Ministers had another meeting on the sidelines of the East Asia Summit in Hua Hin (Thailand) on 24 October, 2009.

Prime Minister Dr. Yukio Hatoyama visited India from 27-29 December, 2009 for the Annual Summit. During the visit, the two sides issued a Joint Statement on the New Stage of India-Japan Strategic and Global Partnership and an Action Plan to advance bilateral security cooperation. In addition, the Japanese contribution to the joint Project Development Fund for Delhi-Mumbai Industrial Corridor (DMIC) was formalized, while an MoU was signed between DMIC Development Corporation and Japan External Trade Organization (JETRO) for development of eco-friendly cities and smart communities along the Delhi-Mumbai Industrial Corridor. Important progress was made on the Western Dedicated Freight Corridor project, with the two sides agreeing to conclude the agreement for the Main Loan for the first phase of the project by March 2010.

Prime Minister Dr. Hatoyama had delegation-level talks with Prime Minister Dr. Manmohan Singh and met UPA Chairperson, Smt. Sonia Gandhi besides meeting top industry leaders of India in Mumbai.

The annual Foreign Minister-level Strategic Dialogue initiated in March 2007 has been held regularly. Shri S. M. Krishna, External Affairs Minister visited Japan for the third round of Strategic Dialogue on 3 July, 2009. He had wide-ranging talks with the then Foreign Minister, Mr. Hirofumi Nakasone.

Other Ministerial-level dialogues with Japan include the India-Japan Policy Dialogue between Commerce & Industry Minister and Minister of Economy, Trade and Industry (METI) of Japan and the India-Japan Energy Dialogues between Deputy Chairman of the Planning Commission and METI Minister. Both Dialogues were launched in 2007. These dialogues are to be held in India in early 2010.

There were a number of Ministerial visits in both directions in 2009. The Textiles Minister Shri Dayanidhi Maran, visited Japan from 20-23 July, 2009. Dr. Karan Singh, President of ICCR visited Japan from 25-27 September, 2009. During his visit, he also inaugurated India Cultural Centre in Tokyo. Minister of State (PMO), Shri Prithviraj Chavan, attended the Forum on Science, Technology and Society in Japan from 4-6 October, 2009. National Security Adviser (NSA) Shri M. K. Narayanan visited Tokyo on 19 October, 2009 as Prime Minister's Special Envoy to reiterate our desire to strengthen existing partnership with Japan with the new Japanese Government. He called on Japanese Prime Minister and Foreign Minister, besides meeting Chief Cabinet Secretary and Leader of the Opposition Liberal Democratic Party. Defence Minister Shri A. K. Antony paid a visit to Japan at the invitation of the Japanese Minister of Defence from 8-10 November, 2009. A Joint Press Statement was issued during the visit. delegations and interactions between provincial and local governments of both countries.

India and Japan have launched a number of high-visibility projects under the Special Economic Partnership Initiative launched in 2006.

During Prime Minister’s visit to Japan in December 2006 the two sides agreed to cooperate on establishing a Dedicated Multi-modal High Axle Load Freight Corridors Mumbai-Delhi route. The project entails construction of a rail freight corridor from Jawaharlal Nehru Port (JNPT) in Mumbai to Tughlakabad/Dadri in Delhi to be funded through Japan’s Overseas Development Assistance (ODA) under their Special Terms for Economic Partnership (STEP) scheme. Government of Japan has committed to funding for the entire Dedicated Freight Corridor – Western (DFC-W). An Engineering Services Loan Agreement to start Japanese assistance by way of engagement of a General Contractor was signed in October 2009. The Japanese side has also proposed a schedule for preparatory Environmental Impact Assessment (EIA) and Rehabilitation and Resettlement Plan (RRP) for DFC-W Phase-II.

The proposal for the development of Delhi-Mumbai Industrial Corridor (DMIC) was agreed during the visit of Prime Minister to Japan in December 2006. The alignment of the 1483 km DMIC is via Ahmedabad, Palampura, Phulera, Rewari and Dadri. A Joint Task Force (JTF), co-chaired by the Secretary, Department of Industrial Policy and Promotion (DIPP) and Japanese Vice Minister, Ministry of Economy, Trade and Industry (METI) has been established to work out the details. Seven meetings of the JTF have been held so far, the last two rounds in New Delhi on 13 July, 2009 and 24 December, 2010. DMICDC has identified early-bird projects and is finalizing DPRs for the investment regions in consultation with State Governments. The Japanese commitment to the Project Development Fund was formalized in December 2009 during Prime Minister Dr. Hatoyama’s visit.

To accelerate the positive bilateral trade and investment trends, India and Japan are currently discussing the signing of a Comprehensive Economic Partnership Agreement (CEPA). Negotiation is led by the Commerce Secretary from the Indian side and Deputy Foreign Minister from the Japanese side. So far, twelve rounds of negotiations have been held. The last round was held in Tokyo from 29 September-1 October 2009.

During Prime Minister Dr. Manmohan Singh’s visit to Japan in October 2008, the two Prime Ministers confirmed their commitment to collaborate in the establishment of a new IIT in Hyderabad through various contributions from Japan.

The official-level dialogue architecture with Japan is clearly defined, and covers a wide range of issues. Foreign Secretary’s dialogue with Japanese Vice- Foreign Minister and annual Foreign Office Consultations with Deputy Foreign Minister were held in Tokyo on 4 December, 2009. Other dialogues between India and Japan include dialogue on Disarmament & Non-Proliferation, Joint Working Group on Counter-terrorism, Consular Talks, Policy Planning Dialogue and Track 1.5 Strategic Dialogue. The two sides have established a bilateral Consultative Mechanism for High Technology Trade to address matters relating to their respective export control systems. The fourth round of the mechanism was held in Tokyo on 24 April, 2009. A High Level Strategic Economic Dialogue has been established in order to develop an overarching dialogue mechanism on all economic issues. The third meeting of this dialogue, co-chaired by Finance Secretary and Deputy Foreign Minister of Japan, was held in New Delhi on 16 November, 2009. Secretary (Urban Development) visited Japan from 11-12 June, 2009 for the third Meeting of Joint Working Group on Urban Development.

Bilateral economic relations have vast potential for growth. During Prime Minister Abe’s visit in 2009, it was agreed to work towards a trade target of US$ 20 billion by the year 2010. However with the onset of the global economic crisis, the recovery in bilateral trade suffered a setback as the growth momentum slowed down. As per official Japanese statistics, bilateral trade during fiscal 2008-09 reached US$ 12.18 billion marginally above US$ 11.23 billion recorded in the previous year.

Japan ranks sixth largest in cumulative Foreign Direct Investment (FDI) flows into India. Japanese companies have made actual investments of US$ 2.530 billion between April 2000 and March 2009. Japanese investments in the infrastructure and industry sectors will secure a boost from DFC and DMIC projects under finalization.

Since FY 2003-04, India has become the largest recipient of Japanese ODA loan assistance. Cumulative commitment of Japanese ODA to India up to October 2009 is about Yen 2.9 trillion (approx. Rs. 113209.77 crores). For FY 2008-09, total ODA was Yen 236 billion (approx. US$ 2.5 billion or Rs. 11713 crores) which is an increase of 4.8% over the previous year and is 30% of Japan’s global ODA. For the current financial year (2009-10), the Japanese side has
approved two ODA projects under the first batch, including the Delhi and Kolkata Metro projects, costing 57 billion yen.

Defence and security has emerged as an important area of bilateral relations. A calendar of events for 2009 was finalized for promoting exchanges and cooperation in an institutionalized framework. Dialogues on defence and security-related matters include Defence Policy Dialogue at Secretary-level, Comprehensive Security Dialogue (CSD), Military-to-Military (M2M) talks, Navy-to-Navy talks. The second Navy-to-Navy Staff Talks were held in October 2009 in Tokyo. The new Bilateral Maritime Security Dialogue was held in New Delhi on 14 October, 2009. Four Indian warships visited Japan from 26-29 April, 2009 for bilateral and trilateral Malabar Exercises with Japan and the USA. Japanese Maritime Self Defence Force (JMSDF) ships Kashima, Shimayuki and Yuugiri visited Goa from 6-10 May, 2009. The Chief of Army Staff of India, General Deepak Kapoor, visited Tokyo (23-27 August, 2009) for the sixth Pacific Army Chiefs' Conference. Major outcomes of Shri A. K. Antony, Defence Minister's visit in November 2009 included scheduling of annual meetings of Defence Ministers, regular meetings of Defence Secretary/Vice Minister and exchange of visits by Service Chiefs. High-level Meeting between the two Coast Guards was held in January 2010.

The period under review witnessed a number of developments in India-Japan relations. The regular high-level interactions on the sidelines of regional and international gatherings and sustained exchanges in various fields continued. The two countries have also been furthering cooperation in regional and multilateral forums on global issues such as climate change and global financial situation.

**Republic of Korea**

The “Long Term Cooperative Partnership” established with the Republic of Korea (ROK) during the visit of President Roh Myun-hwan to India in 2004 is the bedrock of India-ROK bilateral relations. This partnership has become appreciably more intense and diversified in the recent years. A number of high level visits, signing of the Comprehensive Economic Partnership Agreement (CEPA), increasing economic and commercial interactions and expanding exchanges in the field of art and culture have been the high points of India-ROK bilateral ties during the year.

India and ROK exchanged a number of high-level visits during the year. The ROK Minister for Foreign Affairs and Trade, Mr. Yu Myung-hwan, visited New Delhi on 23 June, 2009, and held wide-ranging discussions with External Affairs Minister. During the visit, the ROK Foreign Minister also called on the Prime Minister and Minister of Commerce & Industry. This visit, which took place within a few days of the new Government taking over in India, indicated the importance that both sides attach to bilateral relations.

President Lee Myung-bak of ROK paid a State Visit to India from 24-27 January, 2010. He was the Chief Guest at the celebrations on 26 January to mark the Republic Day of India. During the visit, President Lee held delegation level talks with the Prime Minister and called on the President of India. The Vice President of India, the External Affairs Minister, the Leader of Opposition in Lok Sabha and the UPA Chairperson called on the visiting dignitary. A state banquet was hosted by the President of India Smt. Pratibha Devisingh Patil in honour of President Lee. A Joint Statement was issued following the delegation level talks on 25 January, 2009. The highlight of the visit was the decision to elevate India-ROK relations to a “Strategic Partnership”. Four documents – an Agreement on Transfer of Sentenced Persons, an MoU on Cooperation in Information Technology and Services, a Programme of Cooperation in the Fields of Science and Technology for the period 2010-12 and another MoU between the Indian Space Research Organisation (ISRO) and the Korean Aerospace Research Institute (KARI) were signed during the visit. The ROK President was accompanied by a high level official and business delegation. He addressed an India-ROK Business Forum that was organized in New Delhi coinciding with the visit.

The India-ROK Foreign Office Consultations were held in New Delhi on 18 November, 2009. The two sides reviewed the entire range of bilateral cooperation in various fields and exchanged views on important regional and international issues of interest to both sides. It was decided to raise the level of the Foreign Office Consultations to that of Vice Minister (Secretary).

India-ROK cooperation in the field of defence and security continued apace during the year. The MoU on Defence Industry and Logistics Cooperation signed in 2005 is the blueprint of India-ROK Defence Cooperation. Under the MoU, the two sides have set up a Joint Working Group on Cooperation, which has met twice. The third meeting of the Joint Working Group is likely to be held shortly in Seoul.

India and ROK concluded the landmark Comprehensive Economic Partnership Agreement (CEPA) on 7 August, 2009. The Minister of Commerce and Industry,
Shri Anand Sharma visited Seoul to sign this important agreement which is expected to usher in a new era in India-ROK bilateral relations, particularly in the economic and commercial field. This is India’s second CEPA and the first with an OECD country. The CEPA has since been ratified by the National Assembly of the Republic of Korea and, after the procedural requirements on the Indian side are completed, the Agreement is expected to come into effect from 1 January, 2010.

In pursuance of an MoU signed in October 2003, the third meeting of the India-ROK Joint Investment Promotion Committee (JIPIC) was held in Seoul from 2-3 September, 2009. The Indian delegation was led by Secretary, Department of Industrial Policy & Promotion.

Bilateral trade between India and ROK showed a 39% growth in 2008, touching US$ 15.56 billion, thus surpassing the target of US$ 10 billion set by the two countries to be achieved by the year 2010. Despite some setback due to the global financial crisis, it is expected that the growth of bilateral trade between the two countries during the year would continue to maintain the momentum.

The seventh meeting of the Joint Committee on Culture was held in Seoul from 1-3 September, 2009. During the meeting the two sides signed the Cultural Exchange Programme for 2009-2012. Under the Agreement on Youth Exchange Programme signed in April 2005, the two countries have been regularly exchanging youth delegations. A 20-member Indian youth delegation visited ROK from 24 August-2 September 2009 and a 20-member Korean youth delegation also visited India from 17-26 September, 2009.

**Mongolia**

India’s centuries old friendly and cordial relationship with Mongolia, which was raised to the level of “Partnership” during the visit of the Mongolian Prime Minister in 2004, continued to develop and diversify further during the year to cover a wide range of areas for bilateral cooperation, including exchanges and cooperation in the fields of defence and security, economy, education and culture.

The two sides exchanged a number of high level visits during the year. Smt. Preneet Kaur, Minister of State for External Affairs, visited Mongolia from 17-19 June, 2009 to represent Government of India at the swearing-in ceremony of the new Mongolian President, Mr. Ts. Elbegdorj.

Bilateral relations between India and Mongolia received a further fillip when the newly elected President of Mongolia paid a State Visit to India from 13-16 September, 2009. This was the Mongolian leader’s first foreign visit after assuming the Presidency of Mongolia. The two sides reviewed and discussed the entire gamut of bilateral relations and exchanged views on international and regional issues of mutual interest. During the visit, the two sides agreed to upgrade the level of bilateral relations to that of “Comprehensive Partnership”. Five Agreements/MoUs were signed between the two sides during the visit, viz. the Agreement on Stabilization Loan Assistance, MoU on Cooperation in the Field of Statistics, MoU on Peaceful Use of Radioactive Minerals and Nuclear Energy, MoU on Cooperation in Health and Medicine and the Cultural Exchange Programme for 2009-2012. At the request of the Mongolian side, the Government of India extended US$ 25 million loan assistance to Mongolia to stabilize its economy in the wake of the global financial crisis. India also agreed to offer a project-specific Line of Credit of US$ 20 million to Mongolia on special soft terms.

The Second Meeting of the India-Mongolia Joint Committee on Cooperation (JCC) was held in New Delhi on 11 January, 2010. Smt. Preneet Kaur, Minister of State for External Affairs co-chaired the meeting on the Indian side, while the Mongolian side was chaired by Mr. Yondonjin Otgonbayar, Minister of Education, Culture and Science of Mongolia. The JCC reviewed the follow up measures taken by the two sides on the visit of President Elbegdorj of Mongolia to India in September 2009. It also discussed and identified further areas of cooperation such as agriculture, animal husbandry, mining, information technology, education, training of Mongolian teachers, etc. The Mongolian side presented broad outline of a proposal to establish an India-Mongolia Joint Information Technology Education and Outsourcing Centre utilizing the US$ 20 million Line of Credit offered by India to Mongolia.

During the year there was significant progress in India-Mongolia cooperation in the field of defence. The fifth India-Mongolia Joint Military Exercise was held in Mongolia from 14-27 September, 2009. India also participated in the multinational peace keeping exercise “Khan Quest” held in Mongolia from 3-31 August, 2009. At the Mongolian request, India has deputed a team of four Army officers to Mongolia for a period of one year to train Mongolian troops in IT and English language.

The regular interaction between the National Security Councils (NSCs) of India and Mongolia continued during the year. A Mongolian National Security Council delegation, led by its Executive Secretary
President of Korea, Mr. Lee Myung Bak, the Vice President, Shri Mohd. Hamid Ansari, the Prime Minister, Dr. Manmohan Singh, on the occasion of the ‘At Home’ ceremony, at Rashtrapati Bhavan, in New Delhi on 26 January, 2010.

President of Korea, Mr. Lee Myung Bak, the Vice President, Shri Mohd. Hamid Ansari, the Prime Minister, Dr. Manmohan Singh, on the occasion of the ‘At Home’ ceremony, at Rashtrapati Bhavan, in New Delhi on 26 January, 2010.

Ms. Kim Yoon Ok, Dr. Devisingh Ramsingh Shekhawat and Smt. Gursharan Kaur are also seen.
Mr. Ts. Enkhtuvshin visited India from 31 August-2 September 2009 for the annual dialogue between the two NSCs.

Border protection forces of India and Mongolia also continued their regular exchange of visits and programme of cooperation. At the request of the Mongolian side BSF organized the second training programme for Mongolian border officials in India from 7 September-14 December 2009.

During the year, the two sides agreed to cooperate in the field of peaceful use of radioactive minerals and nuclear energy. Visits were exchanged between the Department of Atomic Energy and MONATOM, the Mongolian Government entity engaged in exploration and mining of uranium in Mongolia. The signing of the inter-governmental agreement on civil nuclear cooperation in September 2009 during the Presidential visit from Mongolia, has charted out the roadmap for cooperation between the two countries in this area.

Mongolia has emerged as one of the major beneficiaries under the Indian Technical and Economic Cooperation (ITEC) Training Programme. During President Elebegdorj’s visit to India in September 2009, Prime Minister announced doubling of the number of ITEC slots for Mongolia from 60 to 120. The Foreign Service Institute has been training one Mongolian diplomat annually in its Professional Course for Foreign Diplomats. It has been decided to increase the number of slots to three with effect from the financial year 2009-2010.

**Democratic People’s Republic of Korea**

Relations between India and Democratic People’s Republic of Korea (DPRK) continue to be cordial with a focus on humanitarian and human resource development assistance. Exchanges in the area of culture, sports and education continued to make progress during the year.

The two sides continued their bilateral exchanges with Democratic People’s Republic of Korea’s Vice Foreign Minister Kim Yong Il visiting India in August 2009 for the sixth Round of Foreign Office Consultations. Discussions involved reviewing bilateral relations, exchange of opinion on international issues of mutual interest, the Six Party Talks process, and steps for future cooperation.

Indian assistance for development of human resources in DPRK continues. DPR Korea was allotted 18 slots under the Indian Technical and Economic Cooperation (ITEC) Training Programme for the Year 2009-2010. Two additional ITEC slots were also offered to DPRK for English language training courses in Defence Institute (AEC Training Institute) in India.
Russian Federation

The year witnessed intensive engagement between India and Russia at all levels, aimed at further diversification and consolidation of the bilateral strategic partnership and on-going multi-faceted cooperation in areas such as political dialogue, trade and investments, energy security including hydrocarbons and atomic energy, science & technology, space research, and culture.

Prime Minister Dr. Manmohan Singh visited Moscow from 6-8 December, 2009 for the Annual India-Russia Summit; these summits have been held regularly since the bilateral relationship was re-energised with the declaration of Strategic Partnership in 2000. Prime Minister met both President Mr. Dmitry Medvedev and Prime Minister Mr. Vladimir Putin. During the meetings, the entire gamut of bilateral relations was discussed and there was exchange of views on major global and regional issues of mutual interest. The two Prime Ministers addressed a meeting of the India-Russia CEOs’ Council (the two Co-Chairs of the India-Russia CEOs’ Council are Shri Mukesh Ambani of Reliance Industries Ltd. from the Indian side and Mr. Vladimir Evtushenkov from the Russian side). Separately, Prime Minister had interactions with prominent Russian scholars and Indologists. The following bilateral agreements were signed during Prime Minister’s visit in the presence of the Indian Prime Minister and the Russian President: (i) Agreement between the Government of the Republic of India and the Government of the Russian Federation on the Programme for Military and Technical Cooperation (MTC) during the period 2011-2020; (ii) Agreement between the Government of the Republic of India and the Government of the Russian Federation on After Sales Support for the Russian Arms and Military Equipment supplied to the Republic of India; (iii) Protocol to the Agreement of the Government of India and the Government of the Russian Federation on Cooperation in Development and Production of Multi-Role Transport Aircraft on 12 November, 2007; (iv) Agreement between the Government of the Republic of India and the Government of the Russian Federation on Cooperation in Peaceful Uses of Atomic Energy (initialed); and (v) Programme of Cultural Exchanges between the Government of the Republic of India and the Government of the Russian Federation for the Years 2010-12, and (vi) A Dollar Agreement for extension of a Line of Credit of US$ 100 million by Exim Bank to Vnesheconombank for boosting export of Indian goods and technology products to Russia. A Joint Declaration on “Deepening the Strategic Partnership to meet Global Challenges” was also adopted at the end of the Summit. Separately, an agreement was inked between ONGC Videsh Ltd. and Sistema for joint bid for hydrocarbon blocks exploration in Russia and CIS countries.

Russia Trade & Investment Forum from 29 September-3 October 2009. He met the Minister of Economic Development Ms. Elvira Sakhipzadovna Nabiullina. Commerce & Industry Minister also held bilateral meetings with Prime Minister Putin and the Minister of Industry & Trade Mr. Viktor Borisovich Khristenko. During the visit, Commerce & Industry Minister also inaugurated an India Show organized by Indian Trade Promotion Organisation, New Delhi in St. Petersburg with the participation of over 150 business entities, as a part of the “Year of India in Russia” celebrations.

- Defence Minister Shri A. K. Antony visited Moscow from 14-15 October, 2009 for the ninth session of the India-Russia Inter-Governmental Commission on Military Technical Cooperation. During the visit, he discussed various aspects of defence and military cooperation with his Russian counterpart Mr. Anatoly Eduardovich Serdyukov.

- External Affairs Minister Shri S. M. Krishna visited Moscow from 20-22 October, 2009 for co-chairing the 15th session of the India-Russia Inter-Governmental Commission on Trade, Economic, Scientific, Technological and Cultural Cooperation (IRIGC-TEC) with Russian Deputy Prime Minister Mr. Sergei S. Sobyanin. A protocol reflecting the discussions arrived at during the meeting was signed at the conclusion of the talks. On the sidelines, External Affairs Minister held bilateral discussions with his Russian counterpart Mr. Sergei Lavrov, and also called on President Mr. Dmitry Medvedev. The IRIGC-TEC meeting was preceded by the meetings of the various Working Groups under the Inter-Governmental Commission, which are headed by senior officials from concerned Ministries in both countries. These include the Working Group on Trade & Economy (Moscow, 28 September, 2009); Working Group on Metallurgy and Mining (Moscow, 8-9 October, 2009); Sub Group on Banking & Financial Matters (Hyderabad, 5-7 October, 2009); Working Group on Information & Communications Technology (New Delhi, 13 October, 2009); and Working Group Science & Technology (Moscow, 20 October, 2009). The Working Group on Energy met in Moscow from 23-24 November, 2009.

- Russian Foreign Minister Mr. Sergei Lavrov visited Bengaluru from 26-27 October, 2009 for the ninth India-Russia-China Trilateral Foreign Ministers’ Meeting. There were no bilateral discussions between India and Russia.

- Russian First Deputy Foreign Minister Mr. Andrei A. Denisov visited New Delhi on 10 November, 2009 for holding Foreign Office Consultations with Foreign Secretary Smt. Nirupama Rao. Both sides reviewed bilateral issues and exchanged views on key regional and global issues of mutual concern. In addition, the two Foreign Offices held consultations on the following subjects during the year: (i) Issues related to the UN and Cooperation within other international organisations (Moscow, August 2009); (ii) China and East Asia (New Delhi, March 2009); (iii) Iran & Afghanistan (New Delhi, November 2009); South Asia (Moscow, October 2009); (iv) Consular Issues (Moscow, 12-13 November, 2009); and (v) Middle East and Iraq (Moscow, 22 January, 2010).

- Russian Deputy Prime Minister Mr. Sergei Sobyanin, during his maiden visit to India from 9-12 November, 2009, called on Prime Minister Dr. Manmohan Singh, and held meetings with External Affairs Minister Shri S. M. Krishna; Minister of Commerce & Industry Shri Anand Sharma; and Minister of Petroleum & Natural Gas Shri Murli Deora. Besides, he participated in the CII-organized India Economic Summit, and visited Infosys in Bangalore and the civilian nuclear facilities under construction at Kudankulam, being built with Russian help.

- Russian Deputy Prime Minister Mr. Sergei Sobyanin paid his second visit to India from 15-17 February, 2010 to prepare for the visit of Russian Prime Minister Mr. Vladimir Putin, scheduled for middle of March 2010. As the co-chair of the IRIGC-TEC, he met his Indian counterpart, External Affairs Minister Shri S. M. Krishna and reviewed bilateral economic and commercial relations.

The Year 2009 was celebrated as the “Year of India in Russia” with the organisation of more than 150 events showcasing Indian art & culture, paintings and artifacts, achievements in the field of science & technology etc. in Russia. President Smt. Pratibha Devisingh Patil and her Russian counterpart Mr. Dmitry Medvedev witnessed a glittering cultural programme at the new stage of Bolshoi Theatre in Moscow during the former’s visit to Russia. The Closing Ceremony of the year of India in Russia, which was scheduled on 7 December, 2009 and was expected to be attended by Prime Ministers of India and Russia, was called off as a mark of respect to the victims of a fire tragedy in the Russian city of Perm.

Bilateral trade, which, according to Russian figures, stood at close to US$ 7 billion in 2008, has been growing steadily.

Preliminary estimates indicate at an 8% growth in bilateral trade during the year 2009. During the 15th session of the IRIGC-TEC meeting held in Moscow in October 2009, it was decided to revise the bilateral trade turnover target upwards from US$ 10 billion by 2010 to US$ 20 billion by 2015. This is intended to be achieved through a series of sustained measures such as diversification of the trade basket and increased focus on untapped areas with large potential such as IT, high-technology, rough diamonds and pharmaceuticals. Further, the CEO’s Council (headed by Shri Mukesh Ambani, Chairman of Reliance Industries and Mr. Vladimir Evtushenkov, Chairman, Sistema), held its first full fledged meeting in Moscow on 7 December, 2009 and identified telecom, infrastructure investments (in India) and pharmaceuticals as areas of promise.

**Armenia**

Relations between India and Armenia continued to remain cordial, marked by understanding at various levels. Foreign Office Consultations held in Yerevan in May 2009 provided an excellent opportunity for review of ongoing bilateral cooperation and also for identifying new areas for possible collaboration.

India continued its commitment to contribute towards Armenia’s developmental efforts. In this context, an MoU was signed on 19 May, 2009 for India’s assistance of US$ 2,15,000 for a rural development project in Armenia; another MoU was signed on 26 June, 2009 for the establishment of India-Armenia Centre for Excellence in Information and Communication Technology at a cost of Rs. 7.6 crores with the objective of supporting development of information and communication technology in Armenia. Thereafter, a four member team of experts from the Centre for Development of Advanced Computing (C-DAC) visited Yerevan and had an extensive and productive interaction with their counterparts in Armenia towards the timely implementation of the project.

Significant headway was made in bilateral cooperation in the field of horticulture; a delegation from National Horticulture Board of India visited Yerevan in November 2009 to procure Armenian varieties of Apricot plants with the objective of conducting trials for Apricot farming in selected areas of Jammu & Kashmir, Himachal Pradesh and Uttaranchal.

Responding to the interest and aspirations of Armenian people in Hindi language and culture in Armenia, India signed an MoU on 11 November, 2009 with the Yerevan State Linguistic University “Brusov” for the establishment of a Chair of Hindi language and culture. The Chair for Hindi language and literature became operational with the arrival of Ms. Anita Verma, Hindi Teacher on 12 January, 2010. Earlier an ICCR-sponsored cultural troupe visited Armenia in April 2009.

**Azerbaijan**

India further developed friendly and cordial relations with Azerbaijan during this period.

The first meeting of Inter-Governmental Commission on Trade, Economic, Scientific and Technological Cooperation was held on 26 November, 2009 in New Delhi. While the Indian side was co-chaired by Minister of State for Commerce & Industry, Mr. Jyotiraditya M. Scindia, Azerbaijan was represented by Mr. Huseyngulu Bagirov, Minister of Ecology and Natural Resources. A draft protocol was signed to further fructify bilateral relations in different fields. There were several commercial delegations visiting from both sides. Notable among them were an 11-member Azeri trade delegation consisting of prominent businessmen in the field of gem & jewellery for participation in the IIJS Signature 2009 held in Goa from 20-23 February, 2009, a two member delegation in the CAPEXIL-sponsored exhibition in New Delhi from 25-26 February, 2009 and one member participation in the INDIASOFT-2009 sponsored by Electronic and Computer Software Export Promotion Council of India (ESC).

There were a number of bilateral cultural activities during this period. Prominent among them was an ICCR-sponsored contemporary dance troupe led by Tanusree Shankar which gave its maiden performance in September 2009, and a seminar on the theme “The Relevance of Gandhi and Values” chaired by the Rector of Azerbaijan University of Languages in October 2009.

**Belarus**

India’s relations with Belarus developed and diversified further in 2009-10.

External Affairs Minister Shri S. M. Krishna visited Minsk from 16-17 September, 2009 marking the first ever visit by an External Affairs Minister of India to Belarus. EAM had meetings with his Belarusian counterpart, Mr. Sergei Martynov, Foreign Minister and also called on Mr. Aleksander Lukashenko, President of Belarus. Two Agreements were signed during this visit – (i) Agreement on Cooperation in the field of Physical Training & Sports; and (ii) MoU on establishment of a Digital Learning Centre at HT Park, Minsk. Minister of State for Defence Shri M. M. Pallam Raju visited Belarus from 25-28 October, 2009. The RRM, apart from meetings with Colonel General Leonid S. Maltsev, Defence Minister of Belarus, also called on Mr. Alexander Lukashenko,
President of Belarus. Chief Justice of India Shri K. G. Balakrishnan visited Belarus in March 2009. Chairman of the State Military and Industrial Committee of Belarus Mr. N. I. Azamatov visited India for the ‘AeroIndia’ exposition in February 2009. These high level visits helped in maintaining a good momentum in bilateral relations with Belarus.

India-Belarus Joint Commission on Military Technical Cooperation met in its second meeting in New Delhi in May 2009. The sixth meeting of the India-Belarus Joint Business Council (JBC) was held in Minsk in October 2009.

Economic and commercial relations with Belarus were on the upswing during the year under report. Belarus organized a focused trade exhibition in Mumbai in May 2009. Indian company, Bharat Heavy Electricals Limited (BHEL) bagged a contract for Grodno-II Power Project worth US$ 55 million. It was the first ever contract in Belarus awarded to an Indian company. The contract for the project was signed during the visit of External Affairs Minister to Minsk in September 2009. Government of India offered a credit line of US$ 60 million for the project. Government of India is setting up a Digital Learning Centre at the High Technology Park in Minsk for which the MoU was signed during the visit of External Affairs Minister to Minsk as mentioned above. Belarusian business/media persons, on sponsorship by the concerned Indian Export Promotion Councils, visited India to participate in India International Garments Fair in July 2009, Indian Handicrafts & Gifts Fair in October 2009 and Delhi International Leather Fair in October 2009.

Cultural and educational cooperation with Belarus was also strengthened. A leading literary magazine of Belarus, ‘Neman’ published a special number, in conjunction with the Independence Day of India, in September 2009 with special focus on the writings on India of Belarusian academician Prof. Mikhail I. Mihailov. Embassy of India in Minsk continued hosting of classes for classical and modern Indian dances conducted by ICCR alumni in cooperation and sponsorship of the ICCR. The Belarusian nominees continued availing of ICCR cultural scholarships for learning Indian classical dances. India’s Directorate of Film Festivals also participated in the non-competition section of the Minsk International Film Festival “Listapad” in November 2009.

Georgia

Relations with Georgia during the year remained cordial. India’s Ambassador to Georgia (with residence in Yerevan) maintained a sustained dialogue with the Georgian authorities for the promotion of bilateral cooperation in various fields. Despite the setback to the Georgian economy as a result of the global financial crisis and the fallout of the Georgia-Russia tension in August 2008, the confidence of Indian investors did not diminish; significant investments into Georgia from India were made in the steel, oil and gas sectors.

Georgia is likely to open its Resident Mission in New Delhi in 2010.

The second round of Foreign Office Consultations will be held in New Delhi from 29-30 March, 2010. The Indian side will be headed by Joint Secretary (Eurasia) while the Director of Asia, Africa, Australia and Pacific Rim Department in the Georgian Foreign Office led the Georgian side.

Kazakhstan

Prime Minister had a meeting with President Nursultan Nazarbayev of Kazakhstan on 16 June, 2009, on the sidelines of SCO Summit in Yekaterinburg. During the meeting, the two leaders expressed satisfaction on the way the bilateral relations were shaping and reviewed the decisions taken and reflected in the Joint Declaration issued during the State Visit of Kazakh President to India in January 2009. The two leaders directed that the Foreign Minister of India and Kazakhstan should meet in the near future and finalise a roadmap of bilateral areas of engagement and this would need to be closely pursued by the two sides.

Foreign Office Consultations with Kazakhstan were held on 22 September, 2009 in Astana. Shri N. Ravi, Secretary (East) led the delegation and held the consultations with his Kazakh counterpart.

The External Affairs Minister met with his Kazakh counterpart, Mr. Kanat Saudabayev, in January 2010 in London on the sidelines of the London Conference on Afghanistan. They exchanged views on bilateral issues.

Kyrgyz Republic

The Inter Governmental Commission on Trade, Economic, Scientific & Technological Cooperation is likely to be held on 2 March, 2010 in New Delhi. The Commission will be co-chaired by Shri Jyotiraditya Scindia, MoS (Commerce and Industry) and representative of the Kyrgyz Republic. Foreign Office Consultations with the Kyrgyz Republic were held on 26 June, 2009 in Bishkek. A Joint Protocol was signed on the conclusion of the meeting of the Inter Governmental Commission. Shri N. Ravi, Secretary (East) led the Indian delegation. The Kyrgyz delegation was led by Mr. Ibraimov Emrek Sultanovich, Deputy Foreign Minister.
**Tajikistan**

President Smt. Pratibha Devisingh Patil was on a State Visit to Tajikistan from 6-8 September, 2009. This was the first ever visit by an Indian Head of State to the Central Asian Region. The engagements of President included a call on President Rahmon of Tajikistan followed by delegation level talks. The Prime Minister, Foreign Minister and Defence Minister of Tajikistan called on President. She also had a meeting with Chairman and Members of the Lower House of Tajik Parliament. President also visited the mausoleum of sufi saint Syed Hamadoni in Kulyab. The Saint is credited to have brought Islam to Jammu and Kashmir and the mausoleum is frequented by pilgrims from the state. The State Visit provided an opportunity for the inauguration of the India-Tajikistan Joint Business Forum which was jointly addressed by President with President Rahmon. President also attended the National Day celebrations of Tajikistan as Guest of Honour. This was the first time that a foreign dignitary was accorded the honour. President also attended a reception hosted by our Ambassador for the Indian community. The visit provided an opportunity to reaffirm bilateral ties at the highest political level and to exchange views on regional and global issues of mutual interest.

**Turkmenistan**

External Affairs Minister Shri S. M. Krishna, accompanied by a high-level delegation paid an official visit to Turkmenistan from 18-19 September, 2009, during which a Programme of Cooperation was signed between the two Foreign Offices by EAM and his Turkmen counterpart. EAM called on the Turkmen President Mr. Gurbanguly Berdymuhammedov and during the meeting they discussed various issues of bilateral interest and regional importance.

During official talks between External Affairs Minister and his Turkmen Deputy Prime Minister and Foreign Minister Mr. Rashid Meredov, issues discussed included bilateral agreements between the two countries on trade & economic cooperation, educational and cultural exchange programs, science and technology and relaxation in visa policy. EAM also handed over an MoU to the Turkmen side for the establishment of a ‘India-Turkmenistan Centre for Information Technology’, in Ashgabat, by Government of India. Both the Ministers expressed satisfaction on growing relations and cooperation between the two countries. The Turkmen side also emphasized the need to further explore cultural exchange programs through visits by cultural troupes from both sides.

The delegation led by External Affairs Minister, also had detailed discussions with the Turkmen Deputy Prime Minister, in-Charge of Oil and Gas sectors, for enhancing cooperation in the gas and oil sector. The TAPI (Turkmenistan-Afghanistan-Pakistan-India gas pipeline) project was also discussed in detail with the President, Minister of Foreign Affairs and Deputy PM in-Charge of Oil and Gas of Turkmenistan.

Smt. Preneet Kaur, Minister of State (External Affairs) will be co-chairing the Third Session of the Inter-Governmental Commission to be held at Ashgabat from 8-9 February, 2010. The co-chair from Turkmen side will be Mr. Rashid Meredov, Deputy Prime Minister and Foreign Minister. A Joint Protocol is to be signed on conclusion of the Meeting.

**Ukraine**

Bilateral relations between India and Ukraine continued to remain close and friendly. Both the countries remained engaged in sustaining cooperation in different sectors of development.

India and Ukraine entered into a contract for life extension and modernization of the Indian Air Force’s AN-32 military transport aircraft, which gave a fillip to the defence relations between the two countries. This was followed by a visit (31 August-5 September) to Ukraine by the Chief of the Indian Air Force, Air Chief Marshal P. V. Naik at the invitation of the Chief of the Ukrainian Air Force. The delegation had useful meetings with the Ukrainian Defence and Industrial Policy Ministers, and held discussions spanning several aspects of defence cooperation between the two countries. The delegation visited the National Defence Academy and some other areas of military interest.

Growth in trade and economic relations were sustained as both the countries made concerted efforts including trade promotion mechanisms such as buyer seller meets and exhibitions. A buyer-seller meet was held in Kiev by the Engineering Export Promotion Council India and another by the Chemicals and Allied Products Export Promotion Council. Indian companies participated in several international exhibitions covering various segments of economy such as technical, agro-industrial, tourism and food processing, held in Ukraine.

Culture was another area which witnessed a positive development in bilateral relations. A number of cultural events like a concert by Pandit Hariprasad Chaurasia, renowned exponent of the Flute, and tabla maestro Pandit Vijay Ghate and photo and painting exhibitions by Ukrainian artists inspired by their visits to India, were organized by Ukrainian cultural organizations with the cooperation of the Mission. A Roundtable on Indology was organized by the All Ukrainian Association of Indologists.
The Government of India extended a helping hand to Ukraine by announcing humanitarian assistance in the form of a donation of medicines worth one million US$ in response to an appeal by the Ukrainian government, following a break out of influenza epidemic in certain parts of the country. The Indian pharmaceutical companies, which have their operations in Ukraine, separately donated medicines worth about US$ 600,000 to Ukraine to help combat the epidemic. The humanitarian assistance was a manifestation of the Government of India’s commitment to strengthen the close and friendly bilateral relations existing between the two countries.

Uzbekistan

External Affairs Minister Shri S. M. Krishna paid an official visit to Uzbekistan from 22-23 October, 2009. EAM called on the President of Uzbekistan Mr. Islam Karimov on 23 October, 2009. Status of bilateral relations, after the successful visit of Prime Minister Dr. Manmohan Singh to Tashkent in April 2006, was reviewed. It was noted with satisfaction that two meetings of the Inter-Governmental Commission had since been held, steering the bilateral relations forward. It was decided to give further impetus to agreed sectors of bilateral cooperation, including hydrocarbons and mining, as well as explore new areas of cooperation like health, IT and agriculture. It was noted that relations between India and Uzbekistan rested on strong historical and cultural foundations, and had developed into vibrant and mutually rewarding bilateral relations since 1991.

During talks between External Affairs Minister and Mr. Vladimir Norov, Foreign Minister of Uzbekistan, issues discussed included trade & economic cooperation, educational and cultural exchange programmes, science and technology and relaxation in visa policy. Both Ministers expressed satisfaction over growing bilateral cooperation, and discussed regional and global issues. Uzbekistan reiterated its support for India’s candidature for permanent membership of the UNSC. The Uzbek side accepted the Indian side’s proposal to setup an India-Uzbekistan Round Table with government and non-governmental representatives, with a mandate to discuss new ideas to enhance bilateral relations. The Uzbek side welcomed the Indian proposal for gifting of medical equipments and supplies worth US$ 1 million for hospitals in Uzbekistan. EAM offered additional developmental assistance to upgrade the Jawaharlal Nehru Centre for Information Technology established in Tashkent in 2006. EAM reiterated our commitment to provide assistance for establishing an Entrepreneurship Development Centre in Uzbekistan. EAM also inaugurated the India Centre at the Al-Beruni Institute of Oriental Studies.

During the visit, External Affairs Minister placed a wreath at the memorial of former Prime Minister Late Shri Lal Bahadur Shastri in Tashkent, where he had breathed his last in 1966.

India-Russia-China Trilateral Cooperation

The Ninth Trilateral Meeting of Foreign Ministers of India-Russia-China was held in Bengaluru on 27 October, 2009. The meeting provided an opportunity for an exchange of views between the Indian, Russian and Chinese leadership on important global and regional issues including on climate change, global financial architecture, UN reforms, developments in Afghanistan and the Shanghai Cooperation Organization. The three sides also looked at ways of further strengthening trilateral cooperation. The trilateral cooperation in specific sectors, i.e. disaster mitigation and relief, cooperation in agriculture, and cooperation in health and medicine is proceeding since the last couple of years. The second expert-level meeting on Disaster Mitigation was held in Sanya, China in November 2009. The second Trilateral Business Conference was held in Changchun, China from 17-19 September, 2009 between the business chambers of the three countries. The themes under discussion were pharmaceuticals, infrastructure, IT and energy.

Shanghai Cooperation Organisation (SCO)

Prime Minister attended the SCO Summit (Heads of State Council) Meeting held in Yekaterinburg, Russia on 16 June, 2009. India is an Observer state in the SCO and this was the first time that India was represented at PM’s level in the SCO. PM attended the restricted meeting of the leaders of SCO countries and addressed the plenary session in a wider format.

India was represented by Shri Murli Deora, Minister of Petroleum and Natural Gas at the Heads of Government Council Meeting of SCO in Beijing on 14 October, 2009. The Minister made a statement at the plenary session.

Invitations to Trade, Culture, Transport and Disaster Management Ministers meeting were received and attended by the representatives of respective Ministries or the concerned Embassy. Under the aegis of the SCO, the Russian Federation organized a meeting in May 2009 on Afghanistan which was attended by Special Envoy of Prime Minister, Shri Satinder Lambah.
The Gulf

India maintained its historical and traditionally cordial relations and cooperation with the Gulf region countries. In parallel with increasing imports of oil and gas, growing trade and investment opportunities, active steps were taken in cooperation with the countries of the region in 2008 to strengthen this relationship and to diversify in new areas. The year witnessed several high level visits bilaterally manifesting the importance of the region in our relationship.

The Gulf region is a major trading partner of India. During 2006-2007 the total two-way trade was US$ 47 billion and in the year 2007-08 it reached more than US$ 76 billion. Gulf countries together provide 70% of our total crude requirement and play a key role in our energy security. About 4.5 million Indians live and work in the Gulf region. They are a vital support to our economy and remit more than US$ 30 billion annually.

Bahrain

India and Bahrain continued with historical and friendly bilateral relations. Indian nationals numbering around 3,13,000 constitute the largest expatriate community out of a total of 1.04 million residents of Bahrain. Bahraini leadership understands India’s growing strength in several areas and endeavours for closer strategic ties with India. Bahrain is a member of Gulf Cooperation Council (GCC) with high strategic value.

The stream of bilateral visits continued in 2009 and includes Minister of Overseas Indian Affairs in July 2009, and National Security Adviser participating in Manama Dialogue in December 2009 etc. Bilateral relations received great impetus with the recent visit (4-5 October, 2009) of Minister of State for External Affairs Dr. Shashi Tharoor to Bahrain which was his first official visit to a GCC country. He called on the Prime Minister of Bahrain Shaikh Khalifa bin Salam Al-Khalifa, the Foreign Minister Shaikh Khalid bin Ahmad Al-Khalifa and met his counterpart Dr. Nizar Al-Bahraini among others and had substantive discussions with them on bilateral, regional and international issues of mutual interests.

Iran

Special Kuwait Cell
In 2005 United Nations Compensation Commission (UNCC) sent a list of 8615 Untraced Indian Claimants whose compensation money had been returned to UNCC as undisbursed funds within the period stipulated for this purpose determined by UNCC. This was the last chance given by UNCC to all countries to pay their nationals
who could not be paid when the money was sent earlier. Undisbursed funds were to be returned to UNCC once this exercise was over, and would lapse to UNCC with no further chance of getting this money. The work of locating the Indian claimants started in October 2005. The list of 8615 claimants was advertised in the print media and also put on Ministry of External Affairs’ website for easy access. Help of state governments was also taken. The work of locating the Indian claimants ended in October 2006 as UNCC refused to accept any further lists of claimants who were traced after 30 October, 2006. UNCC sent money between January 2007-July 2007. This money had to be disbursed within six months which was later reduced to four months and the undisbursed money returned to UNCC at the end of this period which was calculated from the date of transfer of funds by UNCC to India. The last undisbursed money was returned in January 2008. UNCC made it clear that they would not entertain any further requests whatever the justification and pleadings that may be put forward by the claimants or their Governments and would not respond to any representation and advised that governments therefore should desist from sending any representations to UNCC.

This division has attended to 11 RTI cases from 1 April 2009-December 2009 regarding queries from the claimants of United Nations Compensation. In addition, three court cases are pending. The Government of India’s position is that the compensation was being paid by UNCC and that the Government of India is not liable to pay this compensation in cases where a Kuwait returnee of the 1990-1991 Gulf War, for which UNCC was paying compensation, could not be paid this compensation by UNCC for whatever reasons.

**Oman**

India’s friendly relations with Oman were further consolidated in 2009 building upon the visit of the Prime Minister Dr. Manmohan Singh to Oman last year. Deputy Chairman, Planning Commission, Dr. Montek Singh Ahluwalia led a delegation for the second India-Oman Joint Working Group meeting which was held in Muscat in April 2009. The Omani delegation was led by Mohammed bin Al Zubair advisor to the Sultan for Economic Planning. The Working group identified areas where the two countries could make quick progress. Further progress was made in the India-Oman Fund which will have a seed capital of US$ 100 million, to be raised up to US$ 1.5 billion to be utilized for joint investments in infrastructure. In the year 2008 bilateral trade (both oil and non-oil) reached nearly US$ 2.0 billion.

The Minister of Oil & Gas of Oman, Dr. Mohammed Hamad Al-Rumhi visited India in May 2009; a nine member delegation led by Maqbool Ali Sultan, Industries and Commerce Minister of Oman, visited Gujarat in September 2009 to discuss ways to increase partnership between Gujarat and Oman in trade and commerce. The period saw cooperation in technical and higher education, defence cooperation, visits of Indian Naval Ships to Oman and bilateral air exercise in October and November 2009. The Sultanate of Oman continued to support the Anti-Piracy Operations of the Indian Navy in Gulf of Aden.

**Qatar**

India has a long history of friendly relations with Qatar marked by commercial ties and people-to-people contacts. The large Indian community of 450,000 acts as a catalyst for enhanced ties. The visit of Prime Minister Dr. Manmohan Singh to Qatar in November 2008 set the tone for significant up-gradation of bilateral ties when it was also agreed that a High Level Monitoring Mechanism will be established to ensure progress and follow up on the visit. Its first meeting was held in February 2009 in New Delhi and the second meeting was held in Doha in November 2009. During the meeting held in November 2009 at Doha, an MoU between India and Qatar to attract Qatari investment into India to the tune of US$ 5 billion was signed.

A delegation led by Shri Murli Deora paid a brief visit to Doha on 16 December, 2009. The Indian side projected to the Qatari side our immediate and medium term requirement of Liquefied Natural Gas (LNG). The visit also underscored the importance of personal interaction between the concerned Ministers of both countries.

**Saudi Arabia**

Indo-Saudi relations are historic and have been further strengthened since the visit by King Abdullah bin Abdul Aziz to India in January 2006. Bilateral ties were also encouraged by economic forces, with energy and information technology constituting the most robust elements in this regard. These relations are enhanced by the presence of the resident Indian community of about 1.78 million. The strong bilateral economic relations were
reflected in the steady growth of bilateral trade, reaching US$ 23 billion, and the visit of several business delegations during the year. Indian investment in the Kingdom crossed US$ 2 billion in 560 projects.

The Eighth meeting of the Indo-Saudi Joint Commission was held in Riyadh from 27-30 October, 2009 and discussed whole gamut of bilateral cooperation. The Indian side was co-chaired by Shri Pranab Mukherjee, Finance Minister. During the visit, Finance Minister had an audience with King Abdullah Bin Abdulaziz, on 31 October, 2009.

Other important events in 2009 include, MoS for Tourism Sultan Ahmed, participating in the "India Tourism Road Show" in Riyadh in October 2009 to enhance cooperation in the field of tourism. The visits from Saudi side included the visit of Saudi Commerce & Industry Minister Abdullah Ahmad Zainal Alireja in August 2009 as Special Envoy of King Abdullah. **Iraq**

India and Iraq have enduring political, economic and cultural ties. The resolution passed by Indian Parliament on 8 April, 2003, provides direction to our policy on Iraq. India stands for an early restoration of sovereignty to the Iraqi people and the right of Iraqi people to freely determine their political future and control their natural resources. For the stability of the region, India has always been for peace and stability of Iraq and stands for absolute sovereignty of Iraq and the right of Iraqi people to freely determine their political future and control its natural resources. India offered its support towards Iraq’s political process, development of constitution, electoral process, census and voter registration.

In response to UN Secretary-General’s cash appeal, India committed US$ 20 million for assistance to the Iraqi
people. India has contributed a total of US$ 10 million towards the International Reconstruction Fund Facility for Iraq (IRFFI) for investments, reconstruction and development in Iraq. India currently provides 100 slots to Iraq under Indian Technical and Economic Cooperation (ITEC) programme and 50 Indian Council for Cultural Relations (ICCR) scholarships for higher education under Cultural Exchange Programme Scholarship Scheme (CEP) and General Cultural Scholarship Scheme (GCSS) each year.

Indian Oil Corporation Limited (IOC) has been providing training in India to the Iraqi oil officials on various subjects related with downstream oil sector. India has annually been providing at least 100 slots to Iraq under Indian Technical and Economic Cooperation (ITEC) programme to train Government of Iraq officials. India has been offering 50 slots every year to Iraq for nominating its students for higher studies in India under the ‘Cultural Exchange Programme Scholarship Scheme’ (CEP) and the ‘General Cultural Scholarship Scheme’ (GCSS) organized by the Indian Council for Cultural Relations.

France

Relations between India and France have traditionally been close and friendly. With the establishment of the strategic partnership in 1998, there has been significant progress in all areas of bilateral cooperation through regular high-level exchanges at the Head of State/Head of Government levels and growing commercial exchanges including in strategic areas such as defence, nuclear energy and space. France was the first country with which India entered into an agreement on nuclear energy following the waiver given by International Atomic Energy Agency and the Nuclear Suppliers' Group enabling India to resume full civil nuclear cooperation with the international community. Today our relations are growing fast in important areas for the future, with wide-ranging cooperation in political, economic and cultural fields and on defence, space, science & technology, and education.

Prime Minister Dr. Manmohan Singh visited France from 13-14 July, 2009. He was the guest of honour at the French National Day celebrations (Bastille Day parade). A 400 strong contingent of the Indian armed forces took part in the parade and led the march past. This was the first time ever that Indian troops took part in another country's national day parade. President Sarkozy hosted a lunch in honour of Prime Minister Manmohan Singh, after which PM and the President addressed the larger gathering of invitees to the President’s National Day reception at the Elysée. PM extended an invitation to President Sarkozy and his wife to visit India.

Several performing arts, film festivals, etc are also being held during the period.

**Germany**

Germany is India’s largest trading partner within the EU, second most importance source of technological collaborations globally and an important investor. The year 2009 was especially important as an election year. While India had Lok Sabha elections in April 2009, Germany witnessed hectic political activity with the European Parliamentary elections, election of the Federal President, elections in many Federal states and finally the Bundestag elections in September 2009. In the Bundestag elections, Chancellor Merkel’s Christian Democratic Party (CDU), along with its sister party from Bavaria - the Christian Social Union (CSU), managed to get re-elected for the second consecutive term with a new coalition partner the Free Democratic (Liberal) Party (FDP). The grand coalition of the two major political parties, CDU & the Social Democratic (SPD) came to an end as the people of Germany voted in favour of a growth oriented agenda of the CDU-FDP. While Ms. Angela Merkel took over as Chancellor on 28 October, 2009, Mr. Guido Westerwelle from the FDP took over as the Vice Chancellor and Foreign Minister in a 16-member cabinet. In spite of being an election year, bilateral exchange in terms of important visits continued as in past years. There was significant expansion of bilateral trade and investment ties and a substantial expansion of partnerships in science and technology.

In the field of Science & Technology, following important visits took place. A delegation of Indian Scientist led by Dr. R. Other important events in the field of cooperation in economic and education field included the inauguration of Bavarian-Indian Centre for Business and University Cooperation on 28 July, 2009 at Hof in the Bavarian state of Germany. The erstwhile Minister for Economics & Technology Dr. Karl Theodor Freiherr von Guttenberg and Ambassador jointly inaugurated the centre.

The increasing economic and trade ties generated lot of interest in both the countries as many high-level visits took place in the year 2009. These included a delegation from Lower Saxony led by its Minister for Economics Dr. Phillip Rössler on a visit to Mumbai, Pune, Chennai and Kolkata from 25 April-2 May 2009. Another delegation from Bavaria led by Ms. Emilia Müller, the Bavarian State Minister for European and International Affairs, visited Karnataka from 22-26 July, 2009 to identify concrete projects for implementing the objectives of the
Action Plan for further strengthening cooperation between Bavaria and Karnataka (which was signed on the sidelines of the Global India Business Meeting held in Munich in June 2009).

The visits from the Indian side included a visit of Commerce and Industry Minister Shri Anand Sharma for the first Global India Business Meeting (GIBM), at Munich from 28-30 June, 2009 hosted by the State of Bavaria. CIM’s speeches/interaction focused on Government’s thinking on the policy framework/measures for addressing the impact of the current global economic slow down, ensuring continued investor friendly environment, keeping the economy on fast track, approach towards Doha Round and global financial regulatory infrastructure, Indo-EU and Indo–German economic ties etc. While Shri B. N. Bachegowda, Minister for Labour, Government of Karnataka, led a delegation that visited Germany (Frankfurt & Berlin) from 16-19 June, 2009 to attend meetings related to social protection and to visit important institutions in this area, Shri Murugesh R. Nirani, Karnataka Minister for Large and Medium Industry, represented Karnataka in the German India Business Meeting. A separate programme for Karnataka, namely ‘Spotlight on Karnataka’, was organized to highlight the state’s industrial potential and investor-friendly schemes for attracting investments from global firms. On the margins of the GIBM, Bavarian Minister for Federal and European Affairs, Ms. Emilia Müller and the Karnataka Minister for Large and Medium Industries, Shri Murugesh R. Nirani signed an ‘Action Plan’ on 30 March, 2009 for implementing some concrete projects in the priority areas recognized by the Karnataka-Bavaria MoU.

**Netherlands**

India-Netherlands relations continued to be cordial and friendly during the course of the year. The multifaceted ties saw an all round strengthening with regular exchanges of high level visits from both sides. The trade and investment cooperation remained a key component of the India-Netherlands relationship and showed satisfactory growth despite the global economic downturn. Two-way trade has been growing steadily, and stood at Euro 3.86 billion in 2008. The Netherlands remained among the top ten partners of India both in terms of the volume of bilateral trade with a significant positive balance
of trade for India as well as of the foreign direct investment into India.

The highlight of the year was the Pravasi Bhartiya Divas (PBD) – Europe held in The Hague on 19 September, 2009. This was the third such event in a series of PBDs held abroad by GoI. The Netherlands has a significant presence of Indian Diaspora, close to 200,000. Minister of Overseas Indian Affairs Shri Vayalar Ravi visited the Netherlands to address the Convention. The Dutch side was represented by former Prime Minister Dr. Ruud Lubbers, Minister of Social Affairs and Employment Mr. Piet Hein Donner and Mr. J. Van Aartsen, Mayor of The Hague. The Convention brought prominent members of the Indian Diaspora in Europe on a common platform to discuss the role of the Indian Diaspora in enhancing Indo-European Cooperation, and deliberate on the opportunities and challenges faced by them in the fields of culture, heritage and tradition, as also trade and investment opportunities available for them in India.

The Dutch Minister of Social Affairs and Employment Mr. Piet Hein Donner visited India from 22-24 October, 2009. It was the first State visit hosted by the US President. The US House of Representatives in a rare gesture, adopted, unanimously, a resolution to commend the maturing of India US relations and welcome Prime Minister Dr. Manmohan Singh, to the United States.

On the occasion, the Prime Minister and the US President launched a new phase in the India-US partnership, describing it as a ‘global strategic partnership’. Both Governments reaffirmed that the common ideals and complementary strengths of India and the United States provide a foundation for addressing the global challenges of the 21st century and resolved to build on these to expand the US-India global partnership for mutual benefit, peace, stability and prosperity in Asia, and to make a significant contribution towards a better world.

Prime Minister of India and the US President underscored the compelling need to put in place global institutions “which are both inclusive and effective to meet present and future challenges and committed themselves to achieving genuine reform of the United Nations including in its Security Council in a manner that reflects the contemporary realities of the 21st century” and thereby “enhances its ability to carry out its mandate as a
representative, credible and effective forum for meeting the challenges of the new century". Their discussions covered the need to have an “open and inclusive architecture” for cooperation in the Asia-Pacific region. They welcomed the emergence of the G-20 as a premier forum to deal with international economic issues. Both leaders reiterated their commitment to strengthen and reform the global economic and financial architecture in the G-20, World Bank and the IMF.

Both leaders reviewed the bilateral relationship, welcomed the understandings reached on bilateral co-operation in agriculture, education, health, clean and efficient energy while addressing the impact of climate change and also discussed the next steps to take new initiatives and further bilateral co-operation in these areas. They discussed global issues of shared interest and regional issues of immediate concern to both Governments – particularly the threat of terrorism emanating from India’s immediate neighbourhood. They underscored the absolute imperative to bring to justice the perpetrators of the Mumbai attacks of 26 November, 2008 and the need for resolute and credible steps to be taken to eliminate safe havens and sanctuaries that provide shelter to terrorists and their activities.

Both leaders reaffirmed a shared vision of a world free of nuclear weapons and pledged to work together, as leaders of responsible states with advanced nuclear technology, for global non-proliferation, and universal, non-discriminatory and complete nuclear disarmament. They agreed to consult each other regularly and seek the early start of negotiations on a multilateral, non-discriminatory and internationally verifiable Fissile Material Cut-off Treaty at the Conference on Disarmament.

UNP

64th Session of the UN General Assembly

External Affairs Minister Shri S. M. Krishna led the Indian delegation to the General Debate of the 64th session of the UN General Assembly (UNGA), New York from 20-27 September, 2009. In his address to the UNGA on 26 September, 2009, EAM stressed the need for reform and restructuring of the UN and other global governance structures to effectively meet challenges that confront the current international system. He said that the voice of the developing world, including the small island nations and of Africa, was of principal and core relevance to have truly participatory and global responses to global challenges. In particular, EAM highlighted the need for revitalization of the role of the UNGA and strengthening its role in global deliberations; and converting the UN Economic and Social Council (ECOSOC) into a strong body for development; and reforming the UN Security Council and making it more representative by expanding its permanent and non-permanent membership.

Speaking of the economic and financial crisis, External Affairs Minister said that the international response should not be limited to measures to stimulate economies but more importantly, include ways to restructure the current international governance system which failed to respond to the crisis. He pointed out that hard-won gains in alleviating poverty, hunger, illiteracy and disease were being reversed and the achievements of the Millennium Development Goals were seriously threatened by the economic turmoil. It was imperative, he said, that the United Nations act in concert to coherently overcome these challenges and the developing countries receive priority in any global response to the crisis.

Underlining the central role of international trade and commerce in revitalizing global economic growth, External Affairs Minister reiterated India’s commitment to negotiations in the Doha Development Round and called for their resumption at an early date. He said that India strongly favoured fair and equitable rule-based multilateral trade negotiations, which recognized and address the legitimate demands of the developing countries.

On climate change, External Affairs Minister said that India would work for an outcome at the Copenhagen Conference that recognized the development imperatives of developing countries and was rooted in the principle of common but differentiated responsibilities and respective capabilities. He stressed the need to move away from concentrating on ‘mitigation’ only and ensure that there was focus on adaptation, which was critical for developing countries. EAM stressed that developing countries must be supported financially, technologically and with capacity building resources so that they could cope with the immense challenges of adaptation and special efforts were required to develop programmes that addressed the critical needs of Small Island States and of the most vulnerable countries. In this context, he mentioned the hosting of a high-level global conference on “Climate Change: Technology Development and Transfer” (22-23 October, 2009) by India in cooperation with the UN. EAM also spoke about domestic measures taken by India such as the National Action Plan on Climate Change with separate eight National Missions, including Missions for Enhanced Energy Efficiency and Solar Energy, doubling the budget for forestry in 2009 to US$ 1.3 billion, setting ambitious goals, supporting and facilitating major research to assess various aspects related to climate change.

Underscoring the highest priority attached by India to the goal of nuclear disarmament, External Affairs Minister welcomed the renewed global debate on achieving a world free of nuclear weapons. He reiterated India’s proposal for a Nuclear Weapons Convention for banning the production, development, stockpiling and use of nuclear weapons and to provide for their complete elimination within a specified time-frame, first articulated in the Rajiv Gandhi Action Plan in 1988 and mentioned by the Prime Minister at the 63rd UNGA session in September 2008.

Recalling India’s long-standing association with UN peacekeeping operation, External Affairs Minister stressed that strengthening the normative basis for peacekeeping operations and giving major Troop
Contributing Countries (TCCs) a greater say would serve to make peacekeeping more effective.

External Affairs Minister also called upon all countries to make serious efforts to arrive at an early consensus on the text of a Comprehensive Convention on International Terrorism (CCIT) to strengthen the international legal framework of the fight against terrorism.

On the sidelines of the UNGA, External Affairs Minister represented the Prime Minister at the "Summit on Climate Change" organized by UN Secretary General, Mr. Ban ki-Moon on 22 September, 2009. In his intervention at the Round Table, EAM said that India has a major interest in ensuring a substantive and constructive outcome in Copenhagen and would be part of the solution, even though we have not caused the problem. He said that the outcome must be rooted in equity and respect the provisions and principles of the United Nations Framework Convention on Climate Change, especially common but differentiated responsibilities and also historical responsibility. Further, it must also ensure that developing countries can pursue accelerated development, also so that they have the resources to cope and adapt to climate change. The Minister of State for Environment and Forests, Shri Jairam Ramesh and the Special Envoy to Prime Minister on Climate Change, Shri Shyam Saran also attended the meeting on Climate Change.

On the margins of the UNGA Session, External Affairs Minister participated in several high-level multilateral meetings held in New York, namely, 14th Summit Meeting of the Group of Fifteen (G-5) (25 September), IBSA (India, Brazil and South Africa) Ministerial Meeting (21 September), G-5 Foreign Ministers’ meeting (22 September), Commonwealth Foreign Ministers’ Meeting and the Commonwealth Ministerial Meeting on Terrorism (24 September), BRIC (Brazil, Russia, India & China) Ministerial Meeting (24 September), meeting on the 60th anniversary of establishment of UNRWA (24 September), Ministerial meeting of the Group of Fifteen (24 September), Fifth India-GCC Political Dialogue (25 September), G-77 Ministerial Meeting (25 September), and Informal Meeting of SAARC Council of Ministers (26 September). In addition, the Indian delegation also participated in the Ministerial Meeting of the Group of Friends of the Alliance of Civilizations (26 September) and the Ministerial meeting of the International Conference of New or Restored Democracies (ICNRD) (29 September).

Smt. Preneet Kaur, Minister of State for External Affairs participated in the 64th Session of the UNGA and made a statement on 19 October, 2009 on the subject of “Sports for Peace and Development: Building and Peaceful and Better World through Sport and the Olympic Ideal.”

Dr. Shashi Tharoor, Minister of State for External Affairs participated in the 64th UNGA Session and delivered a statement on 20 October, 2009 on the subject of “New Partnership for Africa’s Development: Progress in Implementation and International Support.” Dr. Tharoor also made a statement in the UNGA on 12 October, 2009 during the Commemoration of the 15th Anniversary of the International Conference on Population & Development.

A non-official delegation of India consisting of 18 Members of Parliament participated in the 64th UNGA Session during October-November 2009 and delivered statements on India’s position on a number of topical issues.

India was among the 16 Member States elected as Vice Presidents of the 64th UNGA Session in the elections held in June 2009. The 16 elected members and five permanent members of the Security Council together serve as members of the General Committee of the UNGA.

Third International Day of Non-Violence

UN commemorated the Third International Day of Non-Violence by release of a commemorative stamp and a souvenir card by Dr. Ali Abdussalam Treki, the President of the UN General Assembly and Dr. Asha-Rose Migiro, the UN Deputy Secretary General in an event held at the Dag Hammarskjold Library, New York on 2 October, 2009. The one dollar stamp issued by the UN Postal Administration depicts an artistic rendition of Mahatma Gandhi and was designed by Dr. Ferdie Pacheco. The souvenir card depicts a block of the four new stamps and carries messages from External Affairs Minister of India, Shri S. M. Krishna and the UN Secretary General, Mr. Ban Ki-moon.

Political Issues in the UN

Indian representatives made statements in the UNGA Plenary and its Committees on the issues of reform of the UN Security Council, revitalization of the General Assembly, international terrorism, peacekeeping, peacebuilding, Central Emergency Response Fund, promotion and protection of human rights, protection of civilians in armed conflicts, the situation in Afghanistan, the situation in the Middle East, the Question of Palestine, and support by the UN to the efforts of Governments to promote and consolidate new or Restored Democracies. Highlights of India’s participation in discussions in the UN on main political issues are given below.
Middle East

India remained engaged in the consideration of the Middle East issue in the Fourth Committee as well as the Plenary of the 64th UNGA. India’s statements on the Palestinian issue reiterated its long-standing, historic and steadfast support for the inalienable rights of the Palestinian people including their right to live in a sovereign, independent, viable and united State of Palestine within secure and recognized borders, side by side at peace with Israel as endorsed in the Quartet Roadmap and UNSC Resolutions 1397 & 1515. India’s statements also underscored its commitment to support Palestinian people in pursuit of their legitimate goals and their efforts aimed at economic and social development with dignity and self-reliance while reiterating its resolute opposition to all acts of terror and violence.

Stressing on the primacy of humanitarian concerns in the Gaza Strip, India called for an end to Israeli settlements in the occupied Palestinian territory and easing restrictions on free movement of goods and persons within Palestine. India condemned in the strongest possible terms the violations of international humanitarian law and human rights law committed during the Gaza conflict in December 2008-January 2009 and called for the unqualified adherence by all the concerned parties to the relevant instruments of international humanitarian law and human rights law. India voted in support of the Resolution on the UN Fact-Finding Mission on the Gaza Conflict at the UN Human Rights Council and also at the UN General Assembly. At the same time, India expressed its reservations on some of the recommendations made by the UN Fact-Finding Mission on the Gaza Conflict, including on involvement of the International Criminal Court and the UN Security Council as well as on some of the procedures adopted by the Mission.

India enhanced its contribution to the UN Relief Works Agency (UNRWA) during 2009 which was 60th anniversary year for its establishment for undertaking relief work in the occupied Palestinian territories. India also provided US$ 10 million as budget support to the Palestinian National Authority after the International Conference to Support the Palestinian Economy for the Reconstruction of Gaza held in Sharm-el-Sheikh in March 2009.

The Prime Minister in his message on the occasion of the International Day of Solidarity with the Palestinian People stated that concerted and all round action is necessary to invigorate the peace process with the objective of achieving a durable, comprehensive and just settlement.

Reform of the UN Security Council

India remained actively engaged in the pursuit of a genuine and comprehensive reform of the UN Security Council, involving expansion in both its permanent and non-permanent membership categories and improvement in its working methods. A significant development in the process of UNSC reform was the commencement of intergovernmental negotiations in informal plenary of the UN General Assembly in March 2009. Three rounds of negotiations took place from March-September 2009 in during the 63rd UNGA session. During these negotiations, the most delegations clearly expressed their preference for an expansion in both the permanent and non-permanent categories. This aspect was noted in the summaries issued by the Chair of the intergovernmental negotiations.

At the end of the 63rd UNGA session, India, in concert with other G-4 countries (Brazil, Germany and Japan) and other like-minded African, Asian, Caribbean and Pacific Island states, successfully worked for adoption by the UNGA of a resolution that called for immediate resumption of the negotiations in the 64th UNGA, building on progress achieved in the 63rd Session. The fourth round of negotiations was held in December 2009. Subsequently, the G-4 countries and South Africa mobilized 138 countries to sign a petition to the Chair of the negotiations, requesting him to present a text on which negotiations could proceed.

Terrorism

Strengthening international cooperation for prevention and suppression of terrorism remained a key priority for India’s engagement at the United Nations. In this context, India continued its engagement with other countries for early conclusion of negotiations on the draft Comprehensive Convention against International Terrorism (CCIT). External Affairs Minister Shri S. M. Krishna, in his address to the 64th Session of the UN General Assembly in October 2009, stressed the importance of Comprehensive Convention in fight against international terrorism and urged member states to finalize and adopt the draft CCIT without further delay. India continued to support the implementation of the Global Counter Terrorism Strategy adopted by the UN General Assembly in 2006 and the institutionalization of the UN Counter-Terrorism Implementation Task Force (CTITF). India maintained close cooperation with UN agencies dealing with counter-terrorism. Mr. Richard Barrett, Coordinator of the Monitoring Team of the Security Council Committee established pursuant to UNSC resolution 1267 on Al-Qaida and Taliban, visited India.
in September 2009 to discuss cooperation in implementation of counter-terrorism.

**Peacekeeping**

India participated actively in the policy debate on UN peacekeeping and made three statements in the UN Security Council during 2009 on peacekeeping related issues. India also made a statement in a debate on Protection of Civilians in UN Peacekeeping Operations in the UN Security Council. In addition, India continued its engagement with the UN Security Council Working Group on Peacekeeping Operations as well as participated in other plurilateral initiatives in the area of peacekeeping.

India is one of the oldest, largest and consistent contributors to the UN peacekeeping operations. In 2009, India was the third largest troop contributor with around 8,760 military personnel deployed with nine UN Peacekeeping missions. The largest Indian presence was in the UN Mission in Democratic Republic of Congo (4,547), followed by the UN Mission in Sudan (2,677). The high standards of performance consistently maintained by the Indian troops and policemen deployed on UN Missions under challenging circumstances have won them high regard world-wide.

**UN Democracy Fund**

India continued to play a prominent role in the UN Democracy fund launched in 2005 to assist projects that consolidate and strengthen democratic institutions and facilitate democratic governance. India is one of founding members and the second largest contributor to UNDEF with US$ 20 million. Since its inception, UNDEF has committed approximately US$ 80 million for around 271 projects in three rounds. During 2009, the Advisory Board of the UNDEF met twice, in April and October. It was recommended in the last Board meeting in October 2009 to launch the fourth round of funding of new projects. In the Advisory Board as well as in the Expert group meetings, India has focused on effective monitoring of projects and proper utilization and disbursement of funds.

**High Level UN Conference on South-South Cooperation**

Smt. Preneet Kaur, Minister of State for External Affairs led the Indian delegation to the High Level United Nations Conference on South-South cooperation at Nairobi, Kenya from 1-3 December 2009. In her address at the Conference on 2 December, 2009, she underlined India’s steadfast commitment and efforts to advance the collective cause of the South, bilaterally as well as in the framework of regional and multilateral groupings. She also urged the UN to expand South-South Cooperation and facilitate enhanced triangular cooperation by bringing in resources from the North and harnessing the Southern capacities, expertise and experience.

**Other International Organizations**

**Non Aligned Movement**

Prime Minister Dr. Manmohan Singh led the Indian delegation to the 14th Summit of the Non-Aligned Movement (NAM) in Sharm-el-Sheikh, Egypt from 15-16 July, 2009. The two themes of the Summit were ‘The Current Economic and Financial Crisis’ and ‘International Solidarity for Peace and Development’. PM in his statement at the Summit highlighted the importance of NAM, particularly, in addressing global challenges of food security, energy security, climate change and reform of the international institutions. Expressing serious concern on international terrorism, PM called for an early agreement on the Comprehensive Convention on International Terrorism (CCIT). External Affairs Minister Shri S. M. Krishna led the Indian delegation to the NAM Ministerial meeting held from 13-14 July, 2009 just before the NAM summit. EAM also participated in the Ministerial Meeting of the NAM Committee on Palestine held on 13 July, 2009.

Shri E. Ahamed, the then Minister of State for External Affairs, led the Indian delegation to the Ministerial Meeting of the Non-Aligned Movement Coordinating Bureau held in Havana, Cuba from 29-30 April, 2009 to prepare for the NAM Summit. The Final Document adopted by the NAM Ministerial meeting, inter-alia, strongly condemned the heinous terrorist attack in Mumbai from 26-29 November, 2008 and called for international cooperation against the perpetrators, organizers, financiers and sponsors of the reprehensible attack.

**The Commonwealth**

Largest among the 54 member-states of the Commonwealth, India is among the leading contributors to its activities and fifth largest contributor to its budget. India provides the largest number of technical experts after UK under the Commonwealth Fund for Technical Cooperation (CFTC) for providing assistance to developing Commonwealth countries and contributed US$ 1 million to the fund in 2009-10. India has also committed Euro 1 million to the Commonwealth Connects Special Voluntary Fund created at CHOGM.

External Affairs Minister Shri S. M. Krishna took part in the pre-CHOGM Foreign Ministers meeting held in Port of Spain from 25-26 November, 2009. The theme of CHOGM 2009 was: ‘Partnering for a more equitable and sustainable future’. The Indian delegation played an active role in the finalization of the 2009 CHOGM Communiqué and other stand alone statements including one on Climate Change. During the CHOGM 2009, Prime Minister announced the following additional initiatives by India for the Commonwealth:

a) A fully financed Diplomatic Training Module for Commonwealth countries in the Foreign Service Institute, New Delhi beginning in 2010.

b) India will underwrite the cost of the first phase of the Commonwealth Partnership Platform Portal (CP3).

c) As host to the Commonwealth 2010 Games, India will fund the post of a Sports Development Adviser in the Commonwealth Secretariat for four years.

d) An additional 250 slots for training for the Commonwealth countries under India’s International Technical and Economic Cooperation (ITEC) programme.

e) A contribution of US$ 80,000 per annum for a newly established Commonwealth Small States Joint Office in Geneva.

f) Doubling of India’s contribution to the Commonwealth Media Development Fund to US$ 120,000, spread over a period of two years.

g) Support for Commonwealth Secretary General’s initiative to convene a body of National Elections Commissions to share experiences and learn lessons from each other.

The Government of India announced several initiatives and projects to mark 2009 as the 60th anniversary year of the creation of the Modern Commonwealth, including release of commemorative stamps and first day covers and release of commemorative coins of Rs. 100 and Rs. 5 denominations.

**Contact Group on Piracy off the Coast of Somalia**

India continued its participation in the deliberations of the Contact Group on Piracy off the Coast of Somalia (CGPCS) established in January 2009 as an international forum of countries and organizations interested in combating piracy in the Gulf of Aden and off the coast of Somalia. India is a founding member of CGPCS which currently includes 45 countries and seven international organizations (UN Secretariat, NATO, the European Union, the African Union, the League of Arab States, INTERPOL and International Maritime Organization) along with two maritime industry groups, BIMCO and INTERTANKO, who take part as Observers.

**Community of Democracies**

Minister of State of External Affairs Dr. Shashi Tharoor represented India at the 5th Ministerial Conference of Community of Democracies (CoD) hosted by Portugal as the Chair of the group in Lisbon from 11-12 July, 2009. The conference held three thematic sessions on “Implications of the Current Financial and Economic Crisis in Democratic Governance, Democratic Governance and Development and Future Challenges for the Community of Democracies”. India is a member of the Convening Group of the CoD, which is a forum of democratic countries to promote strengthening of the democratic form of governance throughout the world.

**Economic issues**

External Affairs Minister Shri S. M. Krishna led the Indian delegation to the General Debate of the 64th session of the UN General Assembly in September 2009. In his address to the UN General Assembly on 26 September, 2009, External Affairs Minister stressed on the need for deeper introspection on whether the United Nations and other global governance structures are geared to effectively meet the challenges that confront the current international system. He said that the reform and restructuring of the global governance architecture is the critical need of our times and the voice of the developing world, including the small island nations and Africa, is of principal and core relevance, if we are to have truly participatory and global responses to global challenges.

External Affairs Minister said that in the face of the current economic and financial crisis, hard-won gains in alleviating poverty, hunger, illiteracy and disease are being reversed and the achievements of the Millennium Development Goals are seriously threatened. He added that it is imperative that the United Nations act in concert to coherently overcome these challenges. India, which is actively engaged in the G-20 and other processes, has always stressed that developing countries must receive priority in any global response to the crisis.
External Affairs Minister expressed India’s commitment to negotiations in the Doha Development Round and stated that India strongly favoured fair and equitable rule-based multilateral trade negotiations, which recognize and address the legitimate demands of the developing countries. He also recalled India’s efforts in resuming the negotiations at an early date, in particular, the international ministerial level conference held in New Delhi on 3-4 September, 2009.

Ms. Praneet Kaur, Minister of State for External Affairs also participated in the 64th Session of the United Nations General Assembly and made a statement on the subject of “Sports for Peace and Development: Building and Peaceful and Better World through Sport and the Olympic Ideal.”

Dr. Shashi Tharoor, Minister of State for External Affairs participated in the 64th Session of the United Nations General Assembly and made a statement on the subject of “New Partnership for Africa’s Development: Progress in Implementation and International Support.”

Smt. Meira Kumar, Speaker, Lok Sabha attended the Second Meeting of the Preparatory Committee of the Third World Conference of Speakers of Parliaments held in New York from 16-17 November, 2009.

**Commission on Sustainable Development**

India participated actively in the work of the Commission on Sustainable Development, the high-level commission within the UN system for sustainable development with the role of reviewing and promoting the implementation of Agenda 21 and Johannesburg Plan of Implementation. MoS (Environment and Forests) Shri Namo Narain Meena led the Indian delegation to the 17th session of the Commission, held in New York from 4-15 May, 2009. This was a policy session of the two-year implementation cycle, and focused on the thematic cluster of Agriculture, Rural Development, Land, Drought, Desertification, and Africa.

**UN Forum on Forests**

India participated in the Eighth session of the UN Forum on Forests (UNFF 8), held in New York from 21 April-1 May 2009. India also participated in the special session of UNFF 9, held in New York on 30 October, 2009.

**Humanitarian Affairs/Disaster Risk Reduction**

India maintained a close contact with the two main organizations based in Geneva in this area, namely, United Nations Office for the Coordination of Humanitarian Affairs (UNOCHA) and United Nations International Strategy for Disaster Reduction (UNISDR). A High-Level delegation led by Shri. Mullappally Ramachandran, Minister of State for Home Affairs participated in the second session of the Global Platform for Disaster Risk Reduction convened by UNISDR in Geneva from 16-19 June, 2009.

Ms. Margareta Wahlström, United Nations Assistant Secretary-General and Special Representative for Disaster Risk Reduction visited India at the invitation of the National Institute of Disaster Management to attend the second Disaster Management Congress of India from 4-6 November, 2009.

**United Nations High Commissioner for Refugees (UNHCR)**

Mr. Antonio Guterres, UN High Commissioner for Refugees visited India from 1-2 December, 2009. This was his second visit to India, coming after his initial visit of 2006 and the first round of formal bilateral consultations held at the UNHCR headquarters in Geneva in 2008. The discussions were fruitful and presented an opportunity to share India’s experience and expertise besides an exchange of views on present challenges to the international protection agenda.

India participated in the 60th session of the Executive Committee of the UNHCR’s programme which was held in Geneva from 28 September-2 October 2009.
Social and Human Rights Issues

India actively participated in the debate in the United Nations General Assembly plenary on various agenda items including report of the Human Rights Council, follow-up to the commemoration of the 200th anniversary of the abolition of the transatlantic slave trade, support by the United Nations System of the efforts of Governments to promote and consolidate new or Restored Democracies, Results of the High-Level segment of the 52nd Session of the Commission of Narcotic Drugs. Interventions were also made on issues related to social development, advancement of women, rights of the child, elimination of racism and racial discrimination, right of peoples to self determination, crime prevention and criminal justice and report of the UN High Commissioner for Refugees.

India also participated in the debate at the Third Committee of the General Assembly, which examines social, humanitarian affairs and human rights issues. The Committee held interactive dialogues with 27 Special Procedure mandate-holders, Chairpersons of Human Rights Treaty Bodies and Chairpersons of Working Groups of the Human Rights Council. UN High Commissioner for Human Rights also briefed the Third Committee about her office’s work and priorities.

Commission on the Status of Women

The Commission on the Status of Women (CSW) held its fifty-third session from 2-13 March, 2009. India is a member of the Commission since 2009 for a four year period. Joint Secretary, Ministry of Women and Child Development, among others, represented India in the meeting. The priority theme this year was ‘equal sharing of responsibilities between women and men, including care-giving in the context of HIV/AIDS’. In addition to the agreed conclusions, the Commission also adopted a number of resolutions on issues related to women, including the situation of and assistance to Palestinian women; the girl child and HIV/AIDS.

Second meeting of the State Parties to the Convention on the Rights of Persons with Disabilities

India participated in the Second meeting of the State Parties to the Convention on the Rights of Persons with Disabilities held from 2-4 September, 2009. Additional Secretary, Ministry of Social Justice and Empowerment represented India at the meeting. The focus of the meeting was to encourage countries to become States Parties to the Convention. Interactive discussions were also held on the implementation of the Convention, especially in the fields of physical accessibility, reasonable accommodation, access to justice and decision making process; as well as on the legislative measures for the implementation of the Convention at national level. At present there are 66 States Parties to the Convention.

Observance of the Third International Day of Non-Violence at the UN

India commemorated the Third International Day of Non-Violence in the UN which was marked by the unveiling and issue of a commemorative stamp by the UN Postal Administration. The one dollar stamp which was issued by the UN Postal Administration depicts an artistic rendition of Mahatma Gandhi and was designed by Dr. Ferdie Pacheco. The souvenir card depicts a block of the four new stamps and carries brief messages from External Affairs Minister of India Shri S. M. Krishna and the UN Secretary General, Mr. Ban Ki-moon.

Human Rights Council

The Human Rights Council maintained a busy schedule during 2009, having successfully operationalized the mechanisms outlined in the institution-building package by the fourth year of its existence. Besides the three regular sessions, the Council held four Special sessions (two on the situation in the Occupied Palestinian Territory, one on Sri Lanka and one on the impact of the global economic and financial crisis on the enjoyment of human rights). The Council also held three Universal Periodic Review (UPR) sessions, reviewing the situation of human rights in 48 countries. In addition to the sessions of the Advisory Committee, Social Forum, Forum on Minority Issues and the Expert Mechanism on Indigenous Peoples, the Council held sessions on the Right to development and on the elaboration of Complementary Standards as well as an Optional protocol to the Convention on the Rights of the Child. The Durban Review Conference on Racism was held from 20-24 April, 2009, with several preparatory as well as follow-up sessions of the Working Group held during the year.

In keeping with its traditional commitment to human rights and values, India actively participated in all sessions, in a constructive and inclusive manner, with a view to enhancing the effectiveness of the Council in promoting and protecting human rights the world over. Our approach was guided by our firm belief that the objectives of the Council can be best pursued through dialogue and co-operation. The salient aspects were as follows:

- Ms. Navanetham Pillay, United Nations High Commissioner for Human Rights, visited India from 22-24 March, 2009, the first such visit in over a
The high-level discussions resulted in a frank exchange of views and an open dialogue about the situation of human rights in the country.

- India was represented by Special Secretary (Political & International Organizations) at the High-Level segment of the Durban Review Conference held from 20-22 April, 2009.
- India actively contributed to the preparations for the Durban Review Conference on racism, inter-alia, as a Member of the Preparatory Committee Bureau.
- India served as a Rapporteur on the Troika for the Universal Periodic Review of China, Bhutan and Vanuatu; and chaired the Troika for both China and Bhutan.
- India served as the Regional Coordinator of the Asian Group on human Rights issues till October 2009.
- Mr. Okechukwu Ibeanu, Special Rapporteur on the Adverse Effects of Movement and Dumping of Toxic and Dangerous Products and Waste visited India from 11-21 January, 2010.

A number of eminent Indians continued to serve with distinction as members of important Treaty Monitoring Bodies and human rights mechanisms. These include Shri P. N. Bhagwati (Member, Human Rights Committee), Shri Chandrashekhur Dasgupta (Member, Committee on Economic, Social and Cultural Rights), Shri Dilip Lahiri (Member, Committee on Elimination of Racial Discrimination), Ms. Indira Jaisingh (Member, Committee on the Elimination of Discrimination against Women) and Shri Arjun Sengupta (Chairperson, Inter-Governmental Working Group on the Right to Development). Shri Anand Grover continued to discharge his mandate as Special Rapporteur on the right of everyone to the enjoyment of the highest attainable standard of physical and mental health.

**Elections**

After a successful campaign, India won the election as a member of the Executive Council of the IOC at the elections to be held during the 25th Session of the IOC General Assembly from 16-25 June, 2009 at UNESCO in Paris.

After a successful campaign, India won the election to the council of the International Maritime Organization (IMO) under Category ‘B’ during the 26th Session of the Assembly of the IMO to be held in London from 23 November-4 December 2009.

India was appointed as the External Auditor for the International Organization for Migration for the period 2010-12, after a successful campaign.

**Climate Change Negotiations and United Nations Framework Convention on Climate Change (UNFCCC)**

India has taken initiative in facilitating international dialogue and discussion on critical climate change issues that are important for developing countries. In this context, in the area of technology transfer, India hosted a high-level global conference on “Climate Change: Technology Development and Transfer” from 22-23 October, 2009 in New Delhi in collaboration with the United Nations. The conference brought together governments, experts, industry representatives and civil society from a number of countries to help formulate a roadmap for technology in the context of climate change mitigation and adaptation to support the multilateral negotiations under the UN Framework Convention on Climate change (UNFCCC). The conference provided important inputs to the ongoing UNFCCC negotiations.

External Affairs Minister attended a High Level Event on Climate Change, described as “Summit on Climate Change”, hosted by the UN Secretary General at the sidelines of the UN General Assembly in New York on 22 September, 2009, where leaders from all over the world were invited to deliberate on the issue of climate change. The objective of the Summit was to mobilize the political will and vision needed to reach an ambitious agreed outcome based on science at the ongoing multilateral negotiations under UNFCCC. It was not a negotiating forum. EAM was assisted during the meeting by MoS (Environment & Forests) and Special Envoy of Prime Minister Shri Shyam Saran on Climate Change.

A large Indian delegation comprising officials, Parliamentarians, civil society members and youth attended the 15th meeting of Conference of Parties (COP-15) on climate change held at Copenhagen from 7-18 December, 2009. While MoS (Environment & Forests) and Special Envoy of Prime Minister on Climate Change led the Indian side during the negotiations at COP-15; the high-level segment of the conference, which was held from 16-18 December, 2009 and saw the participation of Heads of States/Governments of almost 120 countries, was attended by Prime Minister Dr. Manmohan Singh on 18 December, 2009. The conference witnessed continued sharp division between developed and developing countries. As a result, COP-15 could not achieve the conclusion of negotiations.
on the twin tracks of AWG-LCA (Ad-hoc Working Group on Long Term Cooperative Action – relating to enhanced implementation of UNFCCC under Bali Action Plan) and AWG-KP (Ad-hoc Working Group on further commitments for Annex-I Parties under the Kyoto Protocol – relating to emission reduction commitment of the Annex-I Parties for the second commitment phase of the Kyoto Protocol), as mandated by the Bali Roadmap. However, the COP-15 took decisions to mandate the continuance of this twin-track negotiating process started at the Bali Conference to reach an agreed outcome at the 16th Conference of Parties (COP-16) to be held in Mexico in November-December 2010.

In a parallel development at COP-15, in a “Friends of the Chair” process, where India was a participant, convened by the Danish hosts among 25-30 countries, a “Copenhagen Accord” was finalized, which deals with the various elements of the Bali Action Plan relating to the issues of mitigation, adaptation, financing and technology, without setting any legally binding targets. However, the Conference of Parties did not adopt the Copenhagen Accord as initially expected and merely “took note of” it, due to continued reservations of a few countries. The Accord thus is neither legally binding nor constitutes a mandate for any new negotiating process under the UNFCCC.

India was represented at official level in the climate change negotiations at AWG-LCA and AWG-KP under the UNFCCC preceding COP-15 at Copenhagen. These included meetings of AWG-LCA and AWG-KP in Bonn (29 March-8 April 2009 and 10-14 August, 2009), Bangkok (28 September- 9 October 2009) and Barcelona (2-6 November, 2009).

India hosted Ministerial-level consultation of four major developing economies (Brazil, South Africa, India and China – also known as the BASIC group) in New Delhi on 24 January, 2010 to take stock of the Copenhagen outcome and the direction of future negotiations under the UNFCCC.

In addition, India actively participated in a number of major international forums with focus on climate change and related issues. Prime Minister attended the summit meeting of Major Economies Forum on Energy and Climate (MEF) comprising 17 major economies of the world, held at L’Aquila (Italy) on 9 July, 2009, on the sidelines of the G-8+five Summit (group of eight most industrialized countries – USA, UK, France, Germany, Italy, Canada, Japan and Russia, and their outreach interaction with group of five major developing economies – India, China, Brazil, Mexico and South Africa). India was represented at official level, including representative from MEA, in the Asia Pacific Partnership on Clean Development and Climate (APP) – a voluntary partnership of seven Asia-Pacific countries (Australia, China, India, Canada, Japan, Republic of Korea, and United States) to accelerate the development and deployment of clean energy technologies – held in Shanghai from 26-27 October, 2009.

Migration
India continued to enhance its engagement at the international level on migration issues, ever since becoming a Member of the International Organization on Migration (IOM) in June 2008. IOM is already undertaking several projects in India in collaboration with the Ministry of Overseas Indian Affairs which are aimed at improving conditions for Indian workers abroad.

India conducted a successful campaign resulting in the election of the Comptroller and Auditor General of India (CAGI) by a large majority for the post of the External Auditor of IOM for the period 2010-2012.

A delegation led by India’s Permanent Representative to United Nations Offices in Geneva represented India at the third meeting of the Global Forum on Migration and Development (GFMD) held in Athens from 4-5 November, 2009. India became a Member of the Steering Group of GFMD in 2009 and attended the preparatory meetings of the Friends of the Forum as well as the Steering Group in Geneva.

United Nations Office on Drugs and Crime (UNODC)
Additional Secretary, Ministry of Home Affairs led the four member delegation to attend the 18th session of Commission of Crime Prevention and Criminal Justice, which was held in Vienna from 16-24 April, 2009.

United Nations Educational Scientific and Cultural Organization (UNESCO)
As a founder member of UNESCO India plays a key role in all its core mandates and is often a bridge between developed and developing countries in its role as negotiator, facilitator and consensus builder.

The most significant achievement from India’s perspective was the adoption by consensus of India’s proposal for the establishment of the Mahatma Gandhi Institute of Education for Peace and Sustainable Development in New Delhi, India as a UNESCO Category-1 Institute. The Institute is the first to be established in the Asia Pacific Region and only the Third in a developing country.
Prime Minister, Dr. Manmohan Singh addressing the 15th United Nations Climate Change Conference, at Copenhagen on 18 December, 2009.

Prime Minister, Dr. Manmohan Singh along with the Heads of Commonwealth countries with the Queen Elizabeth II, at CHOGM 2009, in Port of Spain on 27 November, 2009.
India was re-elected as a member of the Executive Board where India has been continuously a Member since 1947. Our victory was due to our high profile in UNESCO especially on issues of concern to developing countries, India's role as a bridge between North and South on key issues and our democratic, pluralistic, multi-cultural and secular credentials. Dr. Karan Singh was nominated by Government of India as India’s representative to the Executive Board.

At our invitation the outgoing Director General of UNESCO, Mr. Koichiro Matsuura paid his fifth official visit to India from 10-11 November, 2009. This was a special gesture as this was his last official visit before demitting office on 15 November, 2009. The new Director General, Ms. Irina Bokova also accepted India's invitation to make her first official visit as Director General to India from 11-14 January, 2010.

Inter-Parliamentary Union (IPU)

The 121st Assembly of the IPU was held in Geneva from 19-21 October, 2009. An Indian delegation of Parliamentarians headed by Speaker of Lok Sabha Smt. Meira Kumar participated in the deliberations.

Important items of agenda included (i) Debate of emergency item (ii) Briefing and debate on progress of UN reform followed by an update on UN Climate Change Conference and discussion (iii) Launch of Handbook of Missing Persons (iv) Discussion on UN Development Cooperation Forum and Implementation of UPU Resolution on Foreign Aid (v) Panel discussion on HIV/AIDS – Universal Access to Prevention Treatment and Care.

A two-member delegation comprising Dr. (Smt.) Bocha Jhansi Lakshmi MP and Smt. Jayanthi Natarajan, MP visited Geneva to attend the Fourth Conference of the members of Parliamentary Committees on the Status of Women and other Committees dealing with Gender Equality from 28-29 September, 2009.

UN Commission on Science, Technology and Development (CSTD)

The 12th Annual Session of the UN Commission on Science, Technology and Development (CSTD) was held in Geneva from 25-29 May, 2009. The Session included a Ministerial segment and reviewed the progress made in the implementation of the outcomes of the World Summit on Information Society (WSIS), while considering two priority themes, “Development-oriented policies for an inclusive information society” and “Science, technology and engineering for innovation and capacity-building in education and research”. India was represented in the meeting and participated actively in discussions on identifying ways to narrow the global digital divide and integrating science, technology and innovation policies into national development plans.

World Meteorological Organisation (WMO)

A delegation of officials and scientists led by Secretary, Ministry of Earth Sciences attended the World Climate Conference-3 (WCC-3) which was held in Geneva from 31 August-4 September 2009. Main items of the agenda included (i) Economic and social benefits of climate information (ii) Advancing climate prediction science (iii) Round table discussion on Climate adaptation and the Copenhagen process (iv) Climate extremes, warning systems and disaster risk reduction.

World Health Organization (WHO)

India participated in the 62nd World Health Assembly from 18-22 May, 2009. India was elected to the Executive Board of WHO for a three-year term starting 2009. India continued to emphasize on the need for focusing on primary healthcare, improving health services, promoting access to essential medicines, and encouraging full use of Trade Related aspects of Intellectual Property Rights (TRIPS) flexibilities to address public health concerns in the WHO forum.

India remained engaged with the Inter-Governmental process for finalization of the Pandemic Influenza Preparedness Framework (PIPF). In the context of the A/H1N1 pandemic (Swine Flu), the framework has acquired increasing relevance. India continued to emphasize that both benefit-sharing and access to pandemic influenza material should be equitably addressed in the framework to ensure availability of vaccines and medicines to all affected populations. We have been engaged in the ongoing consultations for formulating a global strategy on reducing the harmful effects of alcohol and have called for evolving the strategy through the prism of public health
concerns. India has also been taking part in the ongoing Inter-Governmental negotiations for a protocol on illicit trade in tobacco products under the umbrella of Framework Convention on Tobacco Control (FCTC).

**International Labour Organization (ILO)**

India participated in the 98th Session of the International Labour Conference (ILC) of ILO from 3-19 June, 2009, which endorsed the Global Jobs Pact as an employment-focused policy tool for addressing the labour consequences of the ongoing economic crisis. Shri Mallikarjun Kharge, Minister of Labour and Employment participated in the deliberations of the high-level segment of the ILC from 15-16 June, 2009 and spoke of the labour oriented social policies in India. India showcased the various initiatives undertaken to address the economic crisis and the focus being given to the social segments of economic activity. In that context, the social protection and unemployment benefits to protect the vulnerable sections of society that were launched in India have been welcomed in the ILO. The National Rural Employment Guarantee Scheme (NREGS), as an important social safety net; the Rashtriya Swasthya Bima Yojana (RSBY) as a national health insurance scheme for below poverty line families in the unorganized sectors; the National Skills Development Policy (NSDP); the New Pension Scheme (NPS) as a voluntary social security net have gained recognition as important social protection measures within the ILO constituents.

**Follow-up to the World Summit on Information Society (WSIS)**

The Fourth Annual Meeting of the Internet-Governance Forum (IGF) was held in Sharm-el-Sheikh, Egypt, from 15-18 November, 2009. A delegation from the Ministry of Information & Technology represented India in this meeting whose theme was “Internet-Governance - Creating Opportunities for All”. It examined issues such as access and diversity, security, openness and privacy, internet-governance and managing internet resources. The meeting recognized the internet as an enabler for economic growth and social development, and emphasized the need for bridging the digital divide.

**International Standards Organisation (ISO)**

The 45th Meeting of the ISO Technical Management Board (TMB) was held in Geneva from 9-11 June, 2009. Additional Director General, Bureau of Indian Standards, Ministry of Consumer Affairs, Food and Public Distribution participated in the Meeting.

**International Telecommunication Union (ITU)**

Shri A. Raja, Ministry of Communications and I.T. led the official delegation to the “ITU Telecom World 2009” which was held in Geneva from 5-9 October, 2009.

A delegation led by Secretary, Ministry of Communications and IT visited Geneva to finalize signing of a Memorandum of Understanding (MoU) relating to hosting of an ITU Conference in Hyderabad next year. The MoU was signed on 20 October, 2009 by Secretary, Ministry of Communication and IT and the Vice Chairman of the ITU.

**Legal and Treaties Division**

The important activities of the Legal and Treaties Division for the year 2009 were as follows:

**Investments Agreements**

During the current year, a bilateral investments promotion and protection agreement (BIPA) with Colombia has been signed and BIPAs with Libya, Myanmar, Mozambique and Bangladesh have been ratified. Instruments of ratifications in respect of BIPAs with Jordan and Serbia have been exchanged in Delhi for bringing the Agreement into force. Negotiations with Canada have been completed and final text is ready for signing. The exploratory talks with United States of America are completed and negotiations with Iran, Uganda, Tunisia, Namibia, Nepal, Estonia and Slovenia are underway.

**Cabinet Notes**

During the year, the draft Cabinet Notes regarding Bilateral Investment Promotion Agreements (BIPA) with Colombia, Lithuania and Seychelles have been circulated and approved. Similarly, draft Cabinet Notes in respect of Air Services Agreement with Bhutan and Air Services Agreement with Bosnia & Herzegovina have been examined and conveyed the concurrence of the Ministry. Further, this Division has also examined and cleared Cabinet Notes on Defence Cooperation with Ecuador, Sweden, Vietnam and UK and Cabinet Notes relating to MoU between Ministry of Panchayat Raj and Ministry of Foreign Affairs, Switzerland regarding proposal to accede to Convention on Control and Marketing of Articles of Precious Metals, proposals to sign Social Security Agreements between India and Switzerland, Denmark and kingdom of Luxembourg. The Division has also examined Cabinet Notes relating to climate change and Clean Development Mechanism projects with Denmark, Norway, Finland and Austria.
During this year, Legal and Treaties Division has examined a number of agreements and tender documents on various projects in India and abroad; gave its opinions on various court cases involving service matters, various passport and consular issues; and also gave inputs and offered legal opinions on a number of RTI requests addressed to the MEA. The Division has processed for the payment of India’s annual contribution to the international organizations like Hague Academy of International Law, Permanent Court of Arbitration, International Institute for the Unification of Private Law (UNIDROIT), Hague Conference on Private International Law (HCCH) and Asia Africa Legal Consultative Organisation (AALCO).

**Social Security Agreements**
This division has actively participated in the negotiations of Social Security Agreements with various countries like Germany, Australia, France, Norway, Canada, Denmark, Korea, Luxembourg and Hungary.

**SAARC**
This division has proposed the draft Headquarters Agreement between the Government of India and the SAARC Museum of Textiles and Handicrafts. Pursuant to the Headquarters Agreement, the museum will be functional in Delhi and the Agreement will also confer certain privileges and immunities on the basis of functional necessity. Further, during the third intergovernmental meeting on South Asian University held in Kathmandu in October 2009, the modalities pertaining to academic plan, business plan and financial outlay has been discussed.

This division has also participated in the third meeting of the Regional Task Force to implement SAARC Convention relating to Trafficking in Women and Children and Promotion of Child Welfare in South Asia.

**Extradition and other International Judicial Assistance**
The Legal and Treaties Division has participated in negotiations on treaties on mutual legal assistance in criminal matters with Bangladesh, Israel and Azerbaijan. As a result, treaties with Bangladesh and Israel were finalized. The division participated in negotiations with Saudi Arabia, Israel and Iran on Agreements on Transfer of Sentenced Persons and the texts of all these treaties were finalized.

The Legal and Treaties Division has examined extradition requests and other requests for international cooperation received from the domestic as well as foreign jurisdictions and rendered legal advice therein.

**Environmental Law**
During the last year the Legal and Treaties Division examined a number of agreements relating to cooperation in the field of environment and natural resources, MoUs between Wildlife Life Research Institutes, marine pollution, climate change and clean development mechanism.

The division participated in the following negotiations relating to biosafety, access to genetic resources and climate change. With respect to biosafety the division was represented at the First Meeting of the “Group Friends of the Chairs” concerning Liability and Redress in the context of the Cartegena Protocol on Biosafety (Article 27) in February 2009. This meeting adopted three documents: a legally binding ‘administrative approach’ on liability resulting from the damage to the conservation and use of the biological diversity from transport, transit, handling and use of Living Modified Organisms, originating in a transboundary context; a non-legally binding principles on civil liability (although some core elements were inserted in the administrative approach on account of the strong pressures by developing countries); and supplementary financial mechanisms. These instruments are to be further negotiated at the second meeting slated in February 2010. As regards access and benefit sharing relating to genetic and biological resources, the division was represented at the: First Meeting of the Group of Technical and Legal Experts established by CoP-9 to the Convention on Biological Diversity (CBD), for drawing up an international regime on Access and Benefit Sharing (ABS), in January 2009; and the Seventh Meeting of the Ad Hoc Open-ended Working Group on Access and Benefit Sharing (ABS), held in April 2009; and the Eighth Meeting of the Ad Hoc Open-ended Working Group on Access and Benefit Sharing (ABS), held on 15 November, 2009. These meetings have produced what is called the Montreal Annex which contains the basic negotiating text on access and benefit sharing of genetic
and biological resources. This Annex contains the core elements on access and benefit sharing of genetic and biological resources.

The division was also represented at the two UN Climate Change Negotiations in Barcelona in November 2009; and CoP 15 of the United Nations Framework Convention on Climate Change, in Copenhagen held in December 2009. These two meetings and earlier ones held in 2009 were instrumental in achieving what is now called the “Copenhagen Climate Change Accord”.

**Tobacco Protocol**

The division was represented at WHO negotiation meetings on a Protocol on Illicit Trade in Tobacco Products. The meetings attended were the: Third Session of the Intergovernmental Negotiating Body (INB-2) on a Protocol on Illicit Trade in Tobacco Products, held in June 2009; First Meeting of the Drafting Group Two to the Intergovernmental Negotiating Body (INB) on Illicit Trade in Tobacco Products, Geneva, held in October 2009; and the Second Meeting of the Drafting Group Two to the Intergovernmental Negotiating Body (INB) on Illicit Trade in Tobacco Products, held in November 2009. The Protocol as it now stands contains a negotiating text with most elements finalized that include the entire supply-chain control and the legal remedies/sanctions for illicit trade in tobacco products.

**Water Resources**

The division participated at the Meeting of the Permanent Indus Commission held in New Delhi, in May-June 2009. The division was also involved in providing inputs and participating in the preparation of the Draft Report of the Inter-Ministerial Group (IMG) regarding Brahmaputra water diversion by China. We also provided inputs/comments on the Ganges River Treaty and concerns raised on the Tipaimukh dam in Manipur. The division also provided numerous comments on various objections raised by Pakistan on the construction of the Kishenganga Hydroelectric Project.

**Antarctica**

The Division was represented at the Legal and Institutional Group Meeting of the 32nd Antarctic Treaty Consultative Committee Meeting (ATCM), held in April 2009, in Baltimore, USA.

**UN and International Law**

**Measures to Eliminate International Terrorism:**

No breakthrough could be achieved in this year’s meeting of the Ad hoc Committee on Terrorism that is negotiating the Comprehensive Convention on International Terrorism (CCIT). While there is considerable support for the new text proposed by the Facilitator that seeks to address the issue of impunity as well as delineation between this Convention and IHL, some delegations did not find the new elements fully reflective of their concerns. In this session the Chairman, to facilitate the discussions, consolidated in a single text the different proposals that have been in circulation for a number of years.

**Counter Terrorism Strategy:** India continues to support the United Nations Global Counter Terrorism Strategy and participated actively in its biennial review last year. India welcomes the institutionalization of the Counter Terrorism Implementation Task Force which will bolster United Nations system’s ability to “deliver as one” and ensure overall coordination and coherence in the counter-terrorism efforts of the United Nations system.

**Special Committee on the Charter of the UN and on the Strengthening of the Role of the Organization:** The Special Committee considers specific proposals made by Member States with a view to enhancing the ability of the United Nations to achieve its purposes, as well as other suggestions for the more effective functioning of the United Nations that might not require amendments to the Charter. The main focus during the meeting in 2009 also remained on the Russian Federation’s working document on “Basic conditions and standard criteria for the introduction and implementation of sanctions imposed by the United Nations”. The Rio Group withdrew the proposed agenda item entitled “consideration of legal aspects of the reform of the United Nations”. Cuba submitted a revised working paper on the proposal submitted by it at the 1997 session entitled “Strengthening of the role of the Organization and enhancing its effectiveness”.

**Administration of Justice at the United Nations:** The Sixth Committee continued the examination of the legal aspects of the topic “administration of justice at the United Nations”, a new internal justice system for the staff of the United Nations and finalized the draft Statutes of the United Nations Dispute Tribunal and United Nations Appellate Tribunal. The General Assembly in March 2009 appointed five judges to serve on the United Nations Dispute Tribunal, and seven for the United Nations Appeals Tribunal key bodies created in 2007 to help bolster the world body’s system of dealing with internal grievances and disciplinary cases. As on 1 July, 2009, the United Nations has a two-tier judicial system to address work-related disputes. However, to avoid unnecessary
litigation, the new system will also promote the informal resolution of conflicts, with strengthened ombudsman and mediation services.

**Oceans and Law of the Sea**

**Fish Stocks Agreement:** The eighth round of Informal Consultations of States Parties (ICSP) to the Agreement for the Implementation of the Provisions of the United Nations Convention on the Law of the Sea relating to the Conservation and Management of Straddling Fish Stocks and Highly Migratory Fish Stocks (UNFSA) was held from 16-19 March, 2009. The substantive theme of this year’s meeting was “Continuing Dialogue,” focusing on promoting wider participation in the Agreement. During the session, participants also discussed the scope of the review to be undertaken at the Review Conference that would resume in 2010.

**UN Open-Ended Informal Consultative Process on Oceans and the Law of the Sea:** The theme of the tenth meeting of the UN Open-Ended Informal Consultative Process on Oceans and the Law of the Sea was “Implementation of the outcomes of the Consultative Process, including a review of its achievements and shortcomings in its first nine meetings”.

Delegations exchanged views on the implementation of the outcomes of ICP since its inception in 1999, including a review of its achievements and shortcomings; inter-agency cooperation and coordination; and identification of issues that could benefit from future work of the UNGA on oceans and the law of the sea. It was decided in the meeting that the ICP should discuss topics linked to sustainable development issues in the context of Law of the Sea.

**Meeting of the States Parties to the UN Convention on the Law of the Sea**

The 19th Meeting of the States Parties to the United Nations Convention on the Law of the Sea was held from 13-20 June, 2008. The States parties were given comprehensive briefings by the heads of the three bodies - the International Tribunal for the Law of the Sea, the International Seabed Authority and the Commission on the Limits of the Continental Shelf and reports on the Tribunal’s external audits and budgetary matters.

The Chairman of the Commission on the Limits of the Continental Shelf highlighted the practical difficulties in managing the Commission’s increased workload, noting that it had received 51 submissions, including joint and partial submissions and 43 sets of preliminary information. In view of the large number of submissions, the Chairman informed, at the present strength of Members and schedule of meetings, the Commission would be able to exhaust the present list only by 2030. (India’s claim will come up in 2027). To address this situation, he said it was necessary that the members of the Commission were available for extended periods of time in New York.

As regards the issue of allocation of seats in the Commission on the Limits of Continental Shelf and the International Tribunal for the Law of the Sea, the West European and Other Groups (WEOG) relinquished their one seat in each of the two bodies which will now be a floating seat available to candidates from Asia, Africa and WEOG. Separately Asian-African States came to a mutual understanding to present a joint Asian African candidate alternately for each of the bodies and support each other to ensure that there is no possibility of WEOG candidate being elected.

The Legal and Treaties Division examines issues related to the law of the sea on agenda of different international forums. At its 64th session, the United Nations General Assembly (UNGA) has adopted two resolutions 64/71 and 64/72 on the agenda items “Oceans and Law of the Sea” and “Sustainable fisheries, including through the 1995 Agreement for the Implementation of the Provisions of the UN Convention on the Law of the Sea of 10 December, 1982 relating to the Conservation and Management of Straddling Fish Stocks and Highly Migratory Fish Stocks, and related instruments.” The Division was actively involved in advising on issues which came up during the finalization of resolutions.

**Contact Group on Piracy Off the Coast of Somalia**

L&T Division has actively participated in the Working Group II on Legal Issues of the Contact Group on Piracy Off the Coast of Somalia. This Working Group has accomplished the assigned tasks such as continuous exchange of information on legal challenges arising from piracy off the coast of Somalia, examination on the possibility of establishing additional mechanism for prosecution of suspected pirates, establishment of
international legal network consisting of legal experts, developing ‘legal tool box’ containing check-lists of steps states may take to ensure that they are able to prosecute suspected pirates, list of impediments and terms of reference for the International Trust Fund. The Working Group was also involved in the compilation of the international legal basis for prosecution, and developing a generic templates on evidentiary standards, “ship rider” agreements, and for drafting a MoU on the conditions of transfer of suspected pirates and armed robbers.

**UNCITRAL:** This Division has participated in the meeting of the 42nd Session of the United Nations Commission on International Trade Law (UNCITRAL) and also the meetings of the UNCITRAL Working Group V and VI dealing with Insolvency Law and Security Interests, respectively. This year the Commission has adopted UNCITRAL Notes on Cooperation, Communication and Coordination in Cross Border Insolvency proceedings. The draft UNCITRAL Model Law on Public Procurement and the Annex to the UNCITRAL Legislative Guide on Secured Transactions are progressing well in their respective Working Groups and will ripe for adoption in 2010. Although Indian membership to UNCITRAL expires on 20 June, 2010, India has been re-elected to UNCITRAL for a six years term beginning on 21 June, 2010 in an election held in General Assembly on 3 November, 2009.

**UNESCO**

This Division has participated in the 15th Session of the UNESCO Inter-governmental Committee for promoting the return of Cultural Property to its country of Origin and also participated in the Legal Committee Meeting held during the 35th Session of the UNESCO’s General Conference in Paris.

**International Civil Aviation Organization (ICAO)**

This division has actively participated in the 34th Session of the ICAO Legal Committee Meeting held in Montreal from 9-17 September, 2009 to discuss and finalize the proposed amendments to the Hague Convention, 1970 and the Montreal Convention, 1971. The amendments, in essence, reflect the idea of advancing both counter-terrorism and counter-proliferation goals. It is proposed to add various acts which States would have to make punishable under their domestic laws. This includes: Use of civil aircraft as a weapon; Use of civil aircraft to unlawfully spread biological, chemical and nuclear substances; Attacks against civil aviation using biological, chemical and nuclear substances; Threats to commit any of these acts; and acts contributing to such acts including abetment, participation, organizing, delivering etc. would be punishable as offences prohibited under the Convention.

In 2009, a Diplomatic Conference at Montreal was convened during April-May 2009 and the Conference adopted the Draft Convention on Compensation for Damages caused by Aircraft to Third Parties, in the case of Unlawful Interference (Unlawful Interference Convention) and also the Draft Convention on Compensation for Damage caused by Aircraft to Third Parties (General Risks Convention) with a view to approving a final draft on each Convention. The texts as finalized during the 33rd Session would be adopted at the Diplomatic Conference to be held at Montreal on 2010.

The L&T Division has actively participated in various multilateral conferences leading to the adoption of various international conventions which include: The International Convention on Compensation for Damages caused by Aircraft to Third Parties, in the case of Unlawful Interference (Unlawful Interference Convention); the International Convention on Compensation for Damage Caused by Aircraft to Third Parties (General Risks Convention); the Hong Kong International Convention for the Safe and Environmentally Sound Recycling of Ships, 2009, that was adopted in May 2009.

**Hague Conference on Private International Law**

India is a Member of the Hague Conference and a Party to three out of four conventions (except the Access to Justice Convention) examined in the Meeting. In addition to the examination of the provisions of the Conventions, the Meeting discussed the practices and procedures followed by States for implementing these Conventions. The interaction at the Meeting enhanced our understanding of the system prevailing in different States and its utility in the effective implementation of the Conventions in States Parties. The Legal and Treaties Division participated actively in the Meeting of the Special Commission.
The division has examined a number of defence co-operation agreements, agreements on international co-operation on peaceful uses of nuclear energy, science and technology agreements, during the year. The Division has vetted International Agreements/MoUs on Cooperation in Drug Control and Prevention of Illicit Trafficking in Narcotic Drugs and Psychotropic Substances and Precursor Chemicals and Related Matters, Economic, Scientific and Technical Cooperation in the field of Agriculture, Cooperation in the fields of Education, Information Technology, Health and Medicine, Traditional Medicine, Tourism, Cooperation in the field of Civil Services, Personnel Management and Public Administration, Aid for the establishment of the Centre for Excellence in the field of IT in various Countries and Cultural Exchange Programmes.

India has signed/ratified many multilateral/bilateral treaties/agreements with foreign countries during the year. A comprehensive list is placed at Appendix-X. A list of Instruments of Full Powers issued during the year 2009 is at Appendix-XI and a list of Instruments of Ratification is at Appendix-XII.
Introduction

India continued to reaffirm its long-standing and consistent advocacy of global non-discriminatory and verifiable nuclear disarmament as one of the highest priorities for the international community. India felt encouraged by some positive signs which indicated that nuclear disarmament is back on the international agenda. This included US President Mr. Barack Obama's speech in Prague in April 2009 and negotiations between US and Russia to negotiate a successor agreement to START-1 for further reducing their nuclear arsenals. India supported the adoption of a Programme of Work, including on a Fissile Material Cut-off Treaty (FMCT), in the Conference on Disarmament (CD) after a decade of hiatus.

At the 64th UN General Assembly in New York, India reiterated its proposal for a Nuclear Weapons Convention for banning the development, production, stockpiling and use of nuclear weapons and providing for their complete elimination within a specified time frame. The proposal is consistent with India's long-standing commitment to nuclear disarmament as articulated in the Rajiv Gandhi Action Plan of 1988. India also recalled its other proposals on nuclear disarmament, including a Working Paper presented to the UN in 2006, proposing elements to fashion a new global consensus on disarmament and non-proliferation.

During the year, India participated constructively in various multilateral meetings on disarmament including *inter alia* those related to Biological Weapons Convention (BWC), Chemical Weapons Convention (CWC) and Convention on Certain Conventional Weapons. India also participated actively in the meetings of ASEAN Regional Forum and Conference on Interaction and Confidence Building Measures in Asia. Regular contacts were maintained with non-governmental organizations in the field of disarmament to disseminate India's views on various issues. India continued to maintain dual-use related export control regulations and their effective implementation, including through outreach activities with the Indian industry and other stakeholders and appropriate coordination efforts.

United Nations General Assembly (UNGA)

During the First Committee meeting of the General Assembly, India underlined its commitment to nuclear disarmament and expressed its belief that the goal of nuclear disarmament can be achieved through a step-by-step process underwritten by a universal commitment to achieve the complete elimination of nuclear weapons. India suggested a set of practical measures to stimulate debate and promote consensus on the way forward. These measures had already been put forward in General Assembly and the Conference on Disarmament and include:

- Reaffirmation of the unequivocal commitment of all nuclear-weapon States to the goal of complete elimination of nuclear weapons;
- Reduction of the salience of nuclear weapons in the security doctrines;
- Taking into account the global reach and menace of nuclear weapons, adoption of measures by nuclear-weapon states to reduce nuclear danger, including the risks of accidental nuclear war, de-alerting of nuclear weapons to prevent unintentional and accidental use of nuclear weapons;
- Negotiation of a global agreement among nuclear-weapon States on 'no-first-use' of nuclear-weapons;
- Negotiation of a universal and legally-binding agreement on non-use of nuclear- weapons against non-nuclear-weapon states;
- Negotiation of a convention on the complete prohibition of the use or threat of use of nuclear weapons;
- Negotiation of a nuclear weapons convention prohibiting the development, production, stockpiling and use of nuclear weapons and on their destruction, leading to the global, non-discriminatory and verifiable elimination of nuclear weapons with a specified time-frame.

As in past few years, India tabled three resolutions in the First Committee, viz, 'Measures to Prevent Terrorists from...
Acquiring Weapons of Mass Destruction’, ‘Convention on the Prohibition of Use of Nuclear Weapons’ and ‘Reducing Nuclear Danger’. India’s resolution on ‘Measures to Prevent Terrorists from Acquiring Weapons of Mass Destruction (WMDs)’, which was first introduced in 2002, was again adopted by consensus, highlighting the unanimity in the international community on the need to avert such a danger. The resolution called upon UN Member States to take measures aimed at preventing terrorists from acquiring WMDs and underlined that the international response to this threat needed to be inclusive, multilateral and global. This year, the resolution was co-sponsored by 71 States showing the importance the international community accorded to this resolution.

The resolution ‘Convention on the Prohibition of Use of Nuclear Weapons’ reiterated the call on the Conference on Disarmament to commence negotiations to reach agreement on an international convention on prohibiting the use or threat of use of nuclear weapons under any circumstances. India’s resolution on ‘Reducing Nuclear Danger’ highlighted the importance of de-alerting and other measures required to mitigate the accidental use of nuclear weapons. The resolution called for a review of nuclear doctrines, as also immediate steps to reduce the risk of unintentional or accidental use of nuclear weapons, including through the de-alerting and de-targeting of nuclear weapons and requests the Nuclear Weapon States to take measures to implement the suggested steps. Both these resolutions were adopted with the support of a large majority of countries. The First Committee and the General Assembly also adopted without a vote a draft decision proposed by India on “Role of Science and Technology in the Context of International Security and Disarmament”.

**Conference on Disarmament (CD)**

Conference on Disarmament (CD) is the single multilateral disarmament treaty negotiating body. During its 2009 Annual session, the CD reached consensus on a Programme of Work after more than a decade of impasse. On 29 May, 2009, the Conference adopted by consensus the document CD/1864, entitled “Decision for the establishment of a Programme of Work for the 2009 session”. India supported the adoption of the Programme of Work. India stated that it was willing to join a non-discriminatory, multilaterally negotiated and internationally verifiable FMCT as and when it is concluded in the CD, provided it meets India’s national security interests. The CD, however, was not able to commence substantive work on the basis of decision contained in CD/1864 during the 2009 Annual session.

India is committed to participating constructively in the FMCT negotiations in the CD as part of its Programme of Work.

**UN Disarmament Commission (UNDC)**

The three week 2009 Session of the UNDC was held in New York from 13 April-1 May 2009. The UNDC, as per its mandate, functions as a subsidiary body of the UN General Assembly and deliberates and makes recommendations on disarmament issues. The 2009 session was the beginning of a new three-year cycle of the UNDC. It adopted a three item agenda for the new cycle: “Recommendations for achieving the objective of nuclear disarmament and non proliferation of nuclear weapons”, “Elements of a draft declaration of the 2010 as the fourth disarmament decade”, and “Practical Confidence Building Measures in the field of conventional weapons, upon conclusion of elements of draft declaration (preferably by 2010 but in any case not later than 2011)”. Substantive discussions on the first two agenda items took place during the 2009 session. India participated constructively in the negotiations on finalizing the Agenda of the new cycle of UNDC. While reaffirming the importance of multilateralism, India called upon members of UNDC to redouble efforts to give a positive impulse to global non-discriminatory disarmament.

**Biological Weapons Convention (BWC)**

In pursuance of the decision of the sixth BTWC Review Conference held in 2006, the meeting of States Parties to the BTWC was held in Geneva from 7-11 December, 2009 and the Meeting of Experts from 24-28 August, 2009. These meetings were held under the chairmanship of Canada and discussed international cooperation in the fields of disease surveillance, detection, diagnosis and containment of infectious diseases.

India participated constructively in both the Meeting of States Parties and the Meeting of Experts. At the Meeting of States Parties, India submitted a Working Paper on its experience in international cooperation and capacity building in surveillance, detection, diagnosis and containment of infectious diseases in the context of Article ten of the BWC. The Indian delegation also made a presentation on India’s experience in dealing with the H1N1 outbreak. India took a lead in the negotiations of the final document of the Meeting of States Parties. Earlier, at the Meeting of Experts India made two presentations, one on international cooperation in the context of Article ten of BTWC, and the second on disease surveillance in India.
Chemical Weapons Convention (CWC)
India played an active role at the Organization for the Prohibition of the Chemical Weapons (OPCW) at The Hague. India continued to fulfill its obligations under the Convention in line with its commitments. India was widely commended for fulfilling its commitments under CWC, including successful completion of destruction of its chemical weapons stockpiles as per its obligations under the CWC.

India participated actively in the 14th Conference of the States Parties to the CWC held at The Hague from 30 November-4 December 2009. It played a key role at the 56th, 57th and 58th sessions of the 41-member Executive Council, where it has been an active member since the inception of the Organization in 1997. India highlighted all issues of interest and concern to it and to other developing countries in these meetings. India also actively participated in various subsidiary bodies of the Organization, including the Scientific Advisory Board and the Advisory Body on Administrative and Financial Matters. As part of its commitment to promoting international cooperation in peaceful uses of chemistry under Article XI, India is the only developing country to have hosted Associate Programme for the second year in a row for foreign participants. India has also emerged as a major provider of mass spectra to the OPCW Central Analytical Database. At specially convened meetings on the sidelines of the Executive Council meetings, India also gave presentations on chemical industry, verification and administrative & financial issues to delegations of interested States Parties.

Convention on Certain Conventional Weapons (CCW)
India is a High Contracting Party to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which may be Deemed to be Excessively Injurious or to Have Indiscriminate Effects (CCW) and has ratified all its protocols, including the Amended Protocol II on Prohibitions or Restrictions on the use of Mines, Booby Traps and Other Devises and Protocol V on Explosive Remnants of War. India has also ratified the Amendment to Article I of the Convention.

The annual meeting of the High Contracting Parties to the Convention on CCW was held at Geneva from 12-13 November, 2009. The 2008 CCW Meeting had requested a Group of Governmental Experts (GGE) to negotiate a proposal to address urgently the humanitarian impact of cluster munitions, while striking a balance between military and humanitarian considerations and present it before the 2009 meeting. The GGE met in two formal and one informal session for a total of three weeks in 2009. It was not able to conclude its negotiations. The annual meeting decided that the GGE would continue its negotiations and make every effort to conclude it as rapidly as possible and report to the next meeting of High Contracting Parties (2010). The GGE was mandated to meet for up to two weeks in 2010 for this purpose.

The Third Annual meeting on Protocol V of CCW on Explosive Remnants of War, which entered into force in November 2006, was held from 9-10 November, 2009 in Geneva. Permanent Representative of India to the CD Ambassador Hamid Ali Rao was elected as the President of the Third Annual Meeting. The meeting discussed and agreed on ways and means to strengthen the implementation of the Protocol. Progress was achieved with regard to a guide for national reports and establishment of a website under UN auspices to act as a platform for electronic sharing of information under Protocol V. Thirteen countries including US, Pakistan and Canada became States Parties to Protocol V before the Third Conference.

The annual meeting of the States Parties to the Amended Protocol II to the “Convention on CCW on Prohibitions or Restrictions on the Use of Mines, Booby Traps and Other Devises” was held at Geneva on 11 November, 2009. The meeting discussed the issue of Improvised Explosive Devices (IEDs) and decided to continue discussion on the issue, including practical steps to address the challenges posed by IEDs in 2010 Meeting of Experts. India underlined that it has fulfilled all its obligations with regard to Amended Protocol II and has undertaken measures to address the humanitarian concerns arising from indiscriminate use of landmines with regard to the international humanitarian law. India also highlighted the problems of frequent use of IEDs by terrorists and non-State actors and the trans-border dimensions of the supply chain for procurement of IEDs by them.

India shares the vision of the United Nations of a mine-free world, and is ready to replace landmines when alternative technologies become available. India attended the second Review Conference of the Convention held in Cartagena from 30 November-4 December 2009 as an Observer. Likewise, India also participated in the Standing Committee Meetings of the Convention held in Geneva from 25-29 May, 2009 as an Observer. However, India is not a State party to the “Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-Personnel Mines and Their Destruction” or the Ottawa
Convention as it continues to regard landmines, when used responsibly by States, as a legitimate tool for defence.

Small Arms and Light Weapons
The United Nations Programme of Action to Prevent, Combat and Eradicate the Illicit Trade in Small Arms and Light Weapons in All Its Aspects (UNPOA) adopted in July 2001 provides for a comprehensive set of national, regional and global measures to achieve its goal. India has supported international co-operation to achieve this goal multilaterally, regionally and bilaterally.

India remained committed to the goal of transparency in armaments and participated in the 2009 Group of Governmental Experts on UN Register of Conventional Arms. The Register's operation and further development is reviewed every three years by a GGE.

International Atomic Energy Agency (IAEA)

India participated in the 53rd IAEA General Conference held from 14-18 September, 2009. The Indian delegation was led by Shri Anil Kakodkar, Chairman, Atomic Energy Commission and Secretary, Department of Atomic Energy. The General Conference adopted several resolutions on the subjects of nuclear safety, security, safeguards, nuclear applications and nuclear power.

On 16 September, 2009 India submitted to the IAEA the Declaration to place voluntarily its civilian facilities under Agency safeguards in a phased manner in accordance with the provisions of Para 13 of the India-IAEA Safeguards Agreement. Following this, India filed notifications on 16 October, 2009 and 19 October, 2009 for the facilities to be put under IAEA safeguards.

Nuclear Suppliers Group (NSG)
India and the NSG troika held two rounds of meetings during the year. The first meeting was held in New Delhi on 11 May, 2009 and the second meeting was held in Vienna on 17 September, 2009. These meetings took place in the context of the September 2008 NSG decision, enabling its members to engage in full civil nuclear cooperation with India. The discussions included an exchange of views on future cooperation in areas of mutual interest.

Conference on Interaction and Confidence Building Measures in Asia (CICA)
India continued its active and constructive participation in the meetings of CICA. It participated in the CICA Special Working Group (SWG)/Senior Officials Committee (SOC) meetings held in June 2009 and January 2010 in Almaty and in October 2009 in Beijing. India also participated in the Experts Meetings held on various subjects including inter alia energy security and cyber-security. India’s participation in the CICA process continues to be guided by its view that CICA can help contribute to the development of a cooperative and pluralistic security order in Asia, based on mutual understanding, trust and sovereign equality, mindful of the diversity and the heterogeneity integral to the Asian identity.

ASEAN Regional Forum (ARF)
India hosted a meeting of the ASEAN Regional Forum Inter-sessional Support Group (ARF-ISG) on Confidence Building Measures and Preventive Diplomacy in New Delhi from 9-11 November, 2009. The meeting was held pursuant to an announcement made by External Affairs Minister Shri S. M. Krishna at the 16th ARF Ministerial Meeting held in Phuket, Thailand in July 2009. Vietnam was the ASEAN co-Chair for the ISG meeting. This was the second occasion when India hosted the ARF-ISG; the first one being in 2001. India would co-Chair the next ARF-ISG meeting scheduled to be hosted by Vietnam in March 2010.

India’s decision to be the co-Chairs for the ISG was reflective of the importance India attaches to its membership in the ARF. India believes that as a premier political and security forum for dialogue in the Asia-Pacific, ARF continues to be a central pillar of the security architecture in the region. Since its formation in 1994, ARF has played an important role in building trust and confidence among its members and maintaining peace and stability in the Asia-Pacific and has evolved into a key mechanism for exchange of views on regional and international security issues. India also participated in various other ARF activities including the Inter-Sessional Meetings (ISMs) on disaster relief and non-proliferation and disarmament.

Strategic Exports Control
India continued to exercise control over exports of sensitive goods and technologies which can have direct or indirect application for weapons of mass destruction
or their means of delivery. The Ministry encouraged and participated in various outreach activities with the industry, relevant departments and other stakeholders pursuant to the Weapons of Mass Destruction and their Delivery Systems Act 2005.

Other Issues

A India-US Strategic Security Dialogue was held on 13 November, 2009 in New Delhi. The Indian and US delegations were led by Foreign Secretary Smt. Nirupama Rao and US Under Secretary of State for Arms Control and International Security Ms. Ellen Tauscher respectively. The talks followed upon a decision taken by External Affairs Minister Shri S. M. Krishna and US Secretary of State Ms. Hillary Clinton in New Delhi in July 2009 on a new dialogue architecture. The Dialogue covered global and regional strategic issues as well as developments in multilateral forums on disarmament and non-proliferation.

India participated in the Fifth Plenary meeting of the Global Initiative to Combat Nuclear Terrorism held at The Hague from 16-17 June, 2009. India had joined the Global Initiative at its Madrid meeting in June 2008.
India’s multilateral economic engagement further widened and deepened during the year. Global Economic and Financial crisis, food security and climate change continued to occupy the focus of discussions in multilateral fora. Highlights of this year’s multilateral engagement were Prime Minister’s participation in the G-8 – Outreach Summit for the fifth successive time, the first formal Summit of the Leaders of Brazil, Russia, India and China [BRIC] in Russia, India-ASEAN Summit and East Asia Summit. India’s hosting, in September 2009, of the WTO Ministerial Conference to develop a broad-based consensus to remove the impediments coming in the way of multilateral discussions and to provide clear directions to negotiators to re-energise the multilateral process at the WTO was another important milestone during the year.

Engagement with other key regional groupings such as ACD, ASEM, BIMSTEC, MGCI, IBSA, G-15, IOR-ARC and others also consolidated during the year. External Affairs Minister Shri S. M. Krishna represented India at the Ministerial Meetings of BRIC, G-5 and IBSA. BRIC Finance Ministers also met in the context of G-20 Summits to coordinate positions on various issues.

Asia – Europe Meeting (ASEM)
India continued to actively participate in various ASEM meetings and initiatives. Shri N. Ravi, Secretary (East), Ministry of External Affairs, led the Indian delegation to the Ninth ASEAN Foreign Ministers’ Meeting, held in Hanoi from 25-26 May, 2009. The Chairman’s Statement issued at the end of the Meeting inter alia welcomed the applications of Australia and Russia to join ASEM and asked the Senior Officials to work out modalities in this regard to enable both the countries join ASEM at the Eighth Summit to be held in October 2010 in Brussels. India, as the coordinator for North East and South Asia subgroup under ASEM, hosted the meeting of the Senior Officials of the Asian member countries of ASEM in New Delhi, in September 2009, to facilitate discussions among the Asian members on the key issue of ASEM expansion.

BRIC [Brazil, Russia, India and China]
Prime Minister Dr. Manmohan Singh visited Yekaterinburg, Russia from 15-17 June, 2009 to attend the first formal Summit of the Leaders of Brazil, Russia, India and China [BRIC]. This was Prime Minister’s first visit abroad in his second term in office.

At the Summit, among other issues, the Leaders focused on the state of global economic and financial crisis. The Leaders stressed the need to intensify cooperation in the quadrilateral BRIC format on economic matters, to seek implementation of G-20 decisions of interest to developing countries, and reform of present systems of global governance and the international financial system. The Summit adopted a Joint Statement of BRIC Leaders and a Joint Statement on Global Food Security.

BRIC Finance Ministers also met before the G-20 Summits of London and Pittsburgh to coordinate positions on issues of mutual interest. National Security Adviser Shri M. K. Narayanan attended the first meeting of BRIC National Security Advisers hosted by Russia, in end May 2009. India also participated in the meeting of BRIC Competition Authorities held in Kazan, Russia on 1 September, 2009.

External Affairs Minister, Shri S. M. Krishna, represented India at the BRIC Foreign Ministers’ meeting held on 24 September, 2009 on the sidelines of the 64th UN General Assembly in New York. The Ministers discussed issues regarding the global economic and financial crisis, BRIC Institutionalization, Energy, climate change and other issues.

G-8 Outreach and the G-5 summits
Prime Minister attended the G-8 Outreach and the G-5 Summits in the Italian city of L’Aquila from 8-10 July, 2009. This was Prime Minister’s fifth successive G-8 Summit since 2005.

The agenda of the G-5 leaders meeting included global economic and financial crisis – its implications for developing countries with special focus on MDGs, green recovery, Doha Round, reform of international financial

institutions, food security, climate change and future direction of G-5 cooperation. Prime Minister, in his intervention, emphasized that future growth has to be inclusive and the countries need to guard against stagflation. The G-5 Leaders issued a Political Declaration after the Meeting. Noting that the G-8 declaration on the Doha Round was rather weak, the G-5 leaders also issued a separate statement on this issue.

At the Summit of G-8/G-5 countries plus Egypt (invited by the Italian hosts), discussion was focused on global economic crisis and the issues of global governance. The G-8/G-5 Leaders issued a Joint Declaration, “Promoting the Global Agenda” after the Summit.

Prime Minister also attended meetings of the Major Economies Forum (MEF) held within the framework of G-8/G-5 Outreach Summit in L’Aquila. The first session of the MEF, on 9 July, 2009 focused on Doha Round and the Second Session focused on Climate Change issues.

The G-8 Presidency for 2009, Italy, invited India and other Outreach countries to attend various Ministerial meetings in the run-up to 2009 G-8 Summit. Speaker Lok Sabha, Smt. Meira Kumar, attended the meeting of G-8 Outreach Speakers in Rome in September 2009. This was the first meeting of Speakers of G-8 and the Outreach countries.

External Affairs Minister Shri S. M. Krishna, attended the G-8 Outreach Meeting on Afghanistan. Other G-8 Outreach Ministerial meetings which were attended by India include the meetings of Labour Ministers, Agriculture Ministers, Environment Ministers, and Energy Ministers. Conference of G-8 and Outreach Ministers on Destabilizing Factors and Trans-national Threats, held in Rome in April 2009, was attended by Secretary (Economic Relations), Ministry of External Affairs.

G-5 Foreign Ministers’ Meeting

G-5 Foreign Ministers met on the sidelines of the 64th UNGA in New York on 22 September, 2009 to discuss the changing international geometry, institutionalization of the G-20, and future coordination among G-5. External Affairs Minister, Shri S.M. Krishna, represented India at the Meeting.

BIMSTEC (Bay of Bengal Initiative for Multi-sectorial Technical and Economic Cooperation)

External Affairs Minister Shri S. M. Krishna, led the Indian delegation to the 12th meeting of BIMSTEC Foreign Ministers held in Nay Pyi Taw, Myanmar from 10-11 December, 2009. The Ministerial Meeting was preceded by a Senior Officials’ Meeting on 10 December and a Preparatory Meeting from 8-9 December, 2009. At the 12th Ministerial Meeting, India handed over the Chairmanship of BIMSTEC to Myanmar.

The Meeting saw signing of the BIMSTEC Convention on Cooperation in Combating International Terrorism, Trans-National Organized Crime and Illicit Drug Trafficking. India is the Lead Country in this area of cooperation.

Climate Change was adopted as the 14th area of cooperation at the 12th BIMSTEC Ministerial Meeting. All members endorsed the BIMSTEC Transport Infrastructure and Logistics Study conducted by Asian Development Bank (ADB), which would facilitate further growth of overall cooperation in BIMSTEC.

WTO Ministerial Conference

India hosted the WTO Ministerial Conference, in September 2009, bringing together groups from across the spectrum of interests and positions in the Doha negotiations, as an endeavour to give a determined push to the multilateral trade negotiations under WTO. At the Conference, there was a unanimous affirmation on the need to conclude the Doha Round within 2010. There was a strong re-affirmation that development remains at the heart of the Doha Round. The participants recognized that differences subsist on issues and intensifying negotiations was the first step towards bridging these gaps.

World Intellectual Property Organisation (WIPO)

Director General, WIPO, Dr. Francis Gurry visited India from 9-14 November, 2009. During the visit he was received by the Prime Minister, Minister for Commerce & Industry, Minister of Human Resource Development, Minister of State for External Affairs, Minister of State for Environment and Forests, Minister of State for Commerce and Industry and Deputy Chairman, Planning Commission. The visit was in connection with the Fifth International Forum on Creativity and Inventions, International Conference on Traditional Knowledge and a Round Table on the Entertainment Sector. The events were hosted by the Department of Industrial Policy and Promotion, Ministry of Commerce and Industry in collaboration with the Federation of Indian Chambers of Commerce and Industry.

Association for South East Asian Nations (ASEAN)

India’s focus on a strengthened and multi-faceted relationship with ASEAN is an outcome of the significant
Prime Minister, Dr. Manmohan Singh with the Heads of States/Governments at the 4th East Asia Summit (EAS), in Hua Hin, Thailand on 25 October, 2009.

changes in the world’s political and economic scenario since the early 1990s and India’s own march towards economic liberalisation. India’s search for economic space has resulted in our ‘Look East’ policy. ASEAN’s economic, political and strategic importance in the larger Asia-Pacific Region and its potential to become a major partner of India in trade and investment is a significant factor in our policy paradigms. ASEAN’s steady expansion westward to include Myanmar has also brought it to our land boundaries. It now provides a land bridge for India to connect with the Asia-Pacific-centred economic crosscurrents shaping the 21st century market place. ASEAN, on its part, seeks access to India’s professional and technical strengths. Our traditional friendship with the CLMV (Cambodia, Laos, Vietnam, Myanmar) countries also makes India a valuable ally for promoting the Initiative for ASEAN Integration (IAI).

India and ASEAN have convergence in their security perspectives. We have vital stakes in peace and stability in the region, including the security of the sea-lanes of the Indian Ocean for smooth flow of raw materials, merchandise and energy supplies. Since 1996, India has been an active participant in the ASEAN Regional Forum (ARF).

The ASEAN-India Trade-in-Goods Agreement was signed on 13 August, 2009 at ASEAN Economic Ministers-India Meeting at Bangkok after six years of intensive negotiations. The agreement will pave way for tariff reductions to stipulated levels and creation of a market of over 1.5 billion people in the region. The next step is for conclusion of negotiations on Trade-in-Services and Trade-in-Investment Agreements in near future, to complete the India-ASEAN FTA.

The annual ASEAN Summit with Dialogue Partners and the East Asia Summit took place in October 2009 in Thailand. The India-ASEAN Summit and EAS Summit were held from 24-25 October, 2009 at Cha-am Hua Hin, Thailand. Prime Minister Dr. Manmohan Singh announced several new initiatives at the India-ASEAN Summit to further strengthen and reinforce the growing India-ASEAN partnership. At the EAS Summit, India participated in the discussions on the issues of Disaster Management, Climate Change, Education, Finance, Energy and Pandemics. Indian proposal for revival of Nalanda University was prominently focused with the issue of a Joint Press Statement.

**Indian Ocean Rim Association for Regional Cooperation (IOR-ARC)**

India is one of the founders and key members of IOR-ARC. Indian Ocean Rim is a heterogeneous area with a wide diversity of languages, cultures and religions from 18 countries. The Ninth IOR-ARC Council of Ministers (CoM) Meeting was held in Sana’a, Yemen on 25 June, 2009. Minister of State for External Affairs Dr. Shashi Tharoor led the Indian delegation for the CoM. The major outcomes of the Ministerial Meeting were setting up of the Regional Centre for Science and Transfer of Technology (RSSTT), Fisheries Support Unit and Maritime Transport Council. India took over as Vice Chair from Yemen which became the Chair of IOR-ARC for a period of two years. India would be taking over as Chair in 2011.

**India, Brazil and South Africa (IBSA)**

IBSA, a Forum of three developing country democracies from three different continents, has become an important mechanism for strengthening coordination on international and regional issues, fostering South-South cooperation to amplify the collective voice of the South and deepening mutually beneficial trilateral cooperation, based on common experiences, complementarities and resources.

The Sixth IBSA Ministerial Meeting was held in September 2009 in Brasilia. External Affairs Minister Shri S. M. Krishna led the Indian delegation. The 14th Focal Points Meeting was held in Rio de Janeiro, Brazil from 15-16 July, 2009. Several working group meetings in areas such as Agriculture, Culture, Education, Environment, Human Settlements, Information Society, Revenue Administration, Social Development, Trade, Public Administration and Governance, Transport and preparatory meeting of the IBSA Women’s Forum were held during the year.

IBSA undertook projects in Guinea Bissau, Haiti, Burundi, Laos, Cape Verde, Cambodia and Palestine under IBSA Facility Fund for Alleviation of Poverty and Hunger established to enhance activities related to poverty eradication and the achievements of the Millennium Development Goals.

**Asia Cooperation Dialogue (ACD)**

ACD is a unique Pan Asian grouping of 31 countries focusing on economic dialogue and cooperative projects. ACD’s goal is to build a united, strong, competitive and prosperous Asian Community through consolidating Asia’s strengths and leveraging Asia’s diversity for the mutual benefit of the region and its peoples.

The Eighth Asia Cooperation Dialogue (ACD) Ministerial Meeting was held in Colombo, Sri Lanka, on
15 October, 2008. Smt. Preneet Kaur, Minister of State for External Affairs led the Indian delegation. The theme of the Meeting was “Global Economic Recovery and Development Prospects”.

It was agreed that emphasis should be given to cooperation in the clusters of tourism, trade and transport, which have the potential to create enhanced people-to-people contact in the region. 18 June was designated as ‘ACD Day’ to mark the establishment of ACD.

India would be organizing the Fourth ACD Tourism Business Forum on 24 March, 2010 and the first meeting of think-tanks, as part of the Track II process, from 11-12 February, 2010.
The impetus provided by India during the 14th SAARC Summit hosted in New Delhi in April 2007, has been largely responsible for the gradual and irreversible transition of SAARC from declaratory to implementation phase. This phenomenon has been further complemented by India's commitment to discharge its responsibilities in an asymmetric and non-reciprocal manner, coupled with the increasing needs of other member states to look to SAARC for solutions for their domestic developmental challenges.

The SAARC region, in recent times, has been witnessing increasing cooperation on security issues. The 31st Session of the SAARC Council of Ministers (Colombo, 27-28 February, 2009) adopted the 'SAARC Ministerial Declaration on Cooperation in Combating Terrorism' to forge deeper collaboration to address the growing menace of terrorism in the region. The Declaration states that Member States will ensure that their respective territories are not used for terrorist training camps or organization of terrorist acts. The SAARC Terrorist Offences Monitoring Desk (STOMD) and SAARC Drug Offences Monitoring Desk (SDOMD) based in Sri Lanka will enable exchange of information on terrorist and drug related cases. The infrastructure for the desks is being strengthened with financial assistance from the Government of India. Similarly, an internet based network among police authorities of Member States is being set up by India for exchange of open/unclassified information.

In another significant achievement, the Standard Operating Protocol on Trafficking of Women & Children has also been finalized at the Third Meeting of the Regional Task Force to Implement the SAARC Conventions relating to Trafficking in Women & Children and Promotion of Child Welfare in South Asia held in Shimla from 28-29 May, 2009.

The most visible manifestation of this new dynamism in SAARC has been the early operationalization of the SAARC Development Fund (SDF), pending establishment of its permanent premises in Bhutan in 2010. India is the only SAARC Member State to have transferred its full commitment of US$ 189.9 million to the SDF. Two regional projects are currently being implemented under the aegis of the SDF with technical assistance from India - project on women's empowerment and maternal and child health care. The third project proposed by India on providing bio-mass cooking stoves and solar lanterns is also on the anvil.

Cooperation in the field of higher education is set to touch a new horizon with the establishment of the South Asian University (SAU) in New Delhi in the near future. The prestigious project is on schedule with the establishment of the Project Office, finalization of its international legal contours by the South Asian University Act 2008, grant of privileges and immunities as per UN Immunities and Privileges Act 1947 and funding as per “Principles of Regional Centres”. The total cost of establishing the SAU and to make it fully functional as per the agreed parameters will be US$ 308.91 million. India will be contributing US$ 229.11 million to the project which will include bearing 100% of the capital cost. The University is expected to be fully established by 2015.

In a bid to preserve the rich textile and handicraft traditions of the South Asian region, at the 13th SAARC Summit held in Dhaka, in November 2005, Prime Minister had proposed the establishment of a SAARC Museum of Textiles and Handicrafts in New Delhi. The Museum would be an Intergovernmental Body on the lines of the other SAARC Regional Centres and will be housed in Delhi Haat, Pitampura. The Second Inter governmental Steering Committee Meeting to finalize the legal and financial contours of the proposed SAARC Museum was hosted in New Delhi from 29-30 September, 2009.

Taking forward the theme of creating greater physical connectivity, the Second Meeting of the Transport Ministers held in Colombo (24-25 July, 2009) decided to convene a Special Meeting of the Expert Group to negotiate the two Draft Regional Agreements on Motor Vehicles and Railways (proposed by India) in a time-bound manner, preferably to finalize them for signing at the 16th SAARC Summit. The ferry service between India and Sri Lanka through the Colombo-Cochin route and direct air links between New Delhi- Male are expected to be resumed shortly. Member States have agreed to hold
Commendable progress has taken place for the full implementation of South Asian Free Trade Agreement (SAFTA) in letter and spirit. Member states have appreciated India’s gesture to give zero duty access to LDCs from 1 January, 2008, one year ahead of target date and unilateral reduction of its Negative List with respect to LDCs from 744 to 480. India continues to revise its Sensitive Lists and, as of now, has 740 items outside its ambit for the LDCs and 868 for the Non-LDCs. A draft Agreement on Trade in Services is also in final stages of negotiation. Taking note of the effects of the global recession on SAARC economies, the 31st Session of the SAARC Council of Ministers held in Colombo (27-28 February, 2009) adopted the ‘SAARC Ministerial Statement on Global Economic Crisis’ calling for a coordinated regional approach to address the crisis. It was decided that mechanisms must be developed for creating bilateral arrangements in the region to address short-term liquidity difficulties. It underlined the need for global initiatives to protect the interests of developing economies, that should include a moratorium on the repayment of debt to multilateral aid agencies and other development partners.

India also hosted two crucial SAARC Meetings. The eighth Meeting of the SAARC Environment Ministers was held in New Delhi from 19-21 October, 2009. Welcoming the proposal of the Government of Bhutan to adopt Climate Change as the theme of the 16th SAARC Summit in April 2010, the Meeting issued the Delhi Statement on Environment, directing Member States to identify regional projects based on the concept papers circulated by India on Biodiversity, Solid Waste Management etc. and discussed the establishment of 50 weather stations for advance storm warning systems in SAARC Member States with the help of Government of India, starting with Nepal, Bhutan and Bangladesh. The draft Regional Environment Treaty was also circulated by India for consideration of Member States.

People-to-people activities in the SAARC region, have also witnessed a phenomenal increase. India hosted the hugely successful Second SAARC Bands Festival in New Delhi, SAARC Festival of Literature in Agra and the Second SAARC Folklore Festival in Chandigarh. Furthermore, India has funded projects in the areas of telemedicine, tele-education, environment friendly projects such as solar rural electrification, rainwater harvesting, seed testing laboratories and shuttle breeding of pulses using a hub-and-spoke approach, with India as the hub and member states as spokes. The projects are in various stages of implementation. With increasing economic interdependence among Member States, therefore, SAARC will undoubtedly metamorphose into the core vehicle for enhanced economic cooperation in South Asia.
Technical & Economic Cooperation and Development Partnership

The Indian Technical and Economic Cooperation (ITEC) Programme and the Special Commonwealth Assistance for Africa Programme (SCAAP), centred on the sharing of experiences, transfer of technology and capacity building, formed an important component of India's development partnership and cooperation with the developing world. The usefulness and relevance of these cooperative interactions in different countries was reflected in the increasing number of participants in the ITEC programme which has acquired a brand name in the developing world. Starting on a modest scale in 1964, ITEC has grown over the years and is today a major component and dynamic part of India's bilateral assistance programme manifesting itself in diverse areas of cooperation. It is demand-driven and response-oriented. There are 158 ITEC/SCAAP partner countries (list at Appendix-XIV).

ITEC and SCAAP continue to draw large numbers of participants to the training courses conducted by institutions in India, both Government and in the private sector, under the civilian and defence training programmes. The existing ITEC website was re-designed and activated at new address: itec.mea.gov.in. It is now more user-friendly and specifically targeted to the needs of ITEC participants in terms of making it easier for them to access details relating to empanelled institutions and approved courses as well as to download forms, etc. A brochure - an annual compendium of ITEC/SCAAP courses and the training institutions - was brought out as a reference document for both participating Governments from 158 ITEC/SCAAP partner countries as well as individual candidates interested in the courses. Alumni networks have been encouraged including through the annual 'ITEC Day' functions organized in Missions abroad.

Civilian Training Programme

Around 5000 civilian training slots were allotted during 2009-10 to 158 developing countries in areas of interest and advantage to them. The civilian training programme, fully sponsored by the Government of India with 42 institutions on the panel, conducted around 200 courses, primarily short-term, for working professionals on a wide and diverse range of skills and disciplines. The most sought after courses were in the field of Information Technology and English language. Training was imparted to Government officials in areas such as finance & accounts, audit, banking, education, planning & administration, parliamentary studies, crime records, etc. Others availed of training facilities in technical/specialized courses such as textiles, rural electrification, tool design and ophthalmologic equipment. In addition, general courses pertaining to rural development, SMEs and entrepreneurship development also attracted many participants. (List of institutions offering civilian training courses under ITEC and SCAAPP programmes of the Ministry of External Affairs is at Appendix-XV).

The ITEC Programme is essentially bilateral. However, in recent years the scope of ITEC's activities has increased and it has also been associated with regional and multilateral organisations. These organisations and groupings include the Association of South East Asia Nations (ASEAN), G-15, Bay of Bengal Initiative for Multi Sectorial Technical and Economic Cooperation (BIMSTEC), Mekong Ganga Cooperation (MGC), African Union (AU), Afro-Asian Rural Development Organization (AARDO), Pan African Parliament, Caribbean Community (CARICOM), the Commonwealth and World Trade Organisation (WTO).

As a follow up to the India-Africa Forum Summit held in New Delhi in 2008 and in response to requests received from ITEC partner countries, the following special courses were conducted during the year: (i) Special Training-cum-English Proficiency Course for Sri Lankan Teachers; (ii) Special Course for Afghanistan on ‘International Programme on Rural Development, Management & Good Governance’; (iii) Special Course for Africa on ‘Mineral Exploration ’; (iv) Special Course for Africa on ‘Remote Sensing and Digital Image Processing’; (v) Special Course on ‘Narcotics Dog Training’ for Ghana; (vi) Special Course on ‘Solor Energy Technology and Applications’; (vii) Special Course for Namibia - Orientation Course for Geologists-Zawar Module; (viii) Special Course titled ‘Leadership Programme for Post Masters and Managers’ for members of Pan-African Postal Union;
(ix) International Training Programme on ‘Wind Turbine Technology and Applications’ and (x) Special Course for Africa on ‘Geographic Information System’.

**Defence Training**

Growing interest in defence training was evident with the three wings of the Defence Services, i.e. Army, Navy and Air Force accepting 797 officers/trainees in various defence training institutions, showing an increase from 757 participants in the previous year. The courses were general and specialized in nature and included security and strategic studies, defence management, electronics, mechanical engineering, marine hydrography, counter-insurgency and jungle warfare as also foundation courses for young officers in the three services. Applications to the premier defence courses at the National Defence College (NDC), New Delhi, and the Defence Services Staff College (DSSC), Wellington, were oversubscribed and saw officers from developed countries also attending on a self-financing basis. The increasing interaction attests to the importance attached to defence training in India by developing and developed countries.

**Deputation of Experts**

At the request of Governments and international organizations, 40 experts in the civilian and defence fields were on deputation to advise and provide expertise in areas including information technology, auditing, legal expertise, diverse agricultural fields, pharmacology, statistics and demography, public administration and textiles. The services of defence teams were availed of by Laos, Lesotho, Seychelles, Zambia, Ethiopia and Mongolia in training and advisory capacities.

**Study Tour**

(i) At the request of Ethiopia, two experts from the Department of Central Board of Excise & Customs were deputed to Ethiopia to help Ethiopian Revenue and Customs Authority (ECRA) in development of customs value data base.

(ii) At the request of Kenya, a three member Kenyan delegation visited India to study the system of training of civil servants.

(iii) On the request of Indonesian Government, one expert in the field of water management from IIT, Roorkee visited Indonesia.

**Development Partnership & Projects Cooperation**

A number of bilateral projects were undertaken in 2009-10 notably in the field of Information Technology (IT) and Small and Medium Enterprises (SMEs), civil construction and vocational training. The focus of the projects under the bilateral cooperation programme was on setting up the requisite physical infrastructure and capacity building to ensure long-term sustainability of the projects under way.

The main projects under implementation included the following

(i) A project for conservation and restoration of Vat Phou temple complex in Laos has commenced. A team from Archeological Survey of India has set up their camp at the site for implementing the project.

(ii) A project to strengthen capacity building in Information Technology sector in Laos has made considerable progress and is nearing completion.

(iii) A project on setting up of a Vocational Training Centre at Aceh, Indonesia was awarded to HMT(I) Limited and implementation of the project has commenced.

(iv) A feasibility study was conducted for establishment of an administrative staff college at Aceh, Indonesia. The feasibility report received from Administrative Staff College of India has been presented to the Indonesian authorities.

(v) Information Technology (IT) training centres in El Salvador, Honduras and Nicaragua have been set up and second year training is in progress. These centres are in their final stage of completion. A similar IT Centre has been established in Jamaica and first year training has commenced. Memorandum of Understanding (MoU) for setting up IT centres in Ecuador, Costa Rica and Benin have been signed. These centres aim at capacity building as also strengthening the IT infrastructure in these countries.

(vi) A project in the field of Small & Medium Enterprises (SMEs) in Zimbabwe is at an advanced stage of completion. Last phase of on-the-job training to Zimbabwean personnel has commenced.

**Feasibility Studies**

A feasibility study for sewerage water treatment plant in Antigua & Barbuda conducted by Hyderabad Water Supply and Sewerage Board has been completed and the feasibility study report presented to the Government of Antigua & Barbuda.

Several other consultancy services for setting up infrastructure projects are at various stages of
implementation, notably the feasibility studies for construction of a deep water port as well as mining of coal for production of sponge iron & steel, both in Guyana; and for setting up a communication network in Montenegro.

**Aid for Disaster Relief**

India rendered relief assistance to countries affected by natural calamities. Humanitarian assistance was extended to countries like Lebanon, Bangladesh, Tajikistan, Myanmar, Burkina Faso, El-Salvador, Guatemala and Haiti affected by earthquakes or cyclones/floods. Request for financial assistance from St. Lucia for reconstruction of a hospital damaged by fire is under implementation.
Lines of Credit

As part of its diplomatic strategy, the Government of India extends concessional Lines of Credit (LoCs) to developing countries in Africa, Latin America and Asia. Aimed at promoting bilateral cooperation, these LoCs are a form of soft lending that enable the borrowing countries to undertake projects for infrastructure development and capacity building.

123 Lines of Credit worth US$ 5.02 billion have been extended by the Government of India to various developing countries so far. During the current financial year, 25 Lines of Credit amounting to US$ 1.03 billion have been approved up to 22 January, 2010. This includes LoCs of US$ 492 million to Sri Lanka for railway projects, LoC of US$ 100 million to Syria for financing the Tishreen Power Project, US$ 60 million to Belarus for reconstruction of the Grodno-II Power Plant and US$ 20 million to Mongolia for IT and livestock vaccination. The remaining amount has been allocated to countries in Africa and Latin America including Angola, Benin, Burkina Faso, Cape Verde, Democratic Republic of Congo, Eritrea, Ivory Coast, Lesotho, Mauritania, Rwanda, Senegal, Seychelles, Sierra Leone, Swaziland, Suriname and Tanzania. Projects approved include a wide range of sectors such as IT, railways, agriculture, water supply, electricity generation, industrial parks, etc.

These LoCs have not only contributed to the socio-economic development of the recipient countries and generated considerable amount of goodwill for India, but also helped project our growing economic strength in various sectors and enabled Indian companies get project contracts and orders for supply of goods and services. Often times, these orders have helped Indian companies generate additional business on a purely commercial basis.

To help countries which do not have the technical expertise to undertake feasibility studies for identifying viable projects under LoCs, an amount of Rs. five crores has been earmarked for providing consultancy services to them.

The ITP Division has been working closely with the Department of Economic Affairs, EXIM Bank and Indian Missions to ensure efficient implementation of the LoCs. An exercise has also been undertaken to review GoI policy relating to Lines of Credit with a view to introducing greater efficiency and transparency.

Investment and Trade Promotion

The ITP Division carried out a detailed study on the functioning of Commercial Wings abroad with a view to making them more effective and responsive to the growing demands of Indian industry and business. Noting that financial resources acted as a major constraint, it has been decided to allocate additional funds to the tune of Rs. 9.09 crores to Indian Missions during 2009-10 based on the volume of bilateral trade handled by them. These funds are to be utilized by Commercial Wings to undertake market expansion activities including market surveys, seminars, workshops, exhibitions, buyer-seller meets, etc. Several innovative proposals received from Missions have been approved under this scheme.

The ITP Division continued to liaise with the Ministries of Commerce, Finance, Civil Aviation, Shipping, etc. to provide policy inputs; and RBI, EXIM Bank and prominent industry organizations like FICCI, CII, etc. to facilitate foreign investment and trade. It assisted trade promotion bodies and visiting delegations in their external interface. Trade and investment issues pertaining to export of generic drugs, fertilizers and railways concessions were actively taken-up during this period.

The ITP Division also worked closely with the Department of Commerce to facilitate proposals from Missions under the Challenge Fund set up by the Ministry of Commerce to support their export promotion activities. It participated in bilateral civil aviation talks conducted by the Ministry of Civil Aviation including discussions with 17 countries at the second International Civil Aviation Organization Negotiations (ICAN) conference in Turkey.

ITP Division assisted CII in organizing the conference on India-China “Drivers of the Asian Century in a Post Crisis World” in March 2009. It will also partner with FICCI in organizing the second India-Arab Investment Projects Conclave in February 2010.
The Ministry’s website www.indiainbusiness.nic.in, that provides comprehensive information on investment and trade opportunities in various sectors of the Indian economy as well as updated data on important economic indicators, was revamped and upgraded with a better layout to make it more user friendly. An updated edition of ITP Division’s Annual Publication entitled “India-Dynamic Business Partner” is under preparation and will be widely disseminated to all Indian Missions and Posts abroad. This booklet along with a CD-ROM provides details of investment opportunities in India, both sector-wise and state-wise, for potential investors.
An Energy Security unit was first set up within the ITP Division of the Ministry of External Affairs in September 2007. Given the country’s increasing dependence on energy imports and the growing reference to energy security issues in the international affairs narrative, it was decided in 2009 to upgrade the Energy Security unit into a full-fledged division.

This new thematic division provided inputs to articulate India’s position on energy security matters in various multilateral fora like the UNGA, G-20, NAM, BRIC, ASEM, IBSA, East Asian Energy Ministers Meeting, CICA, Commonwealth, etc. The division played a key role in the country joining the first-ever global body on renewable energy sources – International Renewable Energy Agency (IRENA). The Energy Security division was closely associated with India’s membership of the International Partnership for Energy Efficiency and Cooperation (IPEEC) and also guided our growing engagement with the world’s biggest energy consumer club - the International Energy Agency (IEA).

As the nodal point in MEA for energy matters, the division maintained close coordination with the energy line ministries and facilitated their international engagements on energy issues. Ministry of Petroleum and Natural Gas was assisted in organizing the second India-Africa Hydrocarbons Conference in December 2009. The Division continued to coordinate with oil and infrastructure PSUs through periodic meetings of the Informal Working Group on Energy Security.

The Energy Security Division coalesced the country’s various stakeholders on energy security, including the private sector. An outreach programme was also begun to involve private sector companies, especially in the renewable energy sector, by organizing brainstorming sessions on bio-diesel, ethanol, etc. Advice was extended to corporates, chambers and think-tanks on energy-security related matters. Energy Security related seminars were co-sponsored and papers commissioned on subjects relating to energy security.
The main activities of the Policy Planning and Research Division include processing of Research Projects and studies relating to foreign policy and global affairs; preparation/updation of database of think tanks, research bodies, universities etc. dealing with subjects related to India’s foreign policy and international affairs; interaction with the University Grants Commission (UGC) and its affiliates and the area study centres of different universities, specializing in research on different regions of the world; and preparing the draft for Minister/MoS if and when directed. In addition, the Policy Planning and Research Division prepares and dispatches Monthly Summary of important developments of the month, for the Cabinet and senior officials of Government of India. The Division also compiles, edits, prints and distributes MEA’s Annual Report in a time bound manner. The Report serves as a compendium of India’s relations with the rest of the world and the views of the Government on various issues of the international relations. The Division also collates and compiles materials for "India & Abroad" chapter of INDIA, published by Publications Division, Ministry of Information & Broadcasting.

During this period, one of the major activity of the Division was the organization of Heads of Missions (HoMs) Conference in August 2009 which was attended by about 120 Ambassadors and High Commissioners. The HoMs were addressed by Vice President Shri Mohammad Hamid Ansari, Prime Minister Dr. Manmohan Singh, Minister of External Affairs Shri S. M. Krishna, Finance Minister Shri Pranab Mukherjee, Commerce Minister Shri Anand Sharma, Minister of Overseas Indian Affairs Shri Vayalar Ravi, National Security Advisor Shri M. K. Narayanan, Deputy Chairman of Planning Commission, Dr. Montek Singh Aluwalia, MoS for External Affairs Dr. Shashi Tharoor and MoS for External Affairs Smt. Preneet Kaur, Special Envoy of Prime Minister Shri Shyam Saran, Rajya Sabha Member and Chairperson IIC Smt. Kapila Vatsayan and Foreign Secretary Smt. Nirupama Rao.

The National Interest Project (NIP) conducted by Indian Council of Research in International Economic Relations (ICRIER) has been funded and monitored by the PP&R Division. The NIP has already been completed and almost 20 papers have been produced on important issues which have direct bearing on India’s national interest and foreign policy.

The Policy Planning Division has co-ordinated and monitored the establishment of the Institute of Foreign Policy Studies in the Calcutta University which has been established with the financial assistance of the Ministry of External Affairs. Its programmes include introduction of M.Phil courses and undertaking research/projects in India’s foreign policy with a focus on East Asia and South Asian countries. The Policy Planning and Research Division has been mandated together with the MER Division of the Ministry to prepare a project paper on IOR-ARC (India Ocean Rim Association for Regional Cooperation).

During the period, foreign policy consultations were held with China and Japan. On both occasions, JS [PP&R] led the Indian delegation.

A list of Seminars, Conferences, meetings and Studies partly funded by the Policy Planning and Research Division during the period is given at Appendix-XIII.

The Policy Planning and Research Division also looks after the work of the Situation Room and Boundary Cell. All their administrative issues and substantial works are looked after by the Division. The Division was responsible for scrutinizing the depiction of India’s external boundaries in the foreign publications imported into our country and offered its advice to the Ministries dealing with this matter. It coordinated the supply of map-sheets to various government and semi-government offices and research scholars for use in their official work with the Survey of India. The Division also dealt with the requests from research scholars for access to the old records of the Ministry.

**Boundary Cell**

The functions of Boundary Cell, established as part of PP&R division, are enumerated as under:

a) Examine all aspects of India’s external boundaries and scrutinise map sheets involving international
boundaries of India in coordination with the Survey of India, for publication.

b) Provide cartographic advice and technical support on border related matters to Territorial Divisions.

c) Assist in collection, collation and digitization of the available cartographic strip/Basis maps.

d) Liaise with Survey of India/State Governments regarding joint boundary survey work including maintenance/repairs of boundary pillar and on reports of any encroachment into Indian Territory (maintaining database etc.).

e) Assist in the collection and digitization of information pertaining to the maritime boundary, Exclusive Economic Zone (EEZ) and delineation of the Continental Shelf.

f) Scrutinise restricted map sheets in coordination with the Ministry of the Defence requested by various Government and semi-Government Organisations, for the purpose of development work.

g) Liaise with the Naval Hydrographic Office and Ministry of Earth Sciences.

h) Be a repository of all maps/documents/information pertaining to India’s international borders.

j) Scrutinize inaccurate maps published in foreign magazines, journals and atlases and take necessary action for getting these maps corrected.

Boundary Cell has participated in various Internal/Inter-ministerial meetings on International Land and Maritime Boundary of India as given below:

a) Participated in Inter-ministerial meeting on Baseline system of India.

b) Provided inputs for Gazette notification for Baseline System of India.

c) Organized lecture for IFS Probationers on “Surveying and Mapping trends and technologies” and conducted visit to Boundary Cell and Survey of India for field duties.

d) India-Nepal Boundary Technical Level Meeting held at Dehradun.

e) Provided Cartographic and Technical Inputs to all Territorial Divisions on various aspects of International Boundary (Land and Maritime).

f) Authentication of location of Gandak Bund Project in Nepal near India-Nepal International Boundary for North Division.

g) Provided comments with relevant inputs to FSO in response to Directorate General of Central Excise Intelligence, Ahmadabad Zonal Unit regarding investigation of survey and exploration activities in Krishna Godavari Basin to ascertain the basis of leviability of service tax.

h) Assam-Nagaland Boundary meetings convened by MHA and supplied relevant information and maps to BSM Division.

i) Attended Government level meeting on India-Bhutan Boundary talks as part of the Indian delegation.

j) Authentication of International Boundary on OSM and DSM Maps (12 sheets) submitted by SoI through PP&R Division.

k) Building database for Boundary Strip Maps covering the External Boundary of India.

l) Archival and Digitization of Boundary Strip Maps.

m) Archival of Topographical Maps in digital and hard copy form, published by Survey of India covering International Boundary of India.

**Situation Room**

**General**

Situation Room is a multifaceted, multi facility state of the art complex of the Ministry. Set up in 2007, it has the requisite communication connectivity and display panels which would be required for handling any crisis situation. Besides its primary role as a Crisis Management Cell of the Ministry, the complex has been effectively utilized by all Divisions for various purposes such as presentations & conferences including telephone /video conferences etc.

**Role**

The role of Situation Room is as given below:

(a) Act as a multi facility complex facilitating conferences, presentations, periodic briefings, video/telephone conferences with Head of Missions, discussions on maps and images as required by various Divisions of the Ministry.

(b) Act as a Crisis Management Cell (Control Room) in case of crisis.

**Activities During the Period of the Report**

Establishment of Video Conferencing Facility in Missions. In consonance with the vision of Foreign Secretary to add a new dimension of communication in the Ministry, video conferencing facility is being established in selected Missions in a phased manner. As part of Phase I of the project, facility was installed in six Missions in 2008. During the period of this report, Phase II of the project was completed and work on Phase III was initiated. Process of installing this facility in Missions at Thimphu, Vienna, Kathmandu and Kabul is under progress. The facility has been installed in following Missions till date:

There were 95 visits (73 incoming and 22 outgoing) during the April 2009-March 2010 period at the level of Head of State, Vice President, Head of Government and Foreign Minister. Three countries (Burundi, Gambia and Georgia) opened resident missions during this period bringing the total number of resident missions in New Delhi to 140. Opening of new Consulates General in Mumbai were approved for Ethiopia and New Zealand in 2009. Five countries got permission to open trade offices and nineteen were granted permission to open honorary consulates in Indian metro cities. Honorary Consul of Hungary in Mumbai and Honorary Consul of Ireland in Bengaluru were upgraded to Honorary Consul Generals in January and February 2010 respectively. 157 new posts were created by foreign missions and international organisations in the period April 2009-February 2010. The keen interest evinced in India as witnessed in the large numbers of VVIP visits; opening of new missions, consulates, and trade offices; as well as the creation of numerous additional posts by diplomatic missions – was reflective of India's active and multifaceted engagement with the world.

Consular, Passport and Visa Services

Passport Offices

There are presently 37 Passport Offices and 15 Passport Collection Centres in India. All Passport Offices are computerized and they issue machine-printed and machine-readable passports as per the guidelines laid down by the International Civil Aviation Organization. Passport applications are being scanned and stored electronically.

Passport Services

There has been a significant increase in the number of passports issued over the years. The growth in the number of passports issued is enumerated in the table, below:

<table>
<thead>
<tr>
<th></th>

<td>50.28</td>
</tr>
<tr>
<td>% increase</td>
<td>-</td>
<td>83 %</td>
<td>66%</td>
<td>94%</td>
</tr>
</tbody>
</table>

The number of passports issued in 2008 by the 37 Passport Offices was 53.10 lakh. However, during the year 2009, the growth has stabilized, in issue of 50.28 lakh passports. The total revenue generated through the Passport and Visa services during the period April 2009-20 January 2010 are Rs. 685.5 crores & Rs. 924.41 crores respectively.

The Ministry has been taking a number of measures to make the passport issuance system simpler and speedier for the comfort and convenience of the public. Some of the important steps are delineated as under:

(a) Decentralization through District Passport Cells and Speed Post Centres

With a view to taking the passport issuance and related services nearer to the doorsteps of the applicants, District Passport Cells (DPCs) have been opened at the district level where the office of the District Magistrate/Superintendent of Police receives passport applications and after scrutiny and police verification, forwards them to the concerned Passport Office for issuance of passports. Currently, there are 463 DPCs. The passport applications are also received through the network of 1096 Speed Post Centres. One Speed Post Centre was added during the year at Chavakkad post office, District Thrissur, Kerala.

(b) Online Applications

Online submission of passport applications has been introduced in all Passport Offices. The District Passport Cells referred to above and Speed Post Centres have also been allowed to file applications on-line and transfer the data to the Passport offices which facilitates quicker turnaround in the issuance of passports.

(c) Infrastructure

During 2009, Passport office at Bhubaneshwar shifted to newly constructed Government owned building. Construction is nearing completion in respect of the Passport office at Vishakhapatnam and the office is expected to shift in 2010. Construction for the new office at Mumbai is expected to begin by early 2010.

(d) Centralized Printing of Passports

In respect of 140 non-computerized Missions/Posts abroad, the Ministry has so far issued 170196 passports up to 31 December, 2009 after successfully implementing the project for centralized printing of Machine Readable Passports (MRP) at CPV Division, New Delhi.

RPOs Conference

A conference of 16 Regional Passport Officers from the Southern and Western regions was convened at Thiruvananthapuram on 10 August, 2009. Another conference of 17 Regional Passport Officers from the Northern, Central and Eastern Regions was organized at Kolkata on 31 October, 2009. Both the conferences were chaired by the Minister of State for External Affairs Dr. Shashi Tharoor.

Public Grievance Redressal Mechanism

Steps have been taken to strengthen the public grievance redressal mechanism in all Passport Offices. Facilitation
Counters and Help Desks have also been set up to assist applicants and also to attend to grievances/complaints expeditiously. A public grievance redressal mechanism has also been set up in the CPV Division under the close supervision of the Joint Secretary (CPV) and Chief Passport Officer. In addition, all the Passport offices handle public grievances through the CPGram website of the Ministry of Personnel, Public Grievances and Pensions.

**Passport Adalats**

Passport Offices have been holding Passport Adalats periodically to redress the grievances of passport applicants. These Adalats have been very useful in disposing of old cases.

**Right to Information Act (RTI)**

A Central Public Information Officer and Assistant Public Information Officers have been appointed in every Passport office to provide information to applicants under the RTI. A total of 932 RTI applications and RTI 363 appeals were received and disposed off by the Division.

**Website**

The website of CPV Division [http://passport.gov.in](http://passport.gov.in), which was established in 1999, is being updated from time to time to make it more user-friendly. It has detailed information on passports, status enquiry and links to various passport offices and also has downloadable forms.

**Issuance of Visas**

Over the years, the procedure for grant of visas by our Missions and Posts has been simplified including computerization of the issuance system. Most Missions and Posts grant visas either across the counter on the same day or at the most within 48 hours.

**Visa-Waiver Agreements**

India has Visa-Waiver Agreements with 48 countries by which diplomatic/official passport holders are exempted from requirement of visa. During the current year, an agreement has been signed with Namibia.

**Issuance of Diplomatic/Official Passports**

CPV Division issued 2659 diplomatic and 22594 official passports in 2009, as compared to 2775 diplomatic and 22948 official passports in 2008. CPV Division issued 7173 visas to foreign diplomatic and official passports holders in the year 2009.

**New Projects**

The Ministry has embarked on several projects with a view to modernizing and upgrading the passport/visa issuance system. These are as follows:

(i) **Issuance of E-Passports**

The President of India Smt. Pratibha Devisingh Patil launched the issuance of e-passports, also known as bio-metric passports on 25 June, 2008. All diplomatic and official passports are now being issued as e-passports as part of a pilot project. The evaluation of global PQB applications for procurement of ICAO compliant electronic contactless inlays along with its operating systems for manufacture of e-passports by the India Security Press Nashik was taken up on 16 October, 2009. The full roll-out of e-passports is expected by September 2010.

(ii) **Passport Seva Project**

On approval of the Union Cabinet in September 2007, the Ministry embarked on the prestigious Passport Seva Project. The Project aims at delivering all passport related services to the citizens in a timely, transparent, more accessible and reliable manner.

The Project envisages setting up of 77 Passport Seva Kendras (PSKs) across the country where the non-sovereign functions, involved in the passport issuance process, such as initial scrutiny of the application forms, acceptance of fee, scanning of the documents, taking photos, etc. will be performed by Tata Consultancy Services Limited, the Service Provider. The sensitive activities such as granting will be performed by the Government staff. The Project is expected to result in the issue of passports within three days, and where police verification is required, within three days after completion of the verification process.

Launch of the Project at seven Pilot sites under Regional Passport Office Bangalore and Chandigarh is expected to be announced after Ministry is satisfied with testing of the application software developed by the Service Provider. Later, the Project will be implemented in three waves to cover the entire country.

(iii) **Outsourcing of Visa Work**

Fifty five Indian Missions/Posts abroad have been authorized to outsource visa application collection work. 18 Indian Missions/Posts abroad commenced the outsourcing working during the year. The total number of Indian Missions/Posts abroad which have outsourced the visa work now stand at 48.
(iv) **Launch of Apostille Convention Project**

During the year, 317078 personal and educational documents and 227625 commercial documents were attested by the Ministry. In addition, 124661 documents were apostilled for use abroad in the apostilled members’ countries.

(v) **Extradition Cases and Legal Assistance**

The Ministry has been pursuing actively with various countries for negotiating bilateral agreements to provide a legal and institutional framework to combat international terrorism, organized crime including financial frauds and drugs trafficking. These consular agreements include Treaties on Extradition, Mutual Legal Assistance in Criminal Matters, Mutual Legal Assistance in Civil and Commercial Matters and Transfer of Sentenced Prisoners.

During the visit of the President of Kazakhstan to India, an Extradition Treaty was signed between the two countries on 24 January, 2009. During the year, an Indian official delegation visited Morocco, Azerbaijan and Israel to negotiate Extradition, Mutual Legal Assistance Treaty in Criminal Matters and Mutual Legal Assistance Treaty in Civil & Commercial Matters. Official delegations from Vietnam and Bosnia and Herzegovina also visited New Delhi to negotiate Extradition treaty and Mutual Assistance Treaty in Criminal Matters with India.

During the year, two persons were extradited from India to the United Kingdom and United States of America and four people were extradited from foreign countries to India. The Government of India received request for extradition of four persons from various countries.
Administration and Establishment

Administration

There are 173 resident Indian Missions and Posts abroad. In the year reported upon, two new Missions were opened, namely, Embassy of India, Bamako and Embassy of India, Niamey. Another Mission in Guatemala City will be opened shortly.

With a view to streamline the administrative machinery, constant efforts are on to achieve greater decentralization of decision-making and simplification of process. The Rules in respect of Home Leave Fares have further been liberalized: an additional set of fares has been provided for officers adjusted in the same Mission for additional three years also and five more stations have been included in the list of airports upto which travel under HLFs/ Emergency Passage is permitted. List of Missions enjoying heating concession during winters has been expanded. Rules relating to Ex-India Leave have also been liberalized. With the revision of the Rules regulating various allowances in the wake of Sixth Pay Commission, norms have been evolved for equitable application of revised rules in respect of officials deployed in Indian Missions/Posts abroad. Cases, where relaxation of Rules was necessary, have been processed and relief provided to deserving officials after obtaining approval of the competent authorities, keeping in view the human and welfare approach to their problems.

Recruitment made to various groups in the Ministry on 1 April-30 November 2009, through methods of Direct Recruitment (DR), Departmental Promotion (DP) and Limited Departmental Examination (LDE), including against reserved vacancies, are given in the table at Appendix-II.

Gender Issue

Gender equality has been a key element of Ministry’s overall policy. In keeping with this, equal opportunities are provided to women officers to take up important responsibilities. There 52 officers of the rank of Director and above in the Ministry(23 at headquarters and 29 at Missions/Posts abroad). Out of 29 lady officers posted abroad, 17 are HoMs/HoPs.

Persons with Disability

Ensuring adequate opportunity to persons with disability and to have suitable representation of persons with disability among its personnel is an important objective of the Ministry. Towards this goal, the Ministry has identified posts suitable for appointments of persons with disability, including in Indian Foreign Service.

Establishment Division

The charge of the Establishment Division primarily includes renting and maintenance of properties, fixation of foreign allowance and representational grant, purchase supply and maintenance of office equipment, furniture and official vehicles, supply of Object d’Arts, management and maintenance of MEA housing complexes and hostels, maintenance of Toshakhana and purchase and supply of stationery. During the year, new initiatives were taken to streamline the rules, regulations and procedures, governing some of these issues in order to make them simple and transparent.

Annual review of the foreign allowance was undertaken under the indexation scheme by a joint team of the
Ministry of External Affairs and the Ministry of Finance. For the first time, foreign compensatory allowance was introduced for the non-Representational Officers deputed abroad under various bilateral and other programmes. Property Team visited Melbourne and Port Moresby to improve the conditions of our Missions in these places by relocating them to larger and better locations.

As part of the inspection of Indian Missions, our Missions in Lisbon, Georgetown, Caracas and Bogotá were inspected by a high level team of inspectors. Their reports have helped considerably in streamlining the functional as well as administrative issues in these Missions. Follow up actions were taken on the reports of inspections undertaken during the last financial year.

Renovation of External Affairs hostel at Gole Market has been completed. B&C Blocks of the Hostel at Kasturba Gandhi Marg have been handed over to NBCC for renovation. As a result, considerable improvements have taken place in the living conditions in these hostels. In K. G. Marg Hostel, a newly built block of six suites, to be used by visiting Heads of Mission, has been made functional. Repair and renovation works in MEA pool accommodation in Pushp Vihar, has been completed. With the improvement in the living conditions in the Housing Complex, Dwarka, the occupancy rate has gone past 93%. Chanakyapuri Housing Complex of MEA became functional from March 2009. This has considerably helped the Ministry in addressing the housing needs of its officers.

A system of annual physical verification of Od'A items was introduced to increase accountability. The exercise initiated for digitalization of Od'A items in the Ministry is nearing completion. CCTV was installed to cover all rooms where Od'A items are stored/handled. Complete physical verification of all items in Toshakhana was undertaken.

Delegated powers of Missions for repair and maintenance of official vehicles have been enhanced to reduce unnecessary references to the Ministry. Satellite phones have been provided to selected missions to ensure smooth communication during emergency situations. Armoured vehicles were supplied to selected high risk countries to provide protection against security threats.

The Division also introduced a new system for better maintenance of Government as well as rented properties abroad to avoid unnecessary litigation and financial loss to the Government. New policy guidelines on these issues were issued to all Missions and Posts. Rental ceilings for several Missions were revised to facilitate better housing.

Further steps were taken at Headquarters to improve cleanliness and maintenance of Government Offices, particularly South Block, Akbar Bhawan and Patiala House. Steps were also taken to further streamline the purchase and maintenance of office equipments for all MEA offices.

Projects Division

Projects Division is responsible for construction of properties and purchase of built-up properties in India and abroad for use of Ministry of External Affairs for its offices and residences for employees. Proposals relating to repairs/renovation of Government owned properties in stations abroad are also handled by the Projects Division. As of now, Government owns 80 Chancery Buildings in 77 stations abroad, residences for Heads of Missions/Posts in 91 stations abroad and 635 residences for officers/staff in 47 stations abroad. In addition, government also owns property for Cultural Centres in two stations and a Liaison Office in one station. Currently 53 construction projects including major renovation/re-development projects are at different stages of implementation.

Amongst projects abroad, construction work for the Indian Embassy Complex in Muscat and Tokyo (Embassy Residence and other Residences) have been completed. Construction on major projects such as Chancery and/or Residences in Kabul, Kathmandu, Beijing, London, Islamabad, Singapore and Budapest are making progress. Projects in Dhaka, Brasilia, Tashkent and Warsaw are likely to go into construction phase in the next few months. Renovation work is in progress at Beirut, Brussels and Dublin. Renovation projects in Damascus and Paris are likely to be awarded in the next few months.

Built-up properties have been purchased for Embassy Residence in Hamburg and Dublin. The Ministry is making vigorous efforts to acquire built-up properties in high-rental stations. Major proposals under process for purchase of built-up properties include Chancery in Hong Kong and Rabat, Embassy Residences in Dubai, Birmingham, Paramaribo, Sao Paulo and Vancouver and Cultural Centres in Sao Paulo, Paris and Washington. In addition, a number of purchase proposals from different Indian Missions/Posts are also under consideration. MoU has been signed for exchange of properties between Vietnam and India. After evaluation of two buildings for Chancery and Embassy Residence in Hanoi, these will be exchanged for a plot of land in Delhi for Embassy of Vietnam.

Amongst projects in India, construction work for Jawaharlal Nehru Bhavan, the future Headquarters of the
Ministry of External Affairs, is in progress and likely to be completed in June 2010. The Chanakyapuri Residential Complex for officers of the Ministry of External Affairs, the Transit Accommodation project at Canning Lane and the Foreign Service Institute Complex in New Delhi have been completed.

The work in AALCO Complex being built in New Delhi for the Asian African Legal Consultative Organization and ICCR Cultural Centre, Kolkata has also been completed.

Sale of surplus properties at Lagos and Dublin are also under process in the Ministry.

An allocation of Rs. 400 crores has been made under Capital Outlay during 2009-2010. Budget estimates for 2010-2011 have been kept at Rs. 683.64 crores, to provide for a number of projects expected to go into construction phase in the next financial year.

**Welfare Division**

Welfare Division deals with all matters relating to general welfare of serving officers and members of staff of the Ministry and in Missions abroad. Specifically, this include giving of emergency first aid, transmission of telegraphic messages in respect of deceased personnel or cases of death.

(i) **Educational Matters**

Welfare Division facilitates admission of Ministry of External Affairs children in Kendriya Vidyalayas against 60 seats allotted to this Ministry by Kendriya Vidyalaya Sangathan. Welfare Division also assisted children of the officials of the Ministry at Headquarters in securing admission in colleges. Also Welfare Division has processed applications for admission in Medical/Engineering Courses. In 2009-2010 students were selected from about 15 applications for admission to five Medical Degree Courses and from 85 applications 52 children were accorded admission in Engineering courses.

(ii) **Staff Benefit Fund**

Welfare Division operates a staff Benefit Fund formed over the years by contributions from officers and members of staff of the Ministry. This is mainly used to give financial assistance of Rs.15,000 per death case to meet the funeral expenses in the case of death of members of staff of MEA. On the recommendation of Welfare Division External Affairs Spouses Association (EASA) presented cheques amounting to Rs. 10,000-Rs.20,000 respectively to each of the dependents of deceased employees of the Ministry of External Affairs.

(iii) **Compassionate Appointment**

Whenever a member of the staff passes away, Welfare Division examines the financial status of the surviving family members and examines if spouse or any children of the deceased person is educationally qualified to be recruited in any Group ‘C’ or Group ‘D’ posts. A list of such persons is maintained in the Welfare Division strictly on the basis of financial position of the family.

(iv) **Grant In-Aid**

Welfare Division controls Grant in-Aid to all Indian Missions abroad and to all Regional Passport Offices in India for recreation facilities and sports activities. The Division also arranges and financially supports inter-Ministry sports activities.

(v) **Family Disputes**

Though rare, Welfare Division extends its help in settlement of family disputes by listening to their grievances, differences, complaints and consoling them to continue a reasonably happy family life.

(vi) **Flag Days**

Welfare Division arranged for celebration of different Flag Days like Red Cross Day, Communal Harmony Day, Armed Forces Day and collected funds for these organizations.

(vii) **Canteens**

Welfare Division administered MEA Departmental Canteens located in Akbar Bhawan, South Block and Patiala House. As usual canteens provided quality products and professional services to the officers and staff of the Ministry. In addition, Canteens were also able to provide excellent service to visiting Diplomatic Corps, International visitors and VIP’s. To further augment and improve canteen services a canteen under Indian Railway Catering & Tourism Corporation Ltd. (IRCTC) has also been started in South Block from November 2006.

(vii) **General**

As and when officers and members of the staff returned from Missions to Headquarters, they faced difficulties in getting admission in various public/private schools, gas connection, ration card and telephone connections. Welfare Division issued letters to Schools, MTNL etc. which helped them in getting these domestic facilities faster. The Welfare Division is headed by a Joint Secretary and
assisted by a Director, an Under Secretary, a Section Officer, an Assistant, a LDC and Group ‘D’ staff.

Right To Information & Chief Public Information Office

“A total of 804 applications under the RTI Act, 2005 have been received by the Ministry during the period 1 April -31 December, 2009. Applications covered subjects such as administration, personal grievances, Haj pilgrimage, Kailash-Manasarovar Yatra, Gulf War compensations, foreign policy, economic issues etc. Out of these applications, 238 appeals have been filed by the applicants to the Appellate Authority of the Ministry during the same period. Further, the CPIO and Nodal Officers of the Ministry have been attending the hearings held at the Central Information Commission, as and when required, to respond to the queries raised by the Commission. Efforts are being made to ensure full implementation of the provisions of the RTI Act, 2005”
Co ordination Division consists of three wings viz. Parliament Section, Coordination Section and Education Section.

**Parliament Section**

Coordination Division functions as the nodal point of the Ministry of External Affairs for all work relating to Parliament including questions-answers, assurances, debates on foreign relations and laying of reports on the Table of both Houses of Parliament. The Division has also the responsibility to organize the meetings of the Consultative Committee on External Affairs, and coordinates the work relating to the Parliamentary Standing Committee on External Affairs and other Parliamentary Committees.

**Coordination Section**

Coordination Section processes all proposals for grant of no objection from the political angle for the foreign visits of Governors, Speaker of the Lok Sabha, Deputy Chairman of Rajya Sabha, Union Ministers, Ministers in the State Governments, Members of Parliament, Members of State Legislative Assemblies, Members of the Judiciary, government officials, etc. Political clearance is accorded by the Ministry of External Affairs after taking into consideration the guidelines laid down by the government for the purpose, the political and functional justification for the visit, meetings arranged and the recommendation of the Indian Mission/Post concerned. During the current year, Coordination Division has issued 2706 political clearances for such visits as against 2539 during the corresponding period in 2008. The Section also handled work relating to grant of diplomatic clearances for foreign non-scheduled flights and visits by naval ships. During the current year, the Division issued 996 clearances for foreign non-scheduled flights as against 971 during the same period in 2008.

Coordination Section had processed a large number of approvals for participation of Indian sports teams and sportsmen in international events abroad and visits of foreign sports persons / teams to India. The Section also examines requests for grant of no objection for holding international conferences, seminars, workshops, grant of Amateur W/T Licence under the Indian Telegraph Act 1885, grant in aid to Indo-foreign cultural friendship and cultural societies located in foreign countries.

Coordination Section coordinates the work relating to grant of Padma Awards to foreign nationals. The nominations are obtained by the Coordination Division from Indian Missions/Posts abroad and the recommendations of the Ministry are conveyed to the Ministry of Home Affairs.

Observance of Anti-Terrorism Day (21 May), Sadbhavana Divas (20 August) and Quami Ekta Week/Diwas (19-25 November) in the Ministry and Missions/Posts abroad were also undertaken by the Coordination Division; pledges were administered to the officials, both at Headquarters and in Missions/Posts abroad.

Coordination Section has been assisting the Ministry of Defence in interaction with the Ministry and the Indian Missions/Posts abroad for the forthcoming DEFEXPO India – 2010 to be organized by the Ministry of Defence in February 2010.

Coordination Section represented and gave Ministry’s input at various inter-ministerial meetings on divergent issues. Similarly, the Coordination Section collated inputs from various Divisions of the Ministry in preparation of documents, notes and briefs on important subjects.

**Education Section**

Education Section deals with the selection, nomination and admission of foreign students from 63 friendly, neighbouring and developing countries for MBBS, BDS, BE, B.Pharmacy and diploma courses in various institutions in India under the Self Financing Foreign Students Scheme against seats allocated to this Ministry by the Ministries of Health & Family Welfare and Human Resource Development respectively. Political clearances of foreign students seeking admission to Graduate and Post-Graduate courses in Engineering, Medicine, Management, other technical and professional courses including elective training/internship in various medical institutions and research courses were also processed by the Education Section.

For the academic year 2008-09, Education Section received and processed 52 and 83 applications for admission to the MBBS/BDS and B.E/B.Pharmacy courses respectively. In addition, during the current year 1345 foreign applicants were granted no objection from the political angle to pursue various courses in India.
External Publicity (XP) Division of the Ministry of External Affairs (MEA) continued to articulate the views/positions of the Government of India on various national and international issues through interaction with Indian and international media. This was done through regular and special press briefings, statements, backgrounders and postings on MEA’s website. The main activities of the Division were focused on dissemination of information on India’s relations with its immediate neighbours as also with key countries of the world. Following the barbaric terrorist attacks of 26/11 at Mumbai, a sustained publicity drive to project India’s concerns on terrorism emanating from across our borders was undertaken. Besides this, as part of our new initiatives, a series of new projects to reach out to African countries were undertaken, including the flagship ‘India Africa Connect’ website which was launched by External Affairs Minister. The Division also hosted a number of groups of foreign journalists as part of its Outreach Programme, besides also reaching out to the Urdu and other non-English media.

Press Coverage of Incoming VVIP Visits
India’s robust engagement with international community was marked by a number of high level visits to India. Notable among them were the Heads of States/Government of Bhutan, Russian Federation, Denmark, Argentina, Canada, Australia, Japan, Bangladesh, ROK, Malaysia, Turkey, Germany and Nepal. A number of other important dignitaries like the US Secretary of State also paid official visits. The Division used the opportunities provided to highlight India’s position on important bilateral, regional and international issues. The Division also arranged joint press interactions with the visiting dignitaries during these visits. Special briefings by the Official Spokesperson and other senior officials of the Ministry were also held regularly to keep the media briefed.

Press Coverage of Indian Dignitaries’ Visits Abroad
All logistical arrangements, including setting up and operating fully equipped Media Centres for journalists, media briefings and other facilitation for the media accompanying the President, Vice President, Prime Minister and the External Affairs Minister on their visits abroad, formed an important part of work of the Division to ensure suitable media coverage. During the year, media teams accompanied President on her visit to Spain, Poland, Russia, Tajikistan, UK and Cyprus; Prime Minister to UK (G-20 Summit), Russia (BRIC & SCO Summits), Italy (G-8, G-5 Summits), France and Egypt (Non Aligned Movement Summit), USA (G-20 Summit), Thailand (Association of South East Asian Nations and East Asian Summits), USA (State Visit) and Port of Spain (Commonwealth Heads of Government Meet Summit); the Vice President to Kuwait and South Africa and the External Affairs Minister to Japan, Bhutan, Thailand, Nepal, Australia, Kuwait and Afghanistan.

Liaison with National and International Media
The official spokesperson’s office liaised with the Indian and foreign media throughout the year by conducting regular briefings on major developments having a bearing on India’s foreign policy, incoming and outgoing high level visits and important day-to-day development. During the year (up to 21 January 2010) 187 press releases, 63 press briefings and 34 joint press statements and 60 media advisories were issued by the Division on various issues of concern. Interviews with the Prime Minister, External Affairs Minister and other dignitaries were arranged with Indian and international newspapers and TV organizations. These were also placed on the Ministry’s website.

Official Spokesperson’s Office
The Official Spokesperson’s Office functioned as the hub for information dissemination on day-to-day developments related to the conduct of India’s foreign policy. The Office arranged regular media briefings by the Spokesperson, which were duly supplemented by press releases, briefing points and statements. From 9 April-21 January 2010, about 58 press briefings were organized by Official Spokesperson’s office. In addition, more than 187 press releases and statements were issued during this period. These were circulated to the media
through emails and simultaneously placed on the Ministry’s website. The Division actively used the medium of SMS alerts for informing the media about briefings and updates to the website. During the year, External Affairs Minister, Foreign Secretary and other senior officials of the Ministry addressed special media briefings on important issues. Additionally, constant efforts were made to communicate the position and perspective of the Government on various significant issues by providing background briefings to media persons. Interviews with the Prime Minister, External Affairs Minister, Ministers of State for External Affairs and other dignitaries were arranged with Indian and international newspapers and TV organizations.

**MEA Website**

Ministry of External Affairs’ website continued to serve as a useful instrument in the dissemination efforts of the Division. The press section of the website was regularly updated with the speeches/interviews/statements on foreign policy by the Prime Minister, Minister(s), press releases, briefings by the Official Spokesperson and other Senior Officers. The website is widely accessed both inside and outside India and is hyperlinked to the websites of Indian Missions / Posts abroad and various Ministries. The Division continued to use the Ministry of External Affair’s Notice Board to provide the Missions/Posts abroad with professionally written features on various aspects of India for publicity purposes in local media. News clippings of interest from national newspapers were also uploaded on daily basis on the Board for use by our Missions/Posts.

**New Initiatives on MEA Website**

a) **Revamping of MEA Website:** The project for revamping the MEA website to make it more user-friendly and further improve its look and feel has been initiated. Genpact, has been entrusted with the project, which is likely to be completed soon.

b) **Hindi Section of Ministry’s website:** Hindi section of the website has been continuously updated to make it identical with the English section, as far as possible. Since almost all original text is in English, updation of the Hindi section of the website is completely dependent on translation work, which has been outsourced to a panel of professionally qualified Hindi translators. Members of general public and Hindi lovers, including representatives from Indian media, have much appreciated the Hindi section of website.

c) **Urdu translations:** For the first time, arrangements have been made with ANI to post Urdu translations of MEA press releases on its Urdu website. A link has been provided to the site on MEA website.

**India-Africa Connect Website**

External Affairs Minister Shri S. M. Krishna launched the ‘India-Africa Connect Website’ on 17 August, 2009 in New Delhi. The website was jointly developed by XP Division along with Indian Association of News Services and is devoted to promoting relations with our African counterparts, and hosts news, features and essential information on India and African countries, with special emphasis on development cooperation. The website was launched with the aim of facilitating closer cooperation between India and Africa. The website can be accessed at [http://www.indiaafricacconnect.in](http://www.indiaafricacconnect.in) and a link is also available on MEA website home page.

**Logistical Support to Foreign Media Based in India**

Over 300 foreign media representatives based in India were provided necessary facilitation to enable their smooth functioning, through provision of necessary information and access, regular interactions, as well as, assistance in matters of credential documents, visas and residence permits. Visa extensions and/or accreditation facilities were also extended to them.

**Familiarization Visits by Foreign Journalists**

Familiarization visits by foreign journalists to India constitute a key element of the Division’s efforts to expose them to different facets and views of modern India. It enables them to gain first-hand impressions of Indian politics, foreign policy, economy, culture and science and technology. Based on the recommendations of Indian Missions/Posts abroad, the Division organized the familiarization visits of over 90 foreign journalists to India from the period April 2009-January 2010. During these visits, all logistical arrangements to enable the journalists to visit important institutions and centres of excellence in India were made by the Division. The Division also organized meetings for visiting foreign journalists with Ministers, Senior Officials, Academicians, Intellectuals and Business Representatives and site visits to select centres of industrial excellence in India.

**Documentaries and Films**

An important area of work of the Division pertains to the clearance of documentaries by foreign audio-visual agencies. An exercise to streamline the procedure for granting approval for making documentary films in India...
by foreign producers was undertaken by the Division. As a result of inter-ministerial consultations, the process has largely been streamlined. During the year, over 400 proposals for making documentaries by foreign producers from USA, UK, Japan, Australia, France, Sweden, Italy, South Africa, Malaysia and China were cleared by the Division.

Training, Workshops, Conferences and Special Events
The Division, on recommendations of the concerned Territorial Divisions, organized specialized training programmes and other events for media from neighbouring countries like Afghanistan. 19 journalists (Eight AV and 11 Print) from 10 Anglo phone African countries were also invited, for a three week specially designed course, in consultation with Jamia Millia Islamia University. The division also hosted journalists from Bangladesh, Sri Lanka, Nepal, China, Kazakhstan, Ethiopia and from Gulf countries during this period. Meetings for them were organized with senior officials and academics, as well as visits to centres of excellence. The Division also facilitated the placement of correspondents from IANS and Press Trust of India in select African countries to enhance mutual understanding and bridge the information gap.

Booklet on General Elections
To disseminate accurate information about General Elections in April-May 2009, which have been hailed as the world’s largest democratic exercise, the Division published a compact and colourful handbook, containing useful statistics and detailing the manner in which elections are conducted in India. This served as a handy reference for foreign readership and journalists in particular. A web link to the booklet was also placed on the MEA website.

Administration/Housekeeping
In order to improve the general working environment and create an aesthetically pleasant appearance, a major renovation exercise of XP Division at Shastri Bhawan was concluded recently. Display of select historical photographs, along with a liberal splash of green plants, has made the area more presentable and attractive.
The mandate of the Public Diplomacy Division includes, inter-alia, the production of print and audio visual material that enables our missions to project the diverse facets of India more effectively. In addition, the division also organizes a wide range of outreach activities that are aimed at creating a greater understanding of India and its foreign policy concerns both within India and abroad. To achieve these objectives, the division partners with major domestic and international think tanks and research organizations to organize seminars and conferences on subjects that are relevant to our concerns. The division hosts delegations from various countries and organizations to provide them with a broad-based exposure to India. In addition, the division organizes lectures and other events within India with the objective of fostering a more informed discourse on India’s foreign policy.

Outreach Activities
The division organized a number of outreach activities including delegation visits, seminars, conferences, engagement with universities and other educational institutions, distinguished lecture series and screening of films to highlight major issues related to India’s foreign. These include:-

Training of Indian Foreign Service (IFS) Probationers

One of the primary activities of the Foreign Service Institute is the training of IFS Probationers. The Probationers undergo a one-year long training programme at FSI to prepare them to handle the wide range of tasks that they would be required to perform during their professional careers, both at Headquarters and in Missions and Posts abroad.

At the completion of the training of IFS Probationers of the 2007 batch, the Bimal Sanyal Gold Medal for the Best Probationer of the Batch was awarded to Ms. Satwant Khanalia and the Silver Medal for Best Dissertation was awarded to Dr. N. Nandakumar. The medals were presented at a function held at FSI on 26 May, 2009.

The IFS Probationers of 2008 batch have been attending their training programme at FSI since December 2008. The year-long training programme was implemented through lectures as well as attachments to various institutions. It included modules on a large number of subjects such as international relations and foreign policy, international law, defence and security, economic diplomacy, cultural diplomacy and social development, etc. The programme also included modules on practical skills relating to administration, establishment, accounts, protocol, reporting skills, official language policy, external publicity, representational skills, etc. A module on India’s cultural heritage was introduced for the first time for the Probationers.

The training also included attachment with the Indian Army and Air Force, visits to Western Naval Command and Mazagon Dockyard Ltd. in Mumbai, and interactive sessions with leading financial institutions and industrial establishments. In order to develop their skills in management, leadership techniques and economic issues, a two-month long training course was specially organized for the Probationers at Indian Institute of Management, Bangalore.

The Probationers went on a ‘Bharat Darshan’ tour with a view to acquaint themselves with the rich cultural diversity, heritage, and economic and tourism potential of the country. In order to familiarize the Probationers with the work of Indian Missions abroad and enhance their knowledge of India’s immediate neighbourhood, the Probationers also visited the Indian Missions in Colombo and Thimphu in two groups in May-June 2009.

IFS Probationers of 2009 batch joined the Institute in December 2009 and their training programme has commenced.

Training of Officials of the Ministry

The first Mid-Career Training Programme for Joint Secretary level officers was carried out from 12 April-1 May 2009 in two phases at the Indian School of Business, Hyderabad and at FSI premises. 36 officers of the rank of Joint Secretary participated in the training which, inter alia, covered international relations and India’s foreign policy, India’s security environment, energy security, economic diplomacy, strategic decision making and implementation, etc.

The second Mid-Career Training Programme for Joint Secretary level officers was carried out from 4-16 January, 2010 in two phases at the Indian School of Business (ISB) Hyderabad and at FSI premises. 36 officers of the rank of Joint Secretary participated in the training.

The email-based Mid-Career Training Programme for Director-level officers of 1991 batch was completed in June 2008. The programme for 1992 batch IFS officers is in the final stage of completion, and that for 1993 batch is also concurrently running. This programme consists of five modules of India’s foreign policy, economy, security, regional issues, and Indian diaspora. Officers are also required to write a monograph.

A media training programme for officers of the Ministry of the rank of Joint Secretary/Director/Deputy Secretary was carried out from 6-10 July, 2009. The officers were imparted training on facing the media and conducting press conferences etc.

Two Refresher Courses for Section Officers of the Ministry were conducted from 15-24 June, 2009 and
4-13 November, 2009. The participants were briefed on communication skills and various functions in Missions abroad. The participants also underwent training in the Integrated Mission Accounting Software (IMAS).

Three Basic Professional Courses (BPCs) for Assistants and Clerks of the Ministry were carried out from 15-24 July, 14-23 September and 7-15 December, 2009. The participants were imparted training on Mission-related topics as well as on the Integrated Mission Accounting Software (IMAS).

The First Induction Course for Direct Recruit Assistants of the Ministry was held from 5-16 October, 2009. In this orientation programme, while training in general topics was carried out by Institute of Secretariat Training & Management faculty, the topics related to Ministry were covered by the officers from the concerned Divisions in the Ministry.

A one day Course on Right to Information (RTI) was organized at Foreign Service Institute on 20 January, 2010 with the cooperation of Central Information Commission (CIC) in which officials from the Ministry, including IFS Probationers of 2009 batch, participated.

**Programmes for Foreign Diplomats**

Foreign Service Institute continued to conduct various training programmes for Foreign Diplomats in its efforts at building bridges of friendship with countries around the world.

The 47th & 48th Professional Course for Foreign Diplomats (PCFD) were successfully organized by FSI from 11 February-23 March and from 4 November-3 December 2009 respectively. 24 diplomats from various countries attended the 47th PCFD course and 29 diplomats from 25 countries participated in the 48th PCFD programme. The 49th PCFD is expected to be organized from 23 February-23 March 2010.

The Institute also organized three special courses, one for 15 diplomats from Maldives, one for 21 diplomats from Afghanistan and a third one for 37 ASEAN diplomats. During the two PCFDs and the Special Courses, the foreign diplomats were taken to various places of historical, cultural and industrial importance in and around Delhi. They also visited Agra, Jaipur, Bengaluru, Hyderabad, Kolkata, Bodhgaya, Goa, etc.

**Linkages with Counterpart Institutes Abroad**

A Delegation from Bhutan led by Mr. Lyonpo Thinley Gyamtsho, Chairman of the Royal Civil Service Commission called on both the Joint Secretaries at FSI visited RCVP Noronha Academy of Administration, Bhopal, and addressed the probationers of the State Civil Service and the State Revenue Service on “India’s Foreign Policy Compulsions” on 8 December, 2009, while another Joint Secretary, represented the Foreign Service Institute at the 10th Conference of Central Training Institutions held at the Lal Bahadur Shastri Academy of Administration, Mussoorie from 21-23 October, 2009.
The Ministry has a well-organized programme for propagation of Hindi abroad with the involvement of our Missions/Posts. Under this scheme Hindi teaching materials including Hindi books on various subjects, textbooks, magazines, Hindi learning CD’s, software to work in Hindi on computers, dictionaries etc. are supplied to our Missions/Posts abroad for presentation to educational institutions / organizations involved in the work of propagation of Hindi. The Ministry also extends financial support to various foreign universities and other educational institutions through Indian Missions abroad for Hindi related activities. During the year 2009-2010, Hindi books, teaching materials and software were supplied to about 70 Missions/Posts abroad. Hindi magazines were supplied to about 100 Missions/Posts abroad. Honorarium was paid to several teachers for teaching Hindi in classes organized by our Missions/Posts in Belarus, Sri Lanka, South Africa, Surinam, Hungary and Brazil. Miscellaneous grants were also sanctioned to four Missions/Posts for undertaking various activities towards promotion and propagation of Hindi abroad.

The Ministry coordinates work relating to grant of scholarships to foreign students to study Hindi at Kendriya Hindi Sansthan, Agra. 100 scholarships are on offer annually. 70 students availed scholarships in 2009-2010.

Organizing Regional Hindi Conferences in different countries by the Ministry has been greatly appreciated by Hindi scholars, teachers and students abroad. A two day Regional Conference was organized in Muscat in March 2009. There is a demand for organizing such conferences on regular basis in different countries where Hindi is taught in local Universities. The Ministry is considering various proposals for organization of a World Hindi Conference and Regional Conferences.

Implementation of Official Language Policy of the Government of India continued to be accorded a very high priority by the Ministry of External Affairs. Documents like Bilateral Treaties, Agreements, Memorandum of Understanding, Annual Report of the Ministry, Parliament Questions and other documents meant to be placed before the Parliament are prepared bilingually.

The Ministry organized Hindi Pakhwara and Hindi Diwas at Headquarters. Competitions like Hindi Essay Writing, Hindi Noting & Drafting, Hindi Typing, Hindi Stenography, Hindi General Knowledge and Hindi Kavita Path were organized during the fortnight. This time the response from the officials of the Ministry was overwhelming and the participation was beyond expectations. Hindi Pakhwara’s prize distribution function was organized in the Committee Room of the South Block and the Foreign Secretary, Smt. Nirupama Rao, Chief Guest at the function, distributed prizes to the winners. In her speech the FS appreciated the Hindi Section for its contribution towards the propagation of Hindi abroad. Our Regional Passport Offices also organized different competitions such as Hindi Essay Competition, Hindi Writing Competitions and Quiz Competitions on the occasion of Hindi Pakhwara, 2009. Our Missions abroad also organized Kavi Sammelans, Essay Competitions and Cultural Activities on the occasion of Hindi Diwas on 14 September, 2009. Special grants were sanctioned to 25 Missions/Posts abroad for organizing these activities.

Hindi Section organized a Hindi Workshop from 10-19 November, 2009 for the officials deployed in Administrative Sections of the Ministry in Akbar Bhavan. Participants were taught about Government’s Official Language Policy and other subjects such as Noting and Drafting in Hindi etc. Hindi books were also distributed to the participants on the concluding day. More such workshops are proposed to be held for the Under Secretaries in the Ministry in February 2010.

World Hindi Day is celebrated every year in all our Missions/Posts abroad as well as at Headquarters on 10 January. 31 Missions/Posts abroad were sanctioned special grants for celebrating the World Hindi Day on
10 January, 2010. At the Headquarters, a function was organized in the Foreign Service Institute to celebrate the World Hindi Day. Minister of State for External Affairs Smt. Preneet Kaur was the Chief Guest. An essay competition was organized among the foreign students by the Ministry through Kendriya Hindi Sansthan, Agra and Delhi, Delhi University and JNU. A brief Kavi Sammelan was organized by ICCR on the occasion. Parliament Committee on Official Language visited Regional Passport Offices at Vishakhapatnam, Chennai, Pune, Surat and Ghaziabad for inspection during year 2009-2010. Work related to these visits was coordinated by Hindi section of the Ministry. During current year 25 sections of the Ministry and two Regional Passport Offices were inspected by the officers of Hindi Section to assess the progress made in use of Hindi. Proper guidance was given regarding implementation of the Official Language Policy to officials of these offices.

ICWA Library is gradually redeeming its glorious past of yester years as a premier store house of information and data related to foreign affairs. Library’s membership has substantially increased, and its membership in January 2010 touched 627. It is continuously growing. The increase in the number of researchers now using the library is a testimony to the growing popularity of the place. The automation and computerization work in the Library began in early 2009 and about 75,000 books of the book collection have already been entered in the system. The catalogue of the books will be available online by 31 January, 2010, which will give researchers the facilities of accessing and getting to know the Sapru House collection. Sapru House has now memberships of esteemed institutions and reputed national and international professional bodies viz. DELNET, IASLIC, IFLA. These memberships are optimally used to seek information or borrow material for our Research faculty and research students.

ICWA routinely receives queries from American Centre, British Council, India International Centre, Nehru Memorial and Museum Library, Central Secretariat, DELNET and various other renowned libraries. Media personnel of prestigious newspapers have been visiting the library for reference information. A large number of books are being added to the collection such as books on key issues in international affairs and foreign policies pertaining to Africa, South Asia, Central, East and West
Asia, and on themes such as Energy Security, Environment and Climate Change, Global warming etc. Professors and Research scholars alike from reputed Indian Institutions and Universities have referred to the books, periodicals and press clippings available in the library. A decision has been taken for creating the digital content of the immense and valuable treasure available in the ICWA library. The press-clippings 10 lakh in number, bound volumes of newspapers of 10 number of major Indian dailies from the 1964 and rare books 700 in number will be preserved through digitization and will be made available online giving readers a special search tool on the web to look into the vast store- house of information from the past available with the ICWA making it a distinct treasure house.
Overview

RIS, a New Delhi based autonomous think-tank under the Ministry of External Affairs, is an organization that specializes in international economic relations and development cooperation. RIS has the mandate to function as an advisory body to the Government of India on matters pertaining to multilateral economic and social issues, including regional and sub-regional cooperation arrangements, as may be referred to it from time to time. RIS is envisioned as a forum for fostering effective policy dialogue and capacity-building among developing country think-tanks on international economic issues.

RIS conducts policy research on international economic issues and provides analytical support to the Government of India in preparation for major meetings and negotiations. The focus of the work programme of RIS has been on promoting South-South cooperation and on assisting developing countries in multilateral negotiations in various areas. RIS has prepared major research studies to assist various NAM Summits, East Asia Summit, SAARC Summits, IBSA Summit, BIMSTEC Summits UNCTAD Ministerial Conferences, WTO Ministerial Conferences, among other high level events. RIS has been engaged in the Track II process of several regional initiatives, including the Track-II Study Group of CEPEA. RIS has also provided analytical support to the Government of India during the negotiating processes for concluding comprehensive economic partnership agreements with different countries. The organization has been engaged in policy dialogue on the way forward for an Asian Economic Community with leading policy think tanks in Asia. Through its intensive network of policy think tanks, both in India and other countries, RIS has sought to strengthen policy coherence on international economic issues.

Highlights of the RIS’ work during the year 2009-10 are presented below:

Research and Policy Inputs Provided to the Government

RIS conducted research studies to assist the policy formulation specifically in the context of India’s economic engagement with its partner countries. Some of the specific inputs provided by RIS include:

- **ASEAN-India**: Inputs were provided during the Meetings of 15th ASEAN-India Working Group, ASEAN-India Joint Cooperation Committee and ASEAN-India Senior Office Meetings held in the Ministry of External Affairs.
- **CEPEA**: RIS participated in the Meeting of Track II Study Group on CEPEA held in Sydney, Australia in May 2009 and provided important inputs.

Budget

RIS has sought a budgetary support of Rs. 3.14 crore during 2009-10 from the MEA.
The Ministry's Library has over 100,000 books, rich resource material and a large collection of maps, microfilms and official documents. It is also equipped with modern facilities to support policy planning and research. The library subscribes / receives and maintains about 480 Periodicals/Journals (including online journals and databases) and newspaper titles.

The library has an in-house computer system consisting of a server, and 12 PCs. The system support data entry and retrieval in Hindi as well. The Library has CD-ROM databases on foreign affairs and current affairs. The Library PCs are also equipped with CD writers and laser printers. It also has a colour scanner (with OCR capability as well as facility for storage and retrieval of Image), a microfilm/microfiche reader printer, photocopiers and a HP Office jet pro-laser printer with Desk Top Publishing (DTP) software.

A Library Committee manages library activities including purchase of books and subscription of journals/periodicals. In April 2008, Foreign Secretary has reconstituted the Library Committee which now consists of Joint Secretary (PP & R) as Chairman, three Directors from territorial divisions as Members and Director (Lib & Info) as Member Secretary.

All Documentation / Bibliographic Services as well as other library operation and services have been computerized, using an integrated library software package “LIBSYS” covering all features of library management. LIBSYS follows MARC as well as non-MARC format. It supports word based free text searching using boolean operators. It also provides online validation of input data prior to updating the database. Information on all books, maps, documents and selected articles from periodicals received in the Library since 1986 [and also pre-1986 publications in active use] are available online through intranet on all PCs of Ministry of External Affairs Library at Patiala House. Library’s Information can also be accessed through Internet in MEA Library’s website: http://mealib.nic.in.

All new documents received in the Library i.e. books maps, microfilms, selected articles from periodicals are being fed on a regular basis in the database on foreign affairs. Using this database and CD-ROM Database, the Library provides Current Awareness Service and Bibliographical and Reference Service. In addition, the Library regularly issues:

Foreign Affairs Documentation Bulletin (FADB): a list of Selected articles on International Relations and related subjects.

Recent Additions: an annotated list of Books/Publications added to the Library.

Chronicle of Events: important news items on International Relations and related subjects

The library also regularly issues daily Chronicle, Book Alerts and Article Alerts, which consist of abstracts and full text of important articles from journals/periodicals subscribed by MEA Library through group email id to all Foreign Service Officers in the Ministry and Missions abroad.

In addition, the MEA Library has become a virtual Library in reality and have started subscribing “EIU online services”, “MBIC from DATAMONITOR” and “JSTOR” databases for the users at Head Quarters in New Delhi and all Indian Missions Abroad. The library also subscribes 118 online journals / periodicals along with print copies. These online databases and journals / periodicals can be accessed on Internet via username and password. A list of such titles has also been circulated at Head Quarters as well as Indian Missions abroad and also available on MEA Library’s Website: http://mealib.nic.in.

The Library in cooperation with NIC has brought out a full text CD-ROM version of Annual Report of Ministry of External Affairs [from 1948 to 1998-99] and foreign Affairs Record [1995 to 1999 (August)]. The information on the CD can be retrieved via combination of searches including Boolean search on any given word or combination of words. This CD-ROM version was prepared based on material available as on 1 January, 2000. This CD can be consulted in the MEA Library at Patiala House, New Delhi.
Retro-conversion and bar-coding of MEA Library records project have been approved last year. The work has been awarded last year and will be completed in the current financial year.

Library also provides practical training to the student of Library Science studying in various Institutions of Delhi from time to time.

Dr. S. S. Dhaka, Director (Library & Information) and Shri Sanjay K. Bihani, ALIO have been elected to IFLA Committees and attended their meetings. MEA Library has also been represented in International and National Conferences/Seminars of various professional Organizations and Associations including IFLA and SLA. On request from HCI, Kuala Lumpur, Shri Sanjay K. Bihani, ALIO went on a month’s temporary duty to set up the library in Indian Cultural Centre, Kuala Lumpur during September-October 2009.

The Library has also processed case for Category five Library as per orders of Ministry of Finance after a gap of more than 17-18 years.

MEA Library website (http://mealib.nic.in) is being updated regularly. A circular in this regard has been sent to all Officers in the Ministry including Indian Missions abroad as per instructions of Foreign Secretary.

Library users including research scholars are welcome to access the Library and its database, including CD-ROM Database, and the Foreign Affairs Information Retrieval System (FAIRS). Photocopy and Computer print-out facilities are also available to all Library users including research scholars.

1. The Government of India has extended loans to the Government of Bhutan and Government of Mongolia to assist in the implementation of developmental projects. During 2009-10, the loan extended to the two Governments amounts to Rs. 422.50 crores.

2. The Budget of the Ministry of External Affairs is essentially a Non-Plan Budget. However, from 1996-97, a Plan Budget Head has been established with the approval of the Cabinet. The Plan Budget caters to certain large developmental projects undertaken in some of the neighbouring countries of India, such as Bhutan, Afghanistan and Myanmar. The Talal-Hydroelectric Project in Bhutan has been commissioned. The other projects in Bhutan being funded from the Plan Budget Head are the Punatsangchu Hydroelectric Projects – I and II, the Mangdechu Hydroelectric Project, and the construction of the Dungsum Cement Plant. The construction of the Kabul to Pul-e-Khumri double circuit transmission line in Afghanistan has been completed. Two sub-stations would be now constructed at Doshi and Charikar in Afghanistan as additional components of this project. The Kaladan Multimodal Transport project in Myanmar and the proposed Nalanda International University being set up in India are also being funded from the Plan allocations.

3. The estimated expenditure of the Headquarters of the Ministry of External Affairs during the Financial Year 2009-10 is Rs. 218.79 crores, which is 4.29% of the total estimated revenue budget of Rs. 5096.00 crores (Non-plan). Estimated expenditure on Indian Missions and Posts abroad is expected to be Rs. 1288.05 crores, which is about 25.28% of the total revenue budget of the Ministry.

4. The Ministry of External Affairs revenue from Passport and Visa fees and other receipts for 2009-10 are likely to be of the order of Rs. 2334.20 crores. It is estimated that Passport fees would account for Rs. 994 crores, Visa fees for Rs. 1240 crores and other receipts for Rs. 100.20 crores.
